Swami's Soul University Talks  
 Concentrate on the Knowledge  
 Talk in the Baba Temple at the Ashram  
 March 5, 2007

**Swami:** Nityaananda, everybody here in ashram, only thirty, forty percent isn't it? It's ok, just I want let you guys to the special... Swami really concentrated on the ancient Mahakali and Shiva yantras, chakras - writing a new book. Pretty good I concentrated and I hope Myuri and Monika T. and Nityaananda, these guys can give more talks on the Sri Chakra, Paramashiva Yoga, Concord, Inner elements, Brahma Consciousness... as fast as you can try to complete the chapters guys.

Still all the ladies, the girls, their experience is pending - Pratchandi Yogas. Just any day, it's a matter of two, three days to me to complete that all chapters. To the gents, to complete the Shiva Yogas, Shiva Channels, to give the experience is not much time to me. You're majority time here in university, you need to learn the knowledge - yantras, mantras...all stuff. Don't think Swami's not talking. Already I talk, talk, talk thousands of hours I already talk. The senior most students like Jonathan and Nityaananda, like Monika T. and Myuri – these guys, Paul, these guys they know it very well. Try to learn. You can hear my audio sound and also video sound you can hear it. So no need to pull my unnecessary time and attention, pretty good I'm exhausted in all angles. But first try to get the information whatever you can, then I'm happy to give the experiences. You got it? Hello?

Students: Yes.

**Swami:** So don't misunderstand that there's nothing running in the university, that everybody is waking up and just going and taking sleep and nothing is happening. Don't do that. Try to pull the senior students to talk for you guys! It's very important. It's very, very, very, important! If you really have the top thousand questions, two, three days... if you put it me to give a talk on your thousand questions of clarifications, I am happy to give it, to clarify that. But is no need, not necessary to me to give a talk. I'm happy to give a talk but not necessary... very powerful book I'm working on to release by university ending time, is a very powerful punch - how to connect the Mother and Big Boss, Shiva energy, all Datta characters with evidence and proof. What I'm working on it's breaking my head. It's really big, tough subject - very tough subject! So try to cooperate to me too!

I'm happy once if you all guys gather, if you have all questions like fifty, a hundred, two hundred questions on one chapter. If you have any doubts or clarification, I'm happy to clarify it! But majority you need to concentrate on the Study Groups - it helps! Ok?

And also, same time, try to learn the music and bhajans... is very important. It gives lot of peace and melodious, relaxation. So this is the time for you to do hard work! Again you can't get back this time! Don't waste the time! Please, please, please don't waste the time, ok? You understand Myuri? You need to make minimum six, seven hours - make the people to listen the talks! Minimum at least four, five hours listen talks, then they can study four, five hours, then they take the six, seven hours sleep, then the service. Ok?

So June, July is Guru Purnima, is also coming very edge. If I really took the serious powerful punch to give the talks, guys, I can take all it, no problem. I'm giving a chance to the senior students to give a talks ok? All the best and I hope tomorrow onwards, I see more clarity in your group guys. Clear? Hello?

Students: Yes.

**Swami:** Good luck!
