Miracle Two: Drinking the Cobra Poison  
Process in the Dwarkamai  
May 28, 2008

*Swami and His Students enter into the Dwarkamai. There is a small cup of cobra poison milked from five cobras, sitting on top of the Shiva Lingam.*

**Swami:** Constanze, stand up. If anybody drank the cobra poison, what happens?

Constanze: Well, at first comes a local reaction...

**Swami:** Not bite, if they drink it?

Constanze: Wow... Wow... It goes fast. First it paralyzes the muscles. The danger is the paralysis of the breathing muscles, so if you can't expand your chest and that goes more and more, then it comes the moment you can't breathe, and well that's it.

**Swami:** It's done?

Constanze: It's done.

**Swami:** Come and see that poison. How much that is? Come close.

Constanze: I see.

**Swami:** You're a doctor.

Constanze: That's heavy, that's a lot of poison and it's enough for...

**Swami:** How many people?

Constanze: I want to say for an elephant, but wow, yes I don't know, perhaps ten, no more, twenty.

**Swami:** Twenty people?

Constanze: Yea minimum.

**Swami:** Okay. Take that cup. Give me your scarf. I will put little somewhere.

*Swami pours a little poison on Constanze's scarf.*

**Swami:** You can check in the future to the medical test, chemical test what it is, it's a proof. You're a doctor. These are all your kids. (Swami snaps his fingers) Good.

Constanze: Okay.

**Swami:** Who wants to drink this? I'm not going to heal this. I'm very totally innocent. I'm very serious. Who wants to drink this? Constanze's sister, you want to drink? She has a little crazy suspicion.

Annette H.: I'm worried about her, about Constanze.

**Swami:** Why?

Annette H.: I'm not totally free.

**Swami:** Free with what? With who? She's is not drinking it. She's only testing that, what that is in the medical test, in the chemical test she's doing that, telling in the future. See, you love your sister a lot. Ahhhh! Paul, where is your milk? You ready?

Paul: Yes.

**Swami:** He has to drink that straightly or can we put it in the little milk?

*Swami puts it in a glass with a small amount of milk. Swami hands bowl to student.*

**Swami:** Wash it carefully. Am I responsible for this? Hello?

Students: No.

**Swami:** How many said I am responsible for this?

*Eric raises his hand.*

**Swami:** Why am I responsible?

Eric: Because you're the master. We have full trust in you.

**Swami:** That doesn't matter. That's his soul capacity.

**Swami to Monika B.:** You said I'm responsible!

Monika B.: Well I would have said the same, we trust you completely.

**Swami:** No, you have to trust...

Monika B.: Well, I drink it I am responsible.

**Swami to Paul:** So, you want to take your own risk?

Paul: Yes.

**Swami:** You won't blame on me? Course you'll be gone. Once if you're gone there's no...

Paul: I'm coming back.

**Swami:** Birte, you're not complaining on me is it?

Birte: No, I'm not complaining, I'm very happy.

**Swami to Paul:** You sure?

Paul: Um-hum.

**Swami:** Okay, I'm 50-50. I'm 50-50, I'm very serious, I'm 50-50. I can take care of you same time, can't take care of you. What is your guts?

Paul: Let's do it.

**Swami:** Otherwise, I'm happy to care myself.

Paul: Let's do it.

**Swami:** You'll take it?

Paul: Yes.

**Swami:** That's your will?

Paul: No problem.

**Swami:** Your will?

Paul: Yes.

**Swami:** One hundred percent your will?

Paul: One hundred percent.

**Swami:** Everybody hearing it?

Students: Yes!

**Swami:** So you accept it?

Students: Yes!

**Swami:** How much time takes it Constanze?

Constanze: I'm not sure about that.

**Swami:** Minimum thirty minutes?

Constanze: Yes, something like that.

**Swami:** Ten to fifteen...

Constanze: I think maximum half hour, something like that.

*Someone sneezed*

**Swami:** Somebody sneezing, that's not good omen.

*Paul drinks it*

Paul: It's good.

**Swami:** Good luck, taste something bitter or vinegar little?

Paul: Tastes like milk.

Student: (*Inaudible*) Are you ready to ask for medicine?

**Swami:** Let him first survive, then next person - who is that guy?  
The lottery cobra bite?

Students: Marias.

**Swami:** Yah he, we'll see that.

Veemala: Can we have darshan with Mother Divine, Swamiji, now?

**Swami:** Whenever it is happening the Cobra bite. You have to, but I don't have really good clarity with you guys with the nine boons. That's why I got stuck. I stop it. Nobody have no clarity yet. Many

people sixty to seventy percent juggling it. I don't want to waste your soul life wasting it.

Veemala: Can we talk to you a little bit more about the boons?

**Swami:** Absolutely. Today also pretty good I discussed.

Brahma: Can you show us the mechanism for this Swamiji?

**Swami:** Once he got survived, then yes, nine minutes after I will know it. Take a bucket of water and pour on him to the Shiva. There is an inner depth mechanism why I am all these things doing it.

*Three girls Tatyana, JohLuzia and Monika B. just wash, then they do abishek to the Shiva lingam*

**Swami:** Can you chant, 'Om Nama Shivaya Shivaya nama om'...

*Everyone chants during the abishek. Swami pours abishek water down the lingam into Paul's mouth. Swami puts his hand on Paul's heart, then his throat, puts water to his eyes and touches the top of his head. Swami stands up and walks to door, the chanting stops.*

Students: Swami! Swami! Please answer our question. Close the door. Lock the door!

*Swami stops*

**Swami:** What do you want?

Student: Details of the mechanism. What is the mechanism?

**Swami:** Just I sucked the poison.

Student: How did you do that?

**Swami:** Chanting my personal mantra, sky mantra, connecting to the Datta energy.

Tatyana: How do you connect to the Datta energy?

**Swami:** To the Gurusthan of the Baba.

Tatyana: Where is the Gurusthan?

**Swami:** Shirdi. Sattya, Dharma, Prema, Shanti. I stick with the Sattya. If He is the truth the poison should not affect on him. That's a commanding, my commanding on Him. That's it.

Luzia: Did you use Baba's pin number to connect to his Gurusthan?

**Swami:** Majority Sky Mantra. Sky Mantra is another atma lingam. (unclear)... Sky Mantra is unbelievable powerful. You can heal unbelievable things. Today, who is here, everybody can heal through the Sky Mantra. It's not a joke, we done it. You guys all witness it. He's safe. You ok? How you feeling?

Paul: Feeling great Swami, by your grace.

**Swami:** Very strong soul.

Monika B.: Can we do the same now?

**Swami:** After with Mother Divine the strokes happened, whether here or in the caves, planning how to do that, but many people have

no clarity that's main... I'm dragging the time. The nine boons, you don't have the clarity.

**Swami speaking to Constanze:** As a doctor to you, I'm going to test, you can test the Mother, whatever you want, you no need to tell to me before. You can test her anything, whatever you want in the planet. It's the greatest opportunity right now is turning. The majority... another thing is, I need to protect my physical body very safe. This illusions is flowing unbelievable, crazy strange. So...

Monika B.: Do you have to decharge now or did you decharge this through the Gurushtan, through Baba, and now you don't have to?

**Swami:** The garala kanta you need to decharge.

Tatyana: What elements were involved in this?

**Swami:** All elements

Tatyana: And what Chakras were involved? You touched certain parts of Paul's body.

**Swami:** I hit his heart Chakra.

Luzia: And the garala kanta.

**Swami:** Heart chakra. Heart chakra. You will see that guy with the cobra bite next step. Before that I'm really serious, be clarity with the nine boons.

Bharati: Can you tell a little bit more what that means clarity with the nine boons for everybody?

**Swami:** Clarity is clarity. I no need to tell.

Bharati: But you said not everybody has the clarity. Can you give some tips?

**Swami:** No. I told you what you want, what is your life, what you want to do, I can't do like a kind of Babaji, Paramahansa, Shirdi Baba, Vivekananda, Ramana Maharshi - not in my character. I can do the same thing like a Jesus Christ, more than him. More than him I can do it but I no need to do it - it's a wasting of the energy. No need to do that. Fish need to swim in the water, enjoy it. We are all fishes in the water, not getting dying, not in the huge waves. We need to stop the waves of the illusions. The illusions is torturing the whole globe, whole planet, whole souls - terrible - that, we need to stop that. So, what I did a big stuff, small stuff, it's not a big deal.

Student: Can you change this into wine Swami please?

**Swami:** Wait, next cobra bite happens... Lets the get the Mother first, then I'm really there. Then were all going to swim in the lake in south with your Big Boss, my good friend, my Boss too. He's levitating as a huge rock. It's not a joke. I never ever put a joke, as a rock can levitate in the water, nah, it floats like a kind of leaf. That we want. Good luck!

Students: Thank you Swami.
