Swami Wants Telugu Students to Translate JC Book

Talk in the Baba Mandir

October 27, 2007

Swami: Tomorrow onwards, Myuri and Nityaananda started to teach the book, new concept for two or three days. Before we start that book Nityaananda, if you can do it with the nine torches after 9 o'clock Arati - everybody can do the Pradakshana five times each one carrying the torches.

I need to see the top people who know the Telugu, who understands Telugu, who can translate it, can stay for two, three weeks time here in the ashram, not traveling. They need to translate... chapter of Big Boss Jesus Christ with your own eyes. Who really knows the Telugu very easily? Nityaananda, Paul, Monika T.? What about Nancy? Johanna, can you? It's important. You have to know what is reality with these guys in that book, in that chapter especially. I think Zahira you're pretty good? You're leaving?

Zahira: Yes.

Swami: So eighty percent of the Big Boss book I recorded, my voice I recorded in just two hours - non-stop, kept on talking on that book. What I'm talking and somebody's writing it. So, maximum by Shiva

Ratri we need to release that book – maximum. The page of whole leaf and the meaning, like that. It comes like four volumes, like four books it's coming. Four books... I think each book is seven hundred pages easily, like Vaastu book that size. The leaf is like that big, put this way (length of a page).

So, I hope... and everybody should cooperate to pray for the books to come out. That's your... make a deal with him, the Big Boss. So far many people are supporting, cooperating with me not giving disturbances. So if you really can take care until to Shiva Ratri, then who are coming to Shiva Ratri we can straightly give the book, put in their hands - what type of sadhanas the Big Boss did and many maharshis and saints on the days, what they really did and said, especially Kandhana yoga. It's very interesting, different yogas, it's very, very interesting with evidences.

So we're all here – put your sankalpam and prayers. Make good Bhajans from eight, nine, then at 9 o'clock after Arati, with the ghee, make the flames keep carrying it then put it in the fire. So I want to see the Telugu who really knows at 4:30.
