Swami's Soul University Talks
Process After Swamis Switzerland Program
Talk in the Baba Temple

Swami: What is the feed back from Switzerland, Tatyana? Of course you are...your heart is there all the time.

Tatyana: I heard a very positive feedback. I heard that you gave a beautiful talk the first evening. You gave some new amazing knowledge about the, I think Kala Nidra Process?

Swami: Kala Chakra.

Tatyana: Kala Chakra? So, I heard a positive feed back that after the workshop people were very happy. So, I heard you gave two talks. You gave a special group initiation to about hundred fifty people, hundred-fifty people signed up for the special group processes, which we offered this year for the first time.

Swami: First they signed eighty then hundred, hundred fifty...

Tatyana: And you did a beautiful fire puja with them, which is very beautiful at that place. It's really in the mountain and it's really a very, very beautiful fire pit there.

Swami: Europe means Switzerland, especially that area, that mountains, I really enjoyed it. What is your feedback, Tobias?

Tobias: I think it was a very successful event. We were very happy,

powerful event.

Swami: Are you sure the “Jesus” the word?

Tobias: Yes, you showed “Jesus.”

Swami: In the palm leaf book I showed the “Je-sus,” and what is the mechanism of “Je she, she sa ss” clearly “Jesus.” If you wrote in Telugu (snaps his fingers), it is there. It’s clear. It’s there. Few people read it. It’s there. They took the pictures. That information you should get it. Whole audio and video talks you should have that review as soon as possible.

Tatyana: We could do it tomorrow at our daily satsang. I think we have the audiotapes here already so we could do it tomorrow already.

Swami: That would be great and I recommend by tomorrow hundred-eight Womb Chakras on the paper, write it and burn it in the fire. Now is the time to me to jump for the experiences.

Tatyana: Can we start today already?

Swami: No, must tomorrow sunrise to by before sunset. Hundred-eight takes five, six, four, five hours.

Student: With the personal mantra?

Swami: Yeah.

Tatyana: Including all the mantras?

Swami: No, skeleton (*yantra + Personal mantra*). Thinking on your mother and writing it. Dear mother or dear Mother Divine... by tomorrow evening you have to burn it, hundred-eight. Whenever you’re drawing it, no jappas, no mantras, just draw it. Good.

So, it’s quite amazing the people, quite, very open heart, very brand new people - huge brand new people. I’m talking to them Kala Chakra. The first twenty minutes they are not getting in my net. Keep trying it, no. Then I went to there own way, you can hear it... how

many hours I totally talked, first day and second day?

Tobias: I think first day about four, five hours, second day I think you talked until eleven.

Swami: Totally seventeen hours I did hard work, seventeen, eighteen hours. Another beauty is, I really enjoyed the five, six hours car driving from Switzerland to Germany with great German beer. He offered - why I should reject? It's nice. And point one, tomorrow you need to review that subject. Point two, hundred-eight Womb Chakras to complete it. Any questions?

Tatyana: After we reviewed the talk and all the information, do you want us to start?

Swami: If you have any questions let me know.

Karina: Do we still have to do the meditation in the morning and the abishek in the evening?

Swami: You will be so busy tomorrow by that many hour's talks hearing it. Don't push it too much. Why Monika B. is screaming on her?

Monika B.: What?

Swami: You are screaming on her?

Monika B.: Am I sleepy?

Swami: Screaming. I am sleepy? Still I am thirty percent - I'm sleepy.

Monika B.: Swami, it's so hard to hear and the menses women don't hear anything.

Swami: What can I do?

Monika B.: Put that thing on, please.

Swami: That's why I had to say good night and it's nine o'clock to

arathi. Overall that information you should know in your life. I'm waiting for years to trigger on that information. Finally I triggered, just triggered, just hitted too, it's hitted too. So you should get that information, especially the video how I made, how to do that - different steps I explained. As soon as possible get it, ok? Have a wonderful night - go for arathi.

Students: Thank you Swami!
