Talk on the steps outside of the Mandir

Swami: Good evening guys? How was your day? Good? Just five minutes I want to talk, then later on I want to introduce my trustees, the organization members and they will talk something.

How many people is doing the 'A' section? Remaining people is 'B'? How many are going to do the 'B' section? 'A' and 'B' both? Everybody have the group discussions? Your Swami in this year, in the coming four or five months travelling, a lot, entire in the globe. So, I really need to know when the majority of people are going to start to hitting? Starting to visit Japan and Germany and I gave to the dates to America and it's confirmed.

It's between you and me, the process is serious guys. You have to really think deeply and at least let me know tomorrow morning when I wake up. I have to see the list which dates are comfortable to you. And again the advice, even the group is starting different part, but you're not able to attend for that then when is your approximate comfortable date, then I can give some suggestions. Ok? Good.

And mostly who helped this whole program, first Anya and Cyndria, they really did a great job and they did a huge hard work. Heartfully thank you so much - God bless. They're also members in the organization in America,

she's member board, chairman. Within a few years, she's going to shape the organization in a beautiful way. Whatever her crew, they did hard work too, thank you so much. Everybody did a good seva and also my Indian trustees too, like an Indian Godfather, Nagareddy the chairman, I really want him to come here to talk.
