Beautiful Talk to a Process Group

Swami: Let me tell my story. Listen. Why I'm very clear, particular about.... Are you hot, you need fan? When I'm doing this, nine years back, I followed super disciplined way, gently. I should not go to the graveyard. I can go to the Shiva temple. I can go to the church. If you seen all the way down, there is a Shiva temple near ashram edge. You can go and visit tomorrow some time, beautiful big Shiva temple. Around that there is some small graves. My attention is to go to the Shiva temple. On the full moon from my cave, from there I started. There's a gigantic forest. All this coconut trees is not there, completely forest.

Near the gate, little bit up, two cobras is link, is dancing. It's almost like this much height grass (*shows up to knees*). In the grass it's rolling. I don't know. I have long robe. I hold my robe, I have my healing stick chanting and I'm going. The two cobras is rolling - just jumped out on my foot! If I little stepped back, I'm safe. I stepped on their middle. The two cobras is, both is fallen in love, is really doing romantic - I'm serious. Super angry on me. Pretty good powerful bites, like...they're both is little bit standing, on the tail is standing, like super aggressive. I don't know what happened to my mind. I'm super mad on them! Whatever my healing stick, just I hitted like that. One got hit there.

Then I went Shiva temple. The poison started. I had darshan, I took some leaves, I rubbed and I ate it then I decharged into earth, then I returned back. When I returned, then I little wonder what the cobras is doing. One is

dead. One is doing protecting that dead snake. I'm serious. I stand a little distance - super guilty! What to do? It recognized me, it is, recognized me. What happens at the time?

Student: It was angry.

Swami: Super angry. What happened? Use your psychic, hypnotist?

Michaela: She bite again?

Mutiam: Did you use your healing stick and revived it again?

Swami: No.

Student: Did you ask for excuse?

Swami: If I said, "Excuse," it's going to bite me. I can't heal that poison. If I'm guilty, if I express my guilty there, I'm dead. Cobra is the most smartest snake in the planet, the smartest, I'm serious.

Beate: You promised it another mate? You healed her broken heart?

Swami: How it's possible? (*Swami says a word that means, make it stuck.*) I made that snake mouth (*Swami shows like tying something around the snakes mouth*). Then I took it with me. I carried in my cave, putted it with me in the cave. Whenever I'm doing meditation, it wants to go away, but no energy in the body, just looking at me. Whenever it's sleeping, pulling the soul out, training it. Still that snake is still alive. That snake still is protecting the Shiva temple and all this Mandir.

With Jesus' life, he got crucified. What happened to his body? Where was his body? They say it disappeared it went to heaven. Where is the heaven? Whenever they crucified him the blood, all the stuff is bleeding. Why can't he change the whole system of not blood bleeding, the nails coming as flowers? Just he accepted it as a Kandhana Yoga - he accepted. He is well, well, well trained person in the planet in the Kandhana Yoga, extraordinary Kandhana Yoga person.

Why Bhudda, after he ate the pork meat, he died? It's a strict law if you eat it you die. Read in his history, it is there. A lady offered, he ate it, (*Swami snaps with his fingers*), his soul jumped out.

Rita: What is my duty?

Swami: Today, you are here you learn this prayer. I told this, do it. What ever is coming near to you, any work do with one hundred percent open heart, one hundred percent open heart, do it. Then you are free out of any illusions. Somebody is super hungry, you having something great food with you. You no need to take care the person. There is no law why you should take care. God is giving a chance to you! You're looking at a person, he's super hungry - how you going to react? Are you giving some food to the person or you simply ignoring and walking? When you ignore and walk, the clock, the circle is round, it will come again back the same, and you will be in that position. That is karma. If you hurt somebody with this hand, in a fraction of months or days, you receive with interest. Same more hurt, same much pain back, impossible to escape. Even I'm there, it's impossible to make to escape - action to reaction. So help ever, hurt never.
