Done. So this is the first test, tomorrow again another test. Now you have write, sit under the trees then hand it to me. Ok? Good luck.

This test is majorly... it tells your future life what I'm going to give, your capacity. For example, if I promoted Eric on my website, whatever he wrote in his own handwriting, that paper will be with me forever and ever. The coming test, today test... so how powerful you are, it tells today how much depth you know the knowledge. You know what I'm saying? So don't write vaguely. Think deeply, put the words. Good luck.
