Guru Purnima Program 2002  
Torch Process & Shiva lingam Process  
Teaching in the Baba Temple  
July 28, 2002

**Swami:** Good evening guys. How are your days? Everybody enough charged the mantras? Who completed? One of them? That's all. Nobody's doing enough mantras, japas. You thought the energy is over, Swami' course is over, everybody is feeling that Tatyana?

Tatyana: No.

**Swami:** What is your, 'no?' You, ok first of all? She's ok Tobias?

Tatyana: I'm ok.

**Swami:** Be honest, don't lie to me.

Tobias: She's a little bit nervous you're upset with her because she has so few malas done.

Tatyana: The last two days I took little... not really break, but I stepped a little back.

**Swami:** Why? Jealous on the Tobias?

Tatyana: Because I was very exhausted yesterday and the from the days before from the Guru Purnima, I was totally exhausted, tired, so I thought it was necessary for me to step a little back to rest.

**Swami:** Actually in this Guru Purnima process, yes a few people they connected. But one guy was really strong enough at the time... I selected eight people...actually in the lottery how many we selected? Six, again I selected two more. And first I brought five people as a batch, four people they hit it pretty good successful. Are you successful guys? Hello? Tobias?

Tobias: Yes.

Marcie: Yes.

**Swami:** You sure?

Marcie: Yes.

**Swami:** Nancy?

Nancy: Yes.

**Swami:** Diana M.?

Diana: Yes.

**Swami:** Then what I told to them, to get just relaxed. In the final nick of moment, with Ganesh, he's totally out of his... not too much relaxed... his energy is not right enough. His energy is huge, huge crazy bumpy. Then I don't take any decision. I gave decision to the four guys who are there if it's advisable to get inside or not. If he's getting inside, for sure he's dead, absolutely dead. But the condition before I said, "If any one person got failed it will damage the whole cycle." Didn't I say that, the way before you started to get relaxing?

Students: Yes.

**Swami:** And I pulled Taketa. Then that sector is over. I took the twenty minutes relax, I came to Dwarkamai and touched the nectar. Pretty good, sucked the high positive energy. I don't know too, what happened to Taketa, just he stood up and he's ready to fall down. My person already little weak, plus his body how can I grab him not to fall down. Seriously, one leg I'm already limping, I'm on one leg. Really lucky Karin is here. Then she came and just grabbed us both. Then I made to pull him in my

room. Still he's there. The energy is like... just I gave some water to him to relax. Then, again I went to Dwarkamai, took some amrutha, then without his notice I gave shaktipat, "Wake up, come out." Using my energy because he's staying here long time. Then he connected. Then he got what he wanted then he has to develop that. So after tonight is over, I'll give the people the channels, how to keep on flowing to connecting. And whoever is going to stay little long time, again a batch is in my group, a few more batches. Again, I'm telling you guys, if you're driving me crazy, I'm so sorry, I can't help it. Driving me crazy means, going a little off. Do you understand Tobias?

Tobias: Yes.

**Swami:** You understand Nancy?

Nancy: Yes.

**Swami:** Little off means, in the right moment acting very funny, until, before that, very active, very strong. When the right time comes, acting very funny. How come I can make it hit it? I'm keeping on saying, give some moment to you I can hit you, then you can hit whatever you want, whatever type of things, whatever you like it. Go ahead, that's your time but I don't want to see the danger there. For sure I'm saying, very confident, Ganesh is all... and Sabeena too, it's very interesting, all of sudden she not in the right energy consciousness. Ok, I can understand, but I'm not dropping them. Not dropping them means, I'm not leaving them whoever I selected, for again they're going to get a chance.

But make sure first of all, whatever the relaxation, once you're getting relaxing, when Swami started putting the sankalpam on you, lot of blocks will come out of you. Whatever is there then it's sucks out. When it's coming out, then you're completely different funny acting character. Like I gave huge boon to Doug and Paula M., "You do what I say, then you'll see the results." Then I told him the most amazing thing I'm going to sacrifice, certain organs in the fire ceremony and you'll get the... it's a super powerful - I never did in my life history. It means, once if I do it it means I'm ready to take off, that energy pretty close, maybe in a weeks, months, several months... I gave a chance to him. That energy already, I put the sankalpam. I asked him on the wedding day, "Ok, are you guys ready to get married?" It's a block; it's illusion, even though the master is saying do or die if you do something, why I get benefit? Do I get benefit? If you ate a

chapatti, what do I get? Can I fulfill my hunger if you're eating the chapatti, Tatyana?

Tatyana: No.

**Swami:** C'mon, be happy, still little bumpy? Angry on me? Upset? Doubting?

Tatyana: No, I feel guilty.

**Swami:** Guilty? That makes me happy. (*Back to his previous talk*) I'm giving you certain things - do it. If you're not doing it, what can I do? Do it. First the results, "Hey, Swami I did that, I did this, where is the results, show me?" Yes, I'm responsible for certain things. For certain things you're responsible, everything putting the responsibility on my shoulders, it's not fair.

The beginning moments of the group, who were going to connect it, I told it, "In the circle, I'm seeing one person got any crazy damage." Exactly it happened didn't it? Again I'm saying, "Again there's a chance it's going to happen." Again I'm selecting in the Dwarkamai. If anything your bumpiness comes in like crazy way... I'm pretty good charged with the power of the Shiva lingam - each person high energy. It takes several nights to digest the energy in you. That's why I dropped completely, not looking at anybody, not talking, just to digest the energy in you. Completely I ignored. By tonight it will totally dissolve the energy in you, again I'm taking from tomorrow onwards. It doesn't matter your flying, wherever you are, I'm always with you, I'll be with you, the energy. You're not going out from the globe is it? If you're on the globe, no problem, if you're outside of the globe, then alright sorry Baba it's not my business, not my job.

So tonight the final dissolving so try to do one thing, make a torch, like a flame with a ghee, like three to five litres, purchase the ghee, make it. Totally four torches and do the pradakshina to this mandir. Every person, at least, every two or three steps, need to change it. (the torch carrier) Do you understand? You can select at any time early morning hours. Everybody at the time has to be very sleeping. Sleeping means, with my boys no interruptions. Very quietly it has to run, so you can select 12:30 a.m., but menses women no, minimum three times around, maximum nine. Your group can decide it. For sure, whatever it is, you're sick, whatever it is, you have to sleep either Jesus or Baba in this building. Menses women

have to sleep outside of Baba Temple on the portico. Whenever Swami is coming and touching and spraying some rose water on you, don't get shouting. Nancy.

Nancy: I knew you we're thinking that.

**Swami:** I think I told one day the story what she did on me. How she made really attack on me. One night I told it, "Ok, I'm coming to your room, open the door." The two doors is open, it's fine. Whenever I enter and whenever I'm coming, they're sleeping, I'm giving the shaktipat. She's holding the egg, doing a small process. Just I went and I touched her. Then she, like a shaking, ready to throw the egg on my face, shouting like some cobra is being thrown on her, it's a kind of a shouting, like someone is going to attack on you - huge ferocious. Then I can't stop the laughing. Completely I hid. Which angle she's going to throw the egg? The whole energy, the vacuum is down, ok I can't do any more shaktipat. Just I blessed, I prayed to Baba, I sucked the energy. Just I entered, she made me completely diverted, completely diverted. Of course the results came, I gave the blessing and came out.

Please, don't do that. I can't tell few experiences especially one time with Paul and one time with Anya. I can't express that, just take the knife and she stabs me, it's good, it's pretty good, it's wonderful experience. Try to give the moments, really good moments, sleeping, I need your really sleeping time, minimum thirty seconds to one minute, you're really asleep. I can find out you're really sleepy or not. One time Clint and me and Monika L., we tried on Philip to make him to sleep. Who else was there? Tatyana and Myuri also there. What our plan, to do a small, to make them to have experience also to give him experience when he's sleeping, to bring his soul out, to making show it, then again to send back to the body. Clint did his maximum best. How much he gave?

Monika L.: Enough for four people to go asleep.

**Swami:** He gave it, then Clint he said, "Now it's not in my hands." Still Philip is smiling, awake. It means he's holding. Once if the holding the thing, ok something's running, then it doesn't work out. So, tonight relax, select a good time, take good shower, fix your beds and do the pradakshina and pranam to Baba and take a sleep. If you want to chant little time before, japa, then go to sleep. Before you're going to sleep, say thanks to your father and mother, and Baba and master, and what your wish is then lay down and sleep gently. Any questions?

May: The women who were on menses who missed the process, will we have a chance to taste the amrutha?

**Swami:** Today I'm getting the list. I'm taking care of that. No problem.

Monika L.: Can you explain why when one person in the group didn't have success why that broke the energy for the rest of the process?

**Swami:** It's a cycle, like a group cycle. If one sector is cut off, is it really possible you can make it speed up? Is it possible? Whatever I give the link channels, it's a perfect link, once if the link is broken... but who ever they got it, they got pretty successful. The remaining link I have to fix it with me to link to make it run. I'm screaming please give the judgment to the four people, "If he's one minute late, I'll be dead." Didn't I Tobias, didn't I?

Tobias: Yes.

**Swami:** Didn't I say, "Hurry up, give the judgment if he's eligible or not." Just he's on the wall, "Ok, I'm fine, no problem." He's talking like that. I can't believe that, that strong stud guy. First, I really doubted on you Tobias, but you did a great job. You really did a great job. Really I'm very nervous with you. In the lottery I really expected you're definitely going to hit it. That part is done. Ganesh, he did the heartfelt prayers, ok it's fine. It's Almighty choice. All the way he came close then, "Get out." otherwise not a big problem, he was very close. Do you understand what I'm saying Marcie?

Marcie: Yes.

**Swami:** Is Ramakrishna jealous on you?

Marcie: Probably.

**Swami:** You have to create more.

Marcie: Good, no problem, with your grace.

**Swami:** We can see big scar he has.

Marcie: I can create more, no problem.

**Swami:** It makes clear sense. Any questions?

Marie's: If we finish one of the japas, like the Shakti, the two, should we finish that or should we go to the Shiva?

**Swami:** Go to the next. Why if you finish that... go to the next, and pretty soon we're burying the Shiva cave mandir, and it's opening in another place. So I don't think I'll give a program again in this year. The program will be maybe you can visit your Swami's Samadhi or if it's there, you can come for Christmas, or January Happy New Year, or for your Swami's birthday, if he's hanging around on the bed. So, I don't think so I'm conducting any programs. Maybe I'm coming to your states for a little while little bit and just selecting the place for the temple, putting like the same Big Boss statue in America. Also, I have a desire to put in Germany too, same like that statue, beautiful hall in your countries - sometimes Guru Purnima you have to visit, anyhow that's your karma, visit to Penukonda! Hello?

Students: Yes.

**Swami:** Have to visit, so if any programs is running, if any channels when you get close, if I smelled it, "Yes, you're ready to hit it," then the call will come to you, "Come for a week or ten days," you understand? Specifically Swami will dial to you, "Yes, this is the time for you to come." Doesn't matter you have the lot of works. I'm sorry, I'll give the three or four dates you can visit certain dates. You can hit your process then get back to your country. Do you understand?

And keep doing, majority of time, your personal mantra and Shiva/Shakti, what these two prayers you can keep going, and Maha Kali prayer. This is your program and also who left from Penukonda, also give them this program too. But whenever you wake up from your bed, just chant the Guru Mantra, look at the Baba picture, "Good Morning," start your works. Ok? How are you Hiro? Wonderful?

Hiro: Yes, wonderful.

**Swami:** Seems you're not wonderful. You're fighting too much. Is it true Ushi?

Ushi: I don't know exactly.

**Swami:** But is the fighting running?

Ushi: Maybe.

**Swami:** Michiyo is the fighting running?

Michiyo: Yes.

**Swami:** I can see in his face very clearly. Wherever you got relationship problems, ok it also cuts the energy, I'm sorry. I'm keeping on saying and saying and saying. It's fine. God bless to everybody. So tonight take care very gently the energy. The flame, don't make it to go off. Take a little small mug of the ghee keep putting on that. First make the ground clean then go, light it from the dhuni.

Myuri: The Dwarkamai after today is open for everybody on the inside room? And I have to give to few people to take care of certain things there.

**Swami:** No, no, tomorrow onwards, we're making like a big seven head cobra to go over my bed in Dwarkamai. And we're breaking that stage. Certain things we fixed it, again came with the final looking with the design. Once if you enter inside in the first room you'll really get the frightened, scared, little scared the cobras. Majority, Swami will sleep under the cobras and right side the Shiva lingam will be there. Then the amrutha will come, just touching to my samadhi, little drop. One container will be there for years and years, drop, drop and drop and drop, only one full moon day abhishek to the Shiva lingam, remaining days no. Only on full moon day. So the gold smiths are coming and fixing it.

So have a wonderful night, successful. And make sure your mind is relaxed, super relaxed, through your meditation. Whenever Swami started making you relaxing he will be there majority. Don't go crazy bumpy, holding your blocks, coming out. Be smart enough. Good luck. Have a wonderful day.

End of Course
