Today we performed the beautiful Chandi homa and the priests they did really beautiful job and my thanks to them. And the soul traveling people: Alana, Gary, Birte, Tatyana, Franz, Aghni, Tobias, Petra, Alx. So congratulations to them and I hope you utilize this time very beautifully. And do the pradakshina three times. The Chandi homa, it really brings lot of happiness and major huge victory and health and wealth. So they did according to the *Vedas* very systematically. By grace of Baba and Mother Divine, I'm expecting lot of victories in your lives. Of course the victory will come, it's already there but you need to receive it. Have a good day and I'll see you around 3:30, 4 p.m., small talk, again after arathi we'll perform the soul traveling.

*Evening talk after 9:00 Arathi in the Baba Temple*

**Swami:** Good evening guys. How was your day? Did you have a dinner? You sure? Astrid, what you ate?

Astrid: Tomatoes.

**Swami:** You Gary?

Gary: I had falafals and some yogurt and some tomatoe and cucumber and a chappati.

**Swami:** Virginia?

Virginia: I had tomatoes and rice and little dhal.

**Swami:** Good. How was your meditations today, Brett?

Brett: It was good.

**Swami:** Saying painful, "It was good."

Brett: Little painful, but it was good.

**Swami:** Why it's painful?

Brett: I don't know.

Zahira: He knows.

**Swami:** Tell me Zahira, what's really going on with him?

Zahira: He will talk.

**Swami:** Tell me.

Brett: No, just little pinching today. I wasn't eligible for the lottery.

**Swami:** You're not eligible for the lottery? Are you jealous on them?

Brett: No.

**Swami:** That's why your painful? Is it true Zahira?

Zahira: It's painful because you don't even have a chance to be in the lottery.

**Swami:** I'm sorry. Patience. Don't be impatience. Something you got it but you have to come up and, the winning will be very interesting. No doubt on it. But I have to see. Can you stand up who got selected?

Nine Students stand up: Alana, Gary, Birte, Tatyana, Aghni, Tobias, Petra, Alx, Franz.

**Swami:** Think from your heartfully they're eligible or not? Hey, tell from your heart? No, I'm serious, Terry?

Terry: Why not?

**Swami:** Oh yea.

Terry: Seriously, they're in the group, they had darshan, why not? They should be eligible.

**Swami:** Wife and husband, why they got it both at a time?

Terry: It was good for them.

**Swami:** I'm little worrying once if they getting back, maybe they'll get separated.

Terry: They might be happy?

**Swami:** Can I switch their souls in the...? Hey, I'm serious.

Terry: I think you have to ask them.

**Swami:** You tell, I'll do it. Why I have to ask them?

Terry: Yes.

**Swami:** You sure, Tatyana?

Tatyana: Depends how long.

**Swami:** Jonathan jealous on you Alx?

Jonathan: No, I'm very happy.

**Swami:** You Franz?

Franz: I'm very happy.

**Swami:** You ready?

Franz: Oh yea.

**Swami:** Petra?

Petra: I'm happy.

**Swami:** I know you're happy, are you ready?

Petra: I'm ready.

**Swami to Aghni:** You?

Aghni: I'm ready.

**Swami:** Alana?

Alana: I'm ready.

**Swami:** So Tatyana and Tobias, you're really seriously ready?

Tatyana and Tobias: Yes.

**Swami:** Gary?

Gary: Yes Swami.

**Swami:** Good. Our journey starts at 1 a.m., minimum nine hours maximum we'll see. But I need to spend time with you guys like one hour, one and half hours. Something I need to explain then free birds. Big turning point in your lives. Really big turning points in your life. One part I'm little nervous too. I never got nervous, but today somewhere some tiny bit little shaky. You know what I'm saying? I know how to swim and I know how to make the people get out from the swimming pool. Right after, before we're going to jump in the swimming pool, on a really tall building, testing... you know that kind of feeling? It's ok, but... So, good, have a seat.

The first part of the Guru Purnima you did, to touching your power spot, making the link. That's good everybody did wonderful job. Pretty good I scanned and the energy is super smooth, it's clear. And second thing, what I really want - don't misunderstand. I'm giving only the Japanese the chance to come and touch me to my body. And Shiva Ratri time, there's twenty-seven people, the Soul Baby Group I'm taking soul traveling in Japan. So this time, I didn't make them in the lottery. There all guys, they already have connected and they have a lot of amazing experiences with the Mother. But I put them in the little pushing it. What I recommend, every person from one to three a.m., around that time, make a candle in your room and simply go in the deep trance. Don't make burn your room, just make sure the candle... Turn off all the lights just make one candlelight. When the candlelight goes off, make one more. Go very gently, smooth, practice it, go in the trance and go and take a sleep. After three hours later, there's a chance, if I want to pull somebody, I'll come pick up few people, but I don't want to tell their names. Tomorrow you'll know it by grace of Baba. Understand?

And it's not a joke - this is a life and death issue. Any of the crew did any mistake, pretty danger. And I want to take the helpers. I want to take Jonathan, Chinello, Will, Diana F. These four people are responsible for our bodies. You know what I'm saying? First I have to tell... I don't want to make scary, but it's ok. Once if we left, there's a chance some people will get some kind of fits... you know fits, like electric shocks? Once you got it, how the body, what we call it? Seizures, super shaky. And if you left, if anything stroke hit it very badly, if they started bleeding from their nose, their ears any blood, you have to make the cotton wet in the hot water. Have it there and just clean it to them. You know what I'm saying? And if the blood is bleeding, put the cotton in the nose and the ears. And if it's really... just it goes like few minutes, don't worry, their body won't get damaged. I'm telling to the nine people, there's a chance it will also happen to me.

Few days back I did a small trial. It went well. It's ok. And person, sometimes when we're landing it, if I keep sending advance, some people come like huge, unbelievable noise. You know what I'm saying? Don't run away, the crew! Don't run, please! I hope you guys have enough stamina. If anything - they came and they're not in

consciousness, like they came back, they're looking at you but they're not recognizing you. Like they don't know... it takes like twenty, thirty minutes. If I landed late, if I sent them little in advance - never knows. One more guy is following with me. I don't want to tell the name - the top boss. If somebody lost their consciousness, even they like alert, look alert, but they can't remember anything, just they're behaving little crazy, grab the person, bring them and come and make the Baba's feet, make them hit it. You know what I'm saying? No compromise. Even if you made the person got wounded, whatever it is - boom, hit it. You get back to normal stage. It's very, very, very important.

Don't think, "What happened to Swami? He's not come back yet. Everybody else came and..." ignore. I'm just telling to the crew these instructions. If the crew ran away, in case, there's a chance... they're also under watching, you might hear the illusions start to play - crazy songs, and to bring you to super, huge drowsiness to go and take a sleep. Don't go take sleep! No chance! Even if you want to go take refreshment, go fast, quick. You know what I'm saying? And to you crew, like two, three people, whoever you have a confidence, make like extra there, just for helping you whatever you need it. Like Chinello whoever he likes, like two, three people, he's confident to go and getting things.

And when the Shiva lingam is in my hands and the amrutha is bleeding it, let it bleed it. If it's going too much crazy, like bleeding it, like if you really want to help somebody is going crazy. At the time you don't have the space in the room... take the Shiva lingam put in the normal place. If it stops bleeding, it means it's the symptoms eighty, ninety percent I'm not coming back. If it keeps bleeding, keeps flowing the nectar, yes, my journey is going smooth everything is ok. If it stops, red flag! But don't worry, I'll send all the students back. Whenever it landed very fastly to them, they might behaves little funny.

And by tomorrow this time, if I didn't show up... ninety percent I'm very confident, I want to come as soon as possible with the nine arrows, maximum nine... if I didn't show up by this time, it's gone red flag! I'll show the place to the nine people, make my face towards the west getting to Samadhi. But still I have lot of work to do, I don't

think so the Big Boss will allow me to keep with him. Always illusion, never knows... Any questions? Yes, Zahira?

**Zahira:** What is the connection between the soul traveling and the amrutha, Shiva lingam bleeding, and your journey? What is the connection?

**Swami:** Tomorrow I'll explain if I come back otherwise, wait until you got your really success. I don't want anybody's illusion to putting there, to knowing on it. Yes Will?

**Will:** You said it's a red flag if it's stop bleeding. Is there something we should do?

**Swami:** Well, put your love, put your love. You're almost all, if you're there around just it's a heaven. That's enough of experience to you guys. You don't need anything else in your lifetime. That's enough, but the journey is different. At least to be there witnessing it that's enough. You know what I'm saying?

**Student:** Is this enlightenment?

**Swami:** Enlightenment? Birth and death, both is there. Yes, Jonathan?

**Jonathan:** Swami, you said if you don't come back then we put your face to the west, there in the Dwarkamai on your bed?

**Swami:** Yes, on my bed? You put the bed there now?

**Jonathan:** There's nothing that's not been there.

**Swami:** I don't want any cloth just I want to lay down on the plain rock.

**Jonathan:** Ok, we have a little adjustment to do.

**Swami:** Take it out - just plain rock. Simple, I have a simple cloth, then starting. Nothing.

**Chinello:** We turn your face to the west or your whole body?

**Swami:** My head, oh my God he's plan to put my body turned. But I'm only worrying who I'm taking with me, that people. If they really behave any funny things to really you can take care it. I can't trust Tatyana that easily and Aghni, she don't have the tail, but if she has the tail she'll always be on the... little funny soul. She deserves that, but we'll see.

Jonathan: Is it a good idea for us to do the arrows, if any problem comes up?

**Swami:** Don't do anything, just take care. If the ants are coming from the tree, or any mickey mouses, if they fell down... I cut little branches toward touching Dwarkamai, I made them cut it to the tree. Make sure if any insects or anything, take care it from the bugs.

Luzia: When we go into trance between one and three a.m., what mantra should we use?

**Swami:** Choose whatever you like.

Student: Should we be sitting up or lying down?

**Swami:** As you like it. The crew have any questions? Can you stand up and give me feedback.

**Swami to Diana:** You should hire the Skye with you, you know? He's a strong character.

Diana: Ok.

Jonathan: The extra people should be in the outside room?

**Swami:** Extra people will be outside. Whatever you need it, they'll bring to you. Also be very clean, strict, not to much talking.

Jonathan: So Skye should be inside or out?

**Swami:** Outside. You four people if you want to come in, get out to go to your restrooms, whatever it is, you can choose four, five people,

extra crew – hot water, cotton, and if you have some white cloth, if it's available some towels if it really keeps bleeding happening.

Chinello: Should all four of us be in the room at the same time at all times?

**Swami:** No. I have to see the place inside - few guys really tall. Gary, he really occupies big place. Tobias and Tatyana, they occupies different place. We should not touch each other.

Will: Swami, if somebody is having bleeding or something, we should also not touch them or it's ok to put the cotton and...

**Swami:** Clean it, clean it, make it and put the cotton. And again if it gets wet, put again the cotton gently.

Will: Any problem if some blood is touching the floor?

**Swami:** Don't worry. If amrutha is going like super crazy, put it in the same place but it will start keep flowing it... the flowing, how we call, the speed will come down.

Will: If it's going crazy, put it back in it's normal place?

**Swami:** Yes. Even if the people got like kind of this much height of amrutha, like they're all kind of stuck, if it's going really crazy, you can't walk... but don't fall down on anybody, that's very serious thing.

Jonathan: So if anybody's not recognizing us when they come back, is acting funny consciousness, we take them to Baba and they hit Baba's feet?

**Swami:** (Nods yes.)

Will: If not everybody has returned yet and somebody's acting little funny, is it ok to take them out of Dwarkamai?

**Swami:** Yes.

Diana: Once they leave will they stay gone? And then when they come back, they're back or do they go and come back and go?

**Swami:** Once it's gone, done. Shiva lingam starts to bleeding, it means you start to check everybody out. My hand, if it's there or can put on my chest, started to bleeding, I prefer it to be in my hand. Starts to coming out it means ok, you're there, ok looking it started, it means done. Then everybody... there's a huge chance you guys got little bit shaky. At the time, don't touch them, just watch from the distance. Done. And the Japanese people, the faster they come, they touch, they go.

Chinello: You said, Swami, if somebody's acting a little shaky we should also take them to Baba's feet.

**Swami:** When you bring anybody... somebody will go little tempting from their rooms, they really want to come and enter in Dwarkamai, no matter what they don't care. So you really have to guard, really guard super strong!

Jonathan: So if one of us comes out to go to bathroom or take someone to Baba, we bring one of the replacement people inside?

**Swami:** No. You understand? Somebody, there's a chance, will attack want to come inside.

Will: We should not take sleep right? Not take sleep until everything's completed?

**Swami:** Please no, no.

Chinello: Is it ok if we drink coca cola?

**Swami:** Drink whatever you want. Be alert. I'm serious - coffee, tea.

Diana: Swami, do the Japanese have instructions what time when they should come?

**Swami:** No, I have to go and talk to them. Just little briefly, just they want to come, touch and go - that's it. On Shiva Ratri I have special program with them.

Jonathan: They should come in one at a time?

**Swami:** Ten people at a time, each person like maybe two, three seconds.

Jonathan: They shouldn't touch anybody else?

**Swami:** Leave them open don't worry. Let them do whatever they want it. They know pretty good things. So you're clear, Will?

Will: I think so.

Myuri: Where are you going? Where is everybody going?

**Swami:** I don't know... different... once I'm talking I'll give the few choices - their decision.

Lisa G.: What about pictures when you're back or...? Can we take pictures when you're coming back or...?

**Swami:** You're a photographer. Somebody took the pictures when everybody meditating, I think it was Ganesh. You got the camera? When everybody's meditating you should not take a picture - it's interrupting - no way. We're not doing for, what we call, fancy, no. But if I, if you get a permission like from Jonathan, they can take like five, ten minutes a video, like the amrutha bleeding... like just a few shots.

Chinello: But no flashes.

**Swami:** Candlelights will be there - fire light.

Chinello: I was thinking about the flash on the camera? No?

**Swami:** No.

Lisa G.: I have no answer from you.

**Swami:** To taking photos? No.

Lisa G.: No, when you're back?

**Swami:** When I'm back, yes.

Lisa G.: With flash?

**Swami:** I won't be in the huge good dress you know, that's why I'm a little worrying.

Lisa G.: Not much worry.

**Swami:** What will you do with that picture?

Lisa G.: I put it to the data base.

**Swami:** Data base?

Lisa G.: Yea to the ashram, all yours.

**Swami:** So what's the purpose of taking it?

Lisa G.: Monika told me to take pictures.

**Swami:** Who, Monika? She told you?

Lisa G.: Yes.

**Swami:** Ok.

Lisa G.: I think you know that.

**Swami:** What? She's promoting you to take the pictures? She's promoting a lot of angles, isn't it? Is it true Terry? Hello?

Terry: She's promoting?

**Swami:** She's promoting? Um-hum, I smelled it. Few months back I asked her something. It's ok you can take pictures, no problem. So was coming with me, do you have any questions? To those guys and the crew. Yes Tobias?

Tobias: I have one question. They only put us to Baba once we're back and not during while we're gone.

**Swami:** What?

Tobias: They only take us to Baba once we're back and you're not here yet and we're behaving funny. Then they take us to Baba, not while we're gone?

**Swami:** What is your question?

Tobias: Before, Chinello asked when you're behaving funny should they take us to Baba? But I'm saying is it right they only take us to Baba once we're back and you're not there yet? You're still away, we're back and behaving funny then they take us to Baba?

**Swami:** Yes. If I'm back, yes, I know how to take care. If I'm there I know how to make you.

Tobias: But they don't move our bodies while we're gone? Even if we behave crazy but we're gone, not back yet. They don't move our bodies?

**Swami to Jonathan:** Can you help what he's saying?

Jonathan: He's saying, when you're gone and their body starts to shake, is that possible?

**Swami:** It won't shake. You're not a chicken still shaking. No. Look little funny and joking but the world one day you'll prove it, no, our energy is not enough to punch the globe. You know what I'm saying? The day is also coming. It will come.

Myuri: After this, are these people eligible to do this on their own?

**Swami:** Yes.

Zahira: How many times in their life?

**Swami:** As much as they can. I'm giving that super exemption. They deserve it. Petra, many times she's sitting all the way in the southeast,

looking at Baba and very sad face, little bit crying and just... she got very super hurt. Coming out from all the pain. She been through a lot but I didn't help. Simply I'm going up and coming down, looking at her face, "Go through." She's on the pot cooking - let her cook. Anyhow one day she needs to get cooked. Right now she's in the... The lottery is ninety-nine percent I believe it. Any questions? Who's coming with me in the public it's good evidence. Stand up ask.

Aghni: We'll we remember then for sure? Is there a chance we don't remember afterwards?

**Swami:** You'll remember A-Z.

Aghni: And is there a soul split there?

**Swami:** No, but if you won't come back... if I come back... if we missed you, like where we're going, like big crowd and we missed each others, we're not able to pulling... if I'm not able to pull it and the master is not able to helping there, ok... we have to fix certain time, start. We need to decide as a group. If we miss any person, are your family members going to sue on me, or anything coming and attacking on me? Hello? Gary?

Gary: No Swami.

**Swami:** No, ask Victoria, not me.

Gary: Are you going to sue on Swami Victoria?

Victoria: No Swami.

**Swami:** You're happy he's gone, isn't it? Who will do my Vaastu book? Of course I have to bring him but... in case if I missed him, you should be super flexible.

Victoria: Whatever will be, will be. I give him to you totally.

**Swami:** You're a witness Will, isn't it?

Will: Yes, Swami.

**Swami:** Good. Birte, Paul?

Paul: No lawsuits Swami, no worries.

**Swami:** No worries. No, it's very important. A person having huge pain and aching is not healthy. Questions done?

Bramha: Swami, you said in the beginning of the program when you were on your journey that we're supposed to put our energy back in our power spot? Are we still supposed to do that?

**Swami:** Tomorrow you're going to do that sometime - still Full Moon energy until this time. But I'll give the messages to the crew, few things. And I need to sign few papers, I have to sit in office and write and agree with my heartfully no one is responsible for anything. Making sign it. It's not an easy job, of course I have to do it.

Glen: Swami, we're leaving tomorrow morning so should we put our energy back in our power spot tonight?

**Swami:** Yes, do it.

Glen: Just think on it and it will take it out?

**Swami:** Yes, (he clicks his finger) like that!

Will: You mentioned this is also a process for the crew to be experiencing that, to be seeing that. Is there anything we need to know about or we're just there taking care?

**Swami:** Just taking care of it. Don't think for experience and just you're kind of, "Wow, I'm so frustrated let's drink it," enjoying it. Hun-un.

Will: Thank you Swami.

Chinello: If we have to bring someone to touch Baba, can they just touch Baba anywhere special or should their head touch his feet?

**Swami:** Their head have to hit his feet.

Luzia: What would happen if they move the body? Like if one body would be moved little bit? Would that affect on their coming back to that soul?

**Swami:** Why they move?

Luzia: In case, in case one body would be moved, how would that affect that person? You were talking before we were talking that it's very important not to move the body while the soul is gone.

**Swami:** You're not going to burn it isn't it?

Luzia: No.

**Swami:** You should not move it. The answer is no. I'm giving, I'm going to fix the places very strict boundaries.

Zahira: Swami, is there any maximum days you can be away?

**Swami:** Nine days, but twenty-four hours is the maximum. If it stops (amrutha) - done, red flag – total red flag.

Zahira: Did Baba do three days?

**Swami:** Yes. Yes, Aghni?

Aghni: Can we meet our six other soul parts?

**Swami:** You want to get suspended from this journey?

Aghni: Just I'm asking.

**Swami:** No crazy sankalpams, just do. Does anybody have the fear, guys, who came in the lottery? Be honest, Birte?

Birte: Fear? You mean fear for the journey?

**Swami:** Something having pain.

Birte: No.

**Swami:** Petra?

Petra: No, not at all. No fear.

**Swami:** Good. Alx?

Alx: No.

**Swami:** Good. So I hope everybody witnessed they're all happy to come with me and if anything happens I'm not responsible. But also you witnessed it. Is it true?

Students: Yes, Swami.

**Swami:** So it will go well.

Zahira: Be safe Swami.

**Swami:** My journey always fast.

Zahira: Come back.

**Swami:** I will. Can you sing a song? I think Luzia will sing any great song. And one other thing, when you're bringing that... when the bleeding the lingam and putting in the same spot, don't break that please! You should not and you should not take that Shiva lingam out from the room.

End of Talk
