Ashram Talks With Swami
Soul Mate, Soul Object: The Pledge
In the Baba Temple
December 4, 2004

Swami: Good evening guys. How was your day, Diana F.?

Diana F.: It was kind of hard, my mind crazy.

Swami: With what?

Diana F.: Thinking I'm not happy.

Swami: I don't think so. You're not happy with me?

Diana F.: No, I'm not happy with me.

Swami: Brett, how are you?

Brett: Good.

Swami: How do you feel Anya, people's energy today?

Anya: Was very intense.

Swami: Confused.

Anya: Little up and down.

Swami: Why people need to be up and down?

Tatyana: Sometimes it happens in this kind of energy, when energy goes up...

Swami: Everybody get upset because your Swami's function happened successfully? It's a part of upset?

Jonathan: Are you happy Swami?

Swami: Me? Of course.

Jonathan: Then we're happy.

Swami: I know what I'm doing. I told you I surrendered to him. He's happy. I'm doing my duty - he's doing his duty. Finally my mother she pretty good won it. I accepted. Good, no problem.

Anya: She's very happy.

Swami: Oh, I never seen her such a happy - unbelievable happy. Ok. You want to do today your commitment to Baba? How many people cannot?

(Swami asked Anya if Petra was there.)

Anya: I think they're not coming and some menses are outside.

Swami: What is pledge, you remember Tobias?

Tobias: Standing for the truth, learning Telugu.

Swami: That's one of main point, bringing the truth in the globe - standing for the truth. One for all - all for one, like a unity. Any time, any minute if I call to you, "Skye, I want to see you in India, come." You have to come, pack up, yes?

Skye: Yes.

Swami: Say it heartfully.

Skye: Yes.

Swami: What is your future plans?

Skye: It's a big question. I want to take the light out in the world.

Swami: How?

Skye: I see making our own Center and doing it that way.

Swami: But you should stick to learn Telugu, where you are doesn't matter. Have to take one, two hours practicing together there. Every week everybody has to receive the information what's going on in Penukonda. What's happened, what's my next step, what new changes, what's Swami's direction – has to know! You understand Christina?

Christina S.: No.

Swami: I know. I saw your face. Try to get clarify if you want to do the pledge. Take the responsibility, taking the weight on your shoulders. If you cannot feel right now, no need to. Think if you want to do tomorrow. Your Swami's very flexible. I never say you have to stay here. Few people's notes I seen it, your personal object, power object, soul object, and personal mantra very clarity, favorite JC mantra, again good clarity.

To make your process done, one part, majority of people I'm ready. Once we jump like ten people, five people – boom, boom. After I've given it, what you're giving to me, to Guru Parampara? That's kind of dakshina this is, to stand for the truth, to bring the knowledge to the globe. That's all I want it.

Many people up and down, bluzzy, funny, to be honest, from my side, also, huge mistake. It's not mistake, intentionally I'm doing to make confusing, "Ok, we'll do tomorrow." It never happens tomorrow - tomorrow means tomorrow... Ok, we're getting this time this. To see you, how much you really have the patience. Of course any day, any time I have to do for you. Before I'm giving it, I

have to see how much you're really standing up; it's a part of necessary. Not from my side, from Parampara it's necessary.

Many people got confused, ran out, no inspiration. Once if inspiration dies, it's hard for me to believe you guys. One part believing on me good punch, another part believing on you guys is ten times punch to me to giving something in your hands, like a big family member here at the ashram, it's not easy. Does it make sense Tobias?

Tobias: Yes.

Swami: Think deeply. I'm giving one more day. But if you want to do today I'm ready. Any questions? I'm happy to answer. Brett? But once if done it, you're pretty good surrendered, you don't have any right to say, "No," to Swami.

Brett: Have I ever said no to you?

Swami: No, I'm simply making again to remember. Please make sure. I like the guy he's very interesting. Before getting married to Zahira he came to me, "Swami, I'm confused today. I don't know what it is. I'm happy. I'm happy to believe everything, but I can't understand. It's driving me crazy. I'm confused, but I'm totally in love with Zahira. Please bless me." I really saw his honesty. "Ok, do it." That's enough. So, today or tomorrow?

Students: Today.

Swami: Tonight I'm taking everybody's life in my hands. It's ok.

(Swami had all recordings turned off at this point.)
