Birthing Atma Lingams

This information is taken from notes only – there was not a recording)

Swami: How long since I have seen you, since I have talked?

Ramakrishna: Almost ten days.

Swami: When Shiva Ratri time is coming, Swami gets little sick. Baba's way will show his own style of punch. So, I didn't surprise. This coming full moon, fifth night or sixth night, the most powerful for the JC Channels. Somebody can jump, even you are doing Jiva Vidyas and some people started JC Channels, pretty good you meditated enough and... giving chance to me to approach your soul to give you something, to do something.

This Shiva Ratri subject, the main subject on the Shiva Ratri Program, how to create Atma Lingam. I chose a person to grow in him. Already I put my sankalpams on few souls. It can disappear or it can deliver. It already started to grow. You didn't come here for fun. Your job is to meditate as much as you can, calm your mind quiet, and suck a lot cosmic energy to your soul. If you got disturbed with a

lot of confusions, you are the person losing. How to grow the Atma Lingam? I explained it before.

Myuri: It takes ten months, taking the ash, not sure if there is a mantra, growing...

Daiichi: You eat the ash during auspicious times and you need the PIN code.

Swami: What is your explanation Tobias? I told how to grow, and few stories, and how some saints died - it turned (in them).

Tobias: It is sucking huge energy. They throw them in the forest because it is sucking positivity and there is also huge negativity.

Swami: Why? If big light is there. If the light is blooming, big light is there, the darkness wants to come there?

Tobias: As soon as it goes out, the darkness is there.

Swami: Once if it is there, the light is blooming, once if it is there, the darkness... already I talked how to grow the atma lingam... I gave a lot of stories. You have to go through the information, otherwise it's meaningless. By forty-eight hours somebody has to stand up to give all points clearly. Monika, what are your ideas how to grow the atma lingam?

Monika L.: It is a huge boon to your soul to see the birth of atma lingam. They can receive moksha at that time and don't have to be born again.

Swami: Subramaniam is the son of Shiva. Ganesh and Subramaniam, they both want to sit on the lap of Mother Divine. She has only one lap. Ganesh wants to sit on the right side. Shiva gave a test, "Who does the pradakshina to whole planet three times can sit." Subramaniam took the peacock as a chariot and started running. Ganesh is a little fat character, cannot run, sat under the tree with huge depression, "My father giving such a test." A saint is walking, the saint told to Ganesh, "When a cow is giving birth the baby, at the time do the pradakshina three times or can do pradakshina to your parents, its enough." He went to his parents and did and also put his third-eye consciousness around if any cow is giving birth, then he did

also three times pradakshina. Ganesh was a little ahead of Subramaniam.

There is a clue why... how to create, how to produce, how to use the Atma Lingam. Few angles I talked, not that depth. Whatever you already know I want to know within forty-eight hours. I want clear report. From the Shiva character beginning to ending of Atma Lingam that's the edge of Shiva's soul, the ending of the Atma Lingam, I explained.

By this full moon, don't miss it even if any illusion hitted. This is the most special full moon to Shiva Lingam. Who gets Atma Lingam this Shiva Ratri is so lucky, who hitted power object of Shiva Lingam this Shiva Ratri it really great. *(Note: these last two sentences we heard differently so both are mentioned here)*

Few days back I took trip to Sri Sailam, took darshan. It was beautiful and crazy. They gave a fear (*tight security*) it means no more I can go Sri Sailam - one part smooth, one part crazy. Thirty men with machine guns (to protect). Day by day I'm losing my freedom. Do abishek on full moon day to downstairs Shiva lingam, the groups, ladies one section, gents one section, menses women no. We will see how it will go this Shiva Ratri.

The Vaastu book is pretty good done. Release the Vaastu book. Chose few more pictures then release it.

Ramakrishna: What time should we do the abishek tomorrow?

Swami: Start by 8:30, 9:00 am, the sections. Be happy (healthy?), that's only I can recommend. Good night.
