**Ashram Talk With Swami 2008**  
Swami Brings Out Some Palm Leaf Books  
Teaching in the Baba Temple  
March 14, 2008

*Swami brought out a silver box with a palm leaf book inside.*

**Swami:** How much time would it take to make a silver box like this one for the books?

Nityaananda: About five, six weeks.

**Swami:** Any relationship of Kala Chakra to Kalabhairava? Any experiences? Who is Kalabhairava? What is his story?

Nityaananda: Guarding Shiva's meditation, he was created by Mother Divine, directly from Her energy. To win that is pretty good to win Shiva. No energy can stand in front of that.

**Swami:** What is his duty?

Nityaananda: Protect Shiva's meditation.

**Swami:** Then?

Nityaananda: Handling the negative energy that comes.

**Swami:** Who is the most powerful person, so far, in Vedic tradition way? Most powerful being to protect you, your mediation, and giving experiences to make you a master. Who is that?

Nityaananda: Shiva.

**Swami:** Next?

Nityaananda: About protection? Betala?

**Swami:** Who is it to come and fulfill desires, and give protection to you? Many kings, saints, emperors meditated and received through Shiva and they lost it—Ravanasura, Gajasura, Bhasmasura. Through their negative concept they lost it. Why he didn't change their soul character to be in a positive way? He's a divine being, why he can't adjust that?

Once you're there in the final climax point, something changes you. Why that change happens? See in the Puranas with any Shiva characters - why it's happening like that? Kala Chakra how it affects to the divine souls? Like the Saptarishis in Himalayas, Veda Vyasa on, how it affects to them? Are these Palm Leaf Books written by saints or scientists? So how the Kala Chakra affects them?

Nityaananda: They can see the whole time-cycle from beginning to end. They can see the whole cycle of creation, can see a part of any soul's history.

**Swami:** They can see, good, is there any way they can change the Kala Chakra any way they want? They discovered the soul root map. They can change their root?

Monika T.: I think they can but where are the karmas going?

**Swami:** Can they change, yes or no? If they can change, how, and what is the purpose?

Monika T.: Yes they can. If the soul learned the lesson of their karma, they can remove that karma.

**Swami:** In Trimurti, Brahma, Vishnu, Maheswara didn't experience any karmas?

Monika T.: They do.

**Swami:** Why can't they change their Kala Chakra?

Monika T.: They can only do it for others, not for themselves.

**Swami:** If Jesus Christ is really amazing, why he can't change it?

Monika T.: It's a law - you can't use the powers for yourself.

**Swami:** Then? Do you think he changed it after the crucifixion?

Monika T.: Yes, he paid a bill at the crucifixion.

**Swami:** Once you're in the physical body, you're longing for something. By accident you died. Until you get what you want lifetimes keep coming.

*They brought the palm leaf books in. Several are wrapped in a red cloth. Swami picked up one group of books.*

**Swami:** Red means hot hot! If the globe understands this book, it's enough to change the spiritual belief systems. This is not me talking it's just what's there. Just you translate it, it's enough, but you need a talent to understand this.

**Swami to the three gents:** Paul, Ganga, Doug to put the Palm leaf Books on stage in front of Baba. Paul puts the first group on Baba's foot.

**Swami:** Paul you want these books to disappear?

*Swami unwrapped the Kalachakra book*

**Swami:** It took me almost six, seven years to read these books. Any good Telugu readers here?

*Nityaananda came forward.*

**Swami:** Take one leaf gently and read it.

*Nityaananda turned over the first leaf and started to read the letters aloud*

**Swami:** How many letters are on a page?

Nityaananda: I read five letters and that's one-twentieth of one line, couple lakhs of letters probably.

**Swami:** This is the book how to handle Kala Chakra.

*Swami translated one word in the book*

**Swami:** 'benefits' hey, in case something happens to me how many years would it take to translate this book? It'll take the rest of your life - you're Kala Chakra will be shaking. You'll do it, no doubt on it. For ten years I'm asking to learn Telugu. Everyone can come up and touch the Kala Chakra book for two seconds and ask your wish.
