Swami's Soul University Talks

One Hundred and Eight Miracles, Items For the Process

Talk in the Baba Temple

May 21, 2008

Swami: Everybody knows about the one hundred and eight points?

Students: No.

Swami gives the list to Anya to read aloud. See attached list to this transcript.

Swami: Monika, how many things you got satisfied in this list?

Monika T.: Maybe half.

Swami: Me too. Okay, we'll try. What time will you be finished with your abhishek?

Eric: It takes about forty-five minutes.

Swami: Take a little time and make sure everybody washes it. Get a few birds, couple of animals, a glass of mercury, tell Hari to get a wild cobra. Tobias, you okay? You ready?

Tobias: For the wild cobra? Yes.

Swami: You sure?

Tobias: Well, once I'm in there I don't know what will happen.

Swami: How much time to you to get all items?

Paul: Well, mercury only one person can get it.

Swami: (*reading from the list*) changing water to wine, sand to sugar, Baba giving birth to lingam, connecting with the Jesus Christ bleeding, connecting angels – these are the easier things. Not a big deal. Not a big deal. Once the energy took it as a big weapon can clear out any tree in the bushes.

I want to make two to three groups, like very comfortable you know? Every group like twenty people with like two to three people very sharp and smart in the group. So make it as group One, Two, Three and organize the things. Ready to go. Whenever you're ready, I'm ready guys - take care.
