Guru Prunima Program 2008

Shaktipat With the Ala Hala Lingam

JC and the Crucifixion

Talk in Front of the Dwarkamai

July 17, 2008

This talk is after Swami personally gave Shaktipat with the Ala Hala Lingam to all of his students on their third-eye.

Swami: Good evening guys. Everybody sleepy? Yes, today what everybody experienced, the Ala Hala Lingam Shaktipat, it is what you've seen in the palm leaf book yantra, the word in the third-eye – *ji* that word will start to get activated very fastly, super awakened in everybody's soul. This Process lead your life in spiritual path the most amazing successful way. Having a darshan with Mother and Jesus is not a big deal but connecting to Shiva's third-eye is quite an amazing experience. In this five days *nama shivaya* - five elements, each day one element starts growing in you, in your soul. After five days are over, then you start to experience - already you got the spark and I made it to hit it very gently in each third-eye.

Moreover, or what I really thought, that Shiva Lingam again going to bring out on Shiva Ratri and kept it in a beautiful place. In my lifetime I was suppose to give to one of my beautiful students to carry and exist in the globe. It's interesting news - the energy doesn't allow to anymore exist on earth to be open. Exactly from

now until 501 years Guru Purnima, we cannot touch it, cannot see it. Almost five centuries our students, their students, their students, their students, their students, then they'll need to bring that back up on earth to make it activate and exist.

But what everybody brilliantly chose instead of having strokes with the Mother and having experiences with Jesus, I really begged Baba - majority everybody chose shaktipat - very confidently everybody chose it. Now every soul, today is the most precious day in the Guru Purnima. Who really touched their third-eye, they're the second Jesus Christ on earth. No matter what, the Mother needs to give the eleven strokes to you and Jesus needs to complete the channels with you, and needs to communicate with you, and you need to have the great experiences with his soul.

How to operate your third-eye with what shaktipat you received. Shaktipat is not an ordinary thing. You might not have felt anything at the moment then you wait and see. Wait and see how the energy goes - quite amazing shaktipat. Even to me in Dwarkamai, I cannot handle it, it's quite amazing experience. Just I showed these boys the third-eye from that stone how it, it's getting opened, how it's opening, and that's quite amazing experience. Shiva is nothing but unbelievable quiet, calm, and peace. Such amazing peace he poured in your soul. Mother is little bit unpredictable nature but Shiva is 100% pin drop silence. He's the man of the bliss, the man of complete silence person but giving amazing abilities. Today our journey started with the Shiva character. The Shiva energy started flowing today. It's done, started.

Tomorrow, early morning 5 a.m. is abhishek to Baba with the sandalwood paste. Try to attend that and have that sandalwood paste rub on your third-eye as much as you can. By 8:30 to 9 a.m. there's a Mother Divine Chandi - most powerful homa performing in the power spot of Jesus Christ in Northeast Garden. One part what I did... it's not a mistake, it's not an illusion... I want to keep that Shiva Lingam power object, and the same time, to connect the Big Boss Jesus to prepare the Jesus Generation. The nature didn't accept that. It has to choose - either the Shiva Lingam needs to go in the earth, or cut off the JC Channels not to keep any more in the planet. I had to choose either one. I struggled three hours last night. I went through all different angles of channels. No. Finally, if you want to prepare as a JC Generation, the Shiva Lingam needs to go down. If you're keeping the Shiva Lingam up, you're not able to do

JC Generations. Then finally I gave up, happy to satisfy with a few hundred people at a stretch having a great take off. Then we'll see later on in the future, how to play with Mahamaya and how to do the amazing works.

So that's a little summary of today's program what happened. You might think you had a lot of expectations when you came, but what happened is positive, super positive. Today I might felt such an amazing power object will not exist anymore on the earth. For years I kept it in a very beautiful place. I didn't show it since almost one and a half years. By this Shiva Ratri was my biggest target to bring that out and keep it as a very powerful object but the nature took it away. The same stone the Big Boss Jesus Christ, he carried it. He received it from the Mother. You know that story. I'll explain to you tomorrow more briefly.

And I recommend tonight, to have as much as you can a strong nap. And next morning come to abhishek, and little experience the Guru Parampara's blessing and go to the homa. Spirituality is nothing but illusions – complete illusions... but who accepts that illusions, only that person can get success. Like JC life, he wanted to give the biggest message on the planet. The Mother put it in a tricky way asking the complete crucifixion of his body, then his messages wants to come in the globe. She gave that type of challenging punishment, challenging testing to him but to him it's not a testing, not a punishment - He took it as a sporty. He accepted it. After he was crucified, again he came back with the help of his mother and some of his friends, and he traveled back to India, and he lived almost till eighty-two years. That's a true story. You might have a lot of confusions and doubts but very soon this information is coming out, and this knowledge will exist in the planet.

Today, what you drew, the yantra, it's not an ordinary yantra. What prayers you received from me today are not ordinary prayers. What shaktipat you had is not ordinary shaktipat. So my Dear Divine Souls, and I want to make you happy through the chocolates. I got fed up... I'm fed up - we don't need chocolates any more. We need the reality to step in and to take off. Pretty good it's time to take off, and tomorrow morning after abhishek I recommend these boys and girls, who carried that, again to put it in the same place and bury it, and give the evidence proof to the coming generations as a documentary. After five hundred years later, our student's kingdom I'll bring that out. At that time this whole place is a second Vatican – unbelievable, most powerful,

powerful spot. They'll dig it, they'll bring that out, but still the illusions might hit it not to come out. But we'll see, I have the strongest confidence... As soon as possible we'll win the victory.

Connecting to the Shiva's third-eye is a bliss, guys, what we had today it's totally bliss. Even if you went to any Shiva Temple, the temple is huge gigantic, the Shiva Lingam is small and every person is doing abhishek and hitting it. You have no idea the vibrations, how it's coming out from that, and how it's linked to our soul, and later on how it changes in your soul layers. That's quite amazing. So after five days, how much the layers are changing in you, I'll explain in depth. So have a wonderful sleep and sharply at 5 a.m. I'm looking forward to seeing you in the temple. Good night. Have a wonderful time.
