*Nighttime*

**Swami:** I'm sure it don't take three months to learning Sanskrit, I'm sure it takes to one year. (laughter)!

*Swami has a small discussion about transcribing his talks.*

Gaya: We want to make a deal with you. You cannot take samadhi until we learn Sanskrit. You'll be with us forever!

**Swami:** Don't waste your times. That's my sincere, serious advice. It's not your Hollywood time. It's not your vacation time. It's hard work time. Every hour you make sure what you learned. Everyday you make sure what you learn, new things. Every week you have to feel so strong yourself, how much you made it. Only you have to suck, you have to digest the information - everything. I'm sure ninety percent people is ignoring that, nobody can't help it. I'm so sorry, if it's too much hard work to you, no problem - go and take back to your country, be peaceful, enjoy your life. I don't want to put it too much pressure and work. You follow your heart. What I said, RK?

RK: If it's too much work, no problem, go back to your countries enjoy and relax. I don't want to put too much pressure and hard work. Follow your hearts.

**Swami:** Follow your heart. Don't feel shy, he's your master, we should follow him, la, la, la—no. I can't command on your life. I'm your friend, I'm not your boss. Of course I'm your master one level, who is teaching information, but your life is your life. Be peaceful,

relax, think, see how much you can afford. Don't feel like, "Oh, if I'm going back, maybe everybody thinking I'm unworthy." Then going down, hmmm-ummm. Don't create your lives as a hell - ok? Figure out all your stuff, then let's go Hampi.

Why the fire accident happened - the Southeast corner is extended. Today I made it, seen the exact line - thirty-six feet it's extended. Even though I made it like L-shape, still it's there. We have to make the walls and fixing. The northeast I have to make all the land clean up, putting again like new garden there, putting small Dattatreya temple and Ganesh temple. It has to be done in forty-five days.

Cindy: Is the vastu fixed in the rooms?

**Swami:** Yes, good power who stays in that rooms. They have a northeast entrance - very good. Almost the sixty-hours cassettes, it's good information. It's like two books? Three books? Huge! It's a lot! It's enough.

Myuri: There are some major subjects that are very long like angels, de-charging, healing techniques...

**Swami:** In this week I will make out with Anya and Cindy some cassettes - I can make recording. In fifteen, twenty days the cassettes will be fine. I can chant all the prayers in one cassette - make it done. It's a good gift to the world, direct Swami's working in the studio, releasing it. Entire the elements in one cassette - direct Swami voice. If I sit four hours like sixty prayers maximum, I can complete. Is it true RK?

RK: I would think more than that.

**Swami:** Three hours.
