Unconditional Love, Womb Chakra, Soul Mates  
Teaching in the Baba Temple

**Swami:** Good. Welcome my Dear Divine Souls. This program will be quite amazing interesting, upcoming generation people, what we're going to discuss, this knowledge in depth of Jesus Christ life - the depth. Before we go, how many channels you discussed Myuri? Can you stand up and talk few minutes? Just give the bullet points. You completed? Not completed yet?

Myuri: Yes.

**Swami:** Done.

Myuri: We completed all the channels 1-5 and 9-13, plus the two block mantras. We went over the JC Yantra, we went over the Womb Chakra Yantra, and pretty good about the Womb Chakra, and we talked about the link with the Sri Chakra, and then the link with Universal Womb Chakra and Mother Mary's chakra for healing Jesus. And we talked about many, many other subjects that came in between that, but ah, Tatyana said...am I missing anything?

Tatyana: You covered it.

Myuri: I covered it.

**Swami:** What?

Myuri: I was just asking if I missed anything but she said that I covered everything.

**Swami:** Where the people did not understand? Where is the biggest confusion points they got stuck, they cannot able to have no clarity on it?

Myuri: I think some things about the crucifixion.

**Swami:** Yeah.

Myuri: About how the energy came to Mother Mary and was transferred to Jesus. I think some things about the inner mechanisms of some of the channels, actually how the soul travel happens, how the Parakaya Pravesh happens, how some of the channels happens actually, and um, I think those were the deepest areas.

**Swami:** Is it true guys?

Everyone: Yes.

**Swami:** What you got confused? Where you got stuck you don't have the clarity?

Myuri: I'm a little confused knowing the different people that were involved at the crucifixion, after the crucifixion, what Mary's role was, what Betala's role was, what those divine saints in India's role were? It's actually, who did what when?

**Swami:** What?

Myuri: How did it happen?

**Swami:** You want to know the mystery, huh?

Myuri: The mystery of, was it a soul travel, was it a soul splitting, was it ah...

**Swami:** I'm opening all the mysteries. No more mysteries. No more mysteries about JC's life - no more mysteries. No, in subject wise, where you got stuck? I'm talking about subject.

Myuri: About subject, well, the Womb Chakra is a pretty big subject. How to understand everything about the Womb Chakra? Where exactly the men have that in their bodies? Do they have a different chakra than the womb chakra that's really working for them, like it is the womb chakra in the female body? This is one area I have confusion about.

**Swami:** Give me example.

Myuri: Well, we're hearing how the female's womb chakra is able to heal, and even re-manifest Jesus' body there and then I'm also hearing that Jesus' womb chakra was the most powerful, so I'm not exactly understanding the chakra in the body, versus the chakra in the soul. Where is the relationship? Where is the male power coming from in the body, which chakra is that?

**Swami:** Then?

Myuri: That's my biggest confusion. I mean, there's many confusions...but and also, I have a confusion on what is exactly the fire in the water?

**Swami:** Fire?

Myuri: The fire in the water, what exactly that is?

**Swami:** Okay, good. Thank you. It looks to me nobody did not understand anything. Just you heard it, but it did not resonate. You received the knowledge but it didn't digest yet. It's a true. You received the knowledge but you did not digest yet. Without having digestion any knowledge - no. Tatyana, can you stand up? Give me some feedback what you know about the Womb Chakra, your own description.

Tatyana: My own?

**Swami:** Description, your feeling - what you understood, what you digested on that?

Tatyana: My understanding is that the Womb Chakra is the most holy, most powerful place in the physical body, the place where

the most power the most clarity is, and the soul is mostly living in that Womb Chakra - it's moving all over in our body but mostly it's in the womb chakra.

**Swami:** It's very important what's she's talking, it's very important you should know. Yes, go ahead.

Tatyana: So, we're carrying the Womb Chakra since many, many lifetimes, so our womb chakra energy is being moved from many, many lifetimes, so whatever Womb Chakra energy we're having, this is continues since many, many, lifetimes. And in the Womb Chakra, the woman's womb, the whole creation is hidden there like everything is there. It's a kind of spark of God - a spark of God, the pure spark is there.

**Swami:** How come you say that? What made you to say that?

Tatyana: Well you taught it.

**Swami:** Okay.

Tatyana: So everything in our life, like everyday a creation is happening in us and that is happening through the Womb Chakra. So whatever bumpiness we're going through, all the up and downs, it is because our Womb Chakra energy is not strong enough.

**Swami:** Agreed.

Tatyana: All the up and downs in our life, like happiness also heartbreaks, all the up and downs in our life is because our Womb Chakra energy is not strong enough. So if you purify our Womb Chakra and make it strong through the process what you taught, we can purify and make it strong and then receive incredible energy through that chakra.

**Swami:** What is the beginning root of the Womb Chakra? Where is it begined?

Tatyana: Well, I guess my understanding is that we're all coming in through the womb, so it's a direct link to Mother Divine.

**Swami:** Okay.

Tatyana: So through our physical mother we have the link to Mother Divine. And through purifying that Womb Chakra energy in us, that gives us the ability you call it, 'to enter in Sri Chakra,' and I personally don't really understand what that means.

**Swami:** Say again.

Tatyana: You said first of all we have to purify and make our womb chakra strong, and then only by that we are able to enter inside the Sri Chakra. So my understanding is that going back to the real Mother's womb, first of all we have to purify the womb, and then get out through the Womb Chakra, and then somehow get in to the Sri Chakra, but I have a confusion on that...

**Swami:** Who is the Sri Chakra? Who is living in Sri Chakra?

Tatyana: The Sri Chakra is Mother Divine's womb.

**Swami:** She is showing going to connecting there.

Tatyana: But how to practically do that? I think that this is what I would like to understand.

**Swami:** I'll explain. I will explain that.

Tatyana: But I understand that this is the only way to really find out who I am, who we are, that by going back... without going into Mother Divine's womb...

**Swami:** What you'll get it if you know who you are? What is the purpose to know you? I'm asking seriously?

Tatyana: Well, to really know and realize what's inside of you.

**Swami:** Okay, if you know that, then what? What's the purpose?

Tatyana: Then probably I don't care about all these illusions anymore.

**Swami:** Where are the illusions?

Tatyana: All the attachments, all the fear...

**Swami:** Say again.

Tatyana: All the attachments, you're free from that. No more fear. I think once you know who you are, then you live based on that, and one part the consciousness is always linked with that reality. Even though you here in this physical world but one part it's always a little off.

**Swami:** Little off?

Tatyana: In a beautiful way.

**Swami:** What else?

Tatyana: About the Womb Chakra?

**Swami:** Um-hum.

Tatyana: Well, there are a lot of abilities we can receive for purifying and making the Womb Chakra strong. Like you talked many benefits of that, like the mother for example, can create during pregnancy, she can create a divine baby in her womb and transfer a lot of amazing abilities to that soul during pregnancy.

**Swami:** Okay good, good, good thank you. Lord Ganesh is manifested by the Mother Divine. Out of the sandalwood powder she created baby, she made it, then she sended her Womb Chakra energy. This is a very important points. Then she gave the life to the sandalwood powder - that powder, it turned as a baby. That is a Ganesh. When she's going take a shower, she putted outside of the room... takes too much loud doesn't it?

Students: No, no, it's coming down.

**Swami:** It's getting down?

Students: Yes.

**Swami:** Then the Shiva came to the door - he wants to enter inside. That boy, he don't know he's the father. Shiva begged him, "I want to go and see your mother." Then Shiva got huge doubt when she had delivered a baby. Even you see the illusion there. Then he started arguing, arguing, arguing... finally Shiva used his triangle, thrisula, he cutted his head. Then inside, the Mother, she got shocked. She opened her heart and she came out with a huge depression crying face. She's only had one time right, can manifest it. She don't have second time to re-manifest it. That's the law. Once it's cutted it, especially the Shiva energy's destroyed, even Shiva have no power to re-fix that.

That head is completely destroyed, is gone, only half body is there. Then her biggest request is to Shiva - to bring that head, and re-fix it. Then Shiva recognized, he sended his students in the universe, "Go and get any head with direction, north direction sleeping. Get that head and we're going to re-fix it. The first Khandana Yoga landed, is started there. The mechanism started there with the Shiva and Shakti.

The students, they keep going in the towns, in the kingdoms, in the villages, everywhere each soul sleeping the south or east or west. One elephant is sleeping in the forest with the direction of the north - simply they cutted the head of the elephant. They broughted that head to the Kailasa, then Parvati saw that, then she got shocked, "What, you're going to fix to my baby the elephant head?" Then Shiva begged and convinced her, "The first worshipping - your son will receive in the planet. He'll be most powerful person, can remove any obstacles in the planet, to any process, whoever it is - first they have to worship him then the remaining everybody has to worship to us."

Then Brahma is there, Vishnu is there, all saints is there, then they fixed the elephant head. They started to giving the Mother and Father their both their energies, the whole creation - Brahma, Vishnu, all saints their creation energy, it's came like a one form of the womb chakra. They sended that energy, that Khandana Yoga got super succeed, then he came as a trunk master, Lord Ganesh. So what type of the mechanism they used it. In this seminar that is the most powerful content subject what we need to discuss that. It looks joke to us, it's natural. When your Swami personally done it,

certain Khandana Yogas on animal, on birds here and there, same the womb chakra, same womb chakra process we done it.

Before we make our womb chakra to be strong enough, few fundamental things what we need to develop – pure, true divine love. Where is it? How is it? How you going to get it? Pure, true divine love - nothing else - pure divine true love. Once if you develop that, automatically we receive some abilities in us. Our womb chakra automatically started to become very strong. Even though you came from mother, whatever you're carrying, the womb chakra, that keep giving you disturbance, up and downs, until you reach the Mother. For many lifetimes, no matter how powerful you are, the womb chakra itself, nature is giving up and down. To make it settle that, to make it a standard, we need unconditional true love in us. Once if you have unconditional true love, it won't suck unnecessarily the illusions.

The same thing Jesus Christ in his life, he's 100% unconditional true love, pure true love. Somebody's beating him, they're crucifying him, they're torturing him, in his face nothing but smile. He's bleeding - everybody's crying making Him feel sad. Everybody's shouting but he's smiling. Can you believe that? Anya?

Anya: I can believe it.

**Swami:** As a human form, once you born it, it's not that easy. Sometimes Shirdi Baba, he's amazing aggressive person, same time unbelievable pure love. He's like a kid. He's like a kid having unbelievable abilities in him, ignoring all abilities to play with involving as a childish creation. How we need to develop that first character? If we need to develop that, what is generally to making us to disturbing not able to see that, not able to understand that? Then we'll go to the mechanism and subject in depth - all the prayers and the process, what to do. So, what is making to not to having enough love in us? Myuri, how much are you a really loving lady?

Myuri: Oooh, hmm...

**Swami:** How much you're loving lady?

Myuri: Sometimes a lot - sometimes not.

**Swami:** Constanze?

Constanze: Me? Wow, not constantly. It's depended too, often time upon the behavior of the person, and that's a block.

**Swami:** Say again.

Constanze: It's dependent on the behavior of the person, and that's a block.

**Swami:** Give me example.

Constanze: Well, for example, if a person is crying with me, or shouting make a violent impression so it's hard for me to love that person.

**Swami:** Why? I want to know that. Why? Why? It's very important point here. Why?

Constanze: Maybe because of judgment, cause I judge the person.

**Swami:** Okay, so your judgment is making you not loving?

Constanze: Um-hum, I think so.

**Swami:** That judgment will stay forever, just temporary?

Constanze: No, not forever.

**Swami:** What???

Constanze: No, my judgment is not forever, it can change.

**Swami:** It can change, so it's a changeable judgment? Why we need to receive that? It's a changeable judgment, why we need to rely on it? It's make sense? Are you really catching my point guys? Paul?

Paul: Yes, Swami.

**Swami:** How much are you a really loving person?

Paul: Probably 40%.

**Swami:** What happened to the 60%?

Paul: I think similar to Constanze, sometimes I, the judgment gets in the way. I try to make a distinction between the love that comes from my soul and the judgments that I have to use on a daily basis... There's a separation between the two for me. When I interact with people on a soul level there's love there, on a different level, maybe on a heart level, or mind level, there's decisions and judgments that are there.

**Swami:** Ok, in your life, 100% no matter what, are you loved any person in your life never changing your judgment? Just you love the person, that's it? We're talking on the subject of love today. Anya?

Anya: Has there been somebody in my life?

**Swami:** Yup.

Anya: Yes.

**Swami:** Who is that?

Anya: I would rather not say, but there has been somebody, no matter what they did, or how I felt, I still loved them.

**Swami:** No another?

Anya: No. At the same time I could be very angry, or I could be very upset, or I could be sad, or unhappy, but I still knew in the deepest part of my heart that the love was there. I always knew that. That's what made my life possible.

**Swami:** Brett?

Brett: Yes, Swami.

**Swami:** Same question.

Brett: Yes, I've loved someone, and judgments hasn't changed it.

**Swami:** Since how long that is?

Brett: Forty-one years.

**Swami:** Forty-one years?

Brett: My parents Swami. I've always had strong love for them.

**Swami:** Good. You like your father or mother a lot?

Brett: I like them both.

**Swami:** No, you're not answering me, which one you like more?

Brett: I guess my mother.

**Swami:** Good, except your parents, anybody else in your life?

Brett: Well, I've always had strong, well I know it sounds stupid but I've always had a strong love for Jesus.

**Swami:** No, physical person. Okay, Simon? I know you're blinking your eyes like super fast.

Simon: Except my parents?

**Swami:** Except than them.

Simon: Except my mother and dad... Sarah as well - Sarah.

**Swami:** You're talking surface or in depth?

Simon: In depth.

**Swami:** Good. Okay, let's switch a little bit the subject here. Soul mate. Ok. Of course Jesus one hundred percent, he had true love on the mother, unbelievable, unconditional love. There's only a strong golden statement in the planet. A person can heal, can re-manifest, who have the attachment of the unconditional true love -

that soul only can re-manifest it - period. Remaining any soul in the planet, they won't do it, they cannot do it it's impossible to create it.

To reach that stage... before, every person what I told power spot, soul object, soul mate, personal mantra, if you take the one point, soul mate, that soul mate can help you go in the path of unconditional true love too. Soul mate can help you to bring you, to make you succeed, unconditional true love. That unconditional true love, once you started to see that, your soul day-by-day, step-by-step unbelievable increasing and powerful, and your womb chakra will become amazing unbelievable powerful.

Once your womb chakra is unconditional, very powerful, whatever you parents done, some karma, you have to share that too. Their parents done some karmas, negative karmas that you also responsible to share that too. Their parents, their parents, their parents, it's coming the waves, at least 10%, 2%, 3% 1%. It's not a law, only whatever you done it, you have to receive it. Of course you'll receive it but it's a link to the Karma Sadantha - you're beginning point until to here. Any lifetime, whatever you're linked, they done it or you done it. Whenever you're involving in this creation part, this the period part, when everything will come out. Everything will?

Students: Come out.

**Swami:** Come out in this period of time, whenever you starting to do this. Once you wash it, you're out of all these crazy karmas. Brahma, Vishnu, Maheshwara - three is came from one Womb Chakra. Whatever the Shiva done it, again Vishnu has to suffer that then he has to make it balance that. You know what I'm saying? If I given some abilities to you - I make your womb chakra stronger and I given some power to you. Whatever you done in the negative activites in the planet, I'm also partner in it. Not only me, Baba, Jesus - these all characters, we're all partners - cannot escape it.

Giving a weapon in your hand to use for a good reason but if you're using that weapon for a bad reason, that karma is also coming to who gave the weapon, it keeps coming to each individual. It's so very, very, powerful thing, Karma Sadhanta is.

As having a soul mate, it's not an order, it's a lack of confidence, it's biggest fear you might lose your respect and your own self-egoism that making you not able to have a soul mate. Majority in my personal life, for example, Anya, Cyndria, Terry, they are working with me since twelve years – Cyndria, anything hidden in front of you?

Cyndria: No.

**Swami:** No hidings, very open. It means, something you need, a person. You need it, it's a golden statement: if you don't have a soul mate in your life, you're unbelievable spiritual failure in this lifetime – another golden statement.

Jesus Christ, he had the twelve students. They're all stupids, nuts. I'm saying, I'm not screaming it, they're nuts - their good devotion respect to him, who cares? Hanuman is amazing soul mate to the Rama, not Lakshman, not even Sita. Hanuman, just he opened his chest, he showed his Rama inside, "Come on, look at it." Lakshman never done it, he had a lot of respect to Rama. Of course he had lot of love on Sita too. They're not soul mates. Hanuman is a soul mate. Even he's a servant, he's a bhakta, pure devotee, but Rama chose Hanuman as a soul mate.

Without Hanuman there is no *Ramayana*, there's no story. Without Jesus' mother, there is no *Bible*. What she done it - that we need to discuss, that process later on, so that much power is hidden in the soul mate in the unconditional love. Doesn't matter it's your father, your brother, your friend, your patient, your client, your neighbor, your girlfriend, your son, your daughter, your master, whoever it might be. Who wants to learn these processes, to involve in the Khandana Yoga, to involve to know the life and death, to know who you are, I'm sorry, even Ramana Maharshi what he says it, Paramahansa what he says it - is impossible to reach that position without a soul mate. Paramahansa had a soul mate with Vivekananda. Without Vivekananda there is no Paramahansa - period. Without Paramahansa there's no Vivekananda. Without Venkusa there's no Shirdi Baba. Without Shirdi Baba there's no Venkusa - that much power is in it.

You might have tons of relationships, but the real relationship you need to create. You need to come up in a clarity way. Yogi

Vemana, he's biggest womanizer and the first person in the planet who manifested the gold. I think I told you before. There's tons of poems he wrote. We no need to read any *Vedas, Puranas, Itihasas* - his poems are that much powerful. That womanizer is going everyday in the prostitutions, prostitutes. One day one prostitute she asked, "I want your sister-in-law's earring. I want that." He went to his sister-in-law, "One lady asking your earring. Please give it." In the house he took everything out. They don't have any single coin to eat a glass of rice. He donated for the prostitution. Then her sister-in-law, she got shocked, "Vemana, why you doing this? Okay come and get it." She went to the room, she turned her body up and down - come and take it."

He saw the vision there, "Such a crazy body for this? I wounded, I destroyed my life?" He fed up. He got shocked then he fell off his head on her feet, then he walked to the graveyard. His best friend Adirau, he's removed all his dresses, then he sat under the tree observing the dead bodies burning, "What is the seed of this whole creation? What is hidden in it? Why this lila lokas? Is a Maha Lakshmi is having that much power? Lakshmi is nothing but crazy prostitution - today's wealth is with you, tomorrow it's another person, then it's going another person, another person, another person - it endless. That lady is ruling this much globe, creating this much unnecessary non-sense." Then he concentrated on her, she appeared in front of him.

"Vemana, what do you want?" "I want to know, I want to win you." Then she gave the, some channels, "Okay, manifest the gold." She given the mechanism. That mechanism he implemented, he made tons of gold bars in the graveyard, he and his friend Adirau. Then he got little mad, himself - crazy psychiatric patient. Then he threw that, all the bars, gold in the river. Then he started to giving his poetry in the universe. With certain leaves, certain chemicals, certain herbs we can able to do that. I think few people had. One time we did a practice here. How many people have that rings? Still I think they have... you? Who else at that time?

Eric: Nityaananda and RK.

**Swami:** And you too?

Eric: And me, yeah.

**Swami:** Who's watching there too? Gustav you are there?

Gustav: Yes.

**Swami:** What you noticed? Stand up. Am I really made it?

Gustav: I was not there at the very moment.

**Swami:** Okay, sit, sit. Who was from the beginning moment there? Stand up tell.

Paul: Well, you changed one metal to another metal in a process using certain items and the final result was...

**Swami:** Am I touched anything?

Paul: No. No.

**Swami:** I didn't touch anything. Who really was there, like cooking things, everything?

Paul: Yeah, it was like about four or five of us were cooking various different items.

**Swami:** What items that? It's not my question, it's their question, it's okay, tell.

Paul: Well, I think there was combination of mercury...

**Swami:** Yeah.

Paul: ... some coconut meat...

**Swami:** Yeah.

Paul: ...um, certain oils, I think were put in there as well, and um, you had us put everything into a coconut vessel, and ah, it took quite a while to get to that place but finally we saw one mil, then it went through a process and then what manifested was gold.

**Swami:** Still that gold is exist?

Paul: Yes, I've seen it.

**Swami:** What they done with that?

Paul: Those gents, they still have it and they're either wearing it or they're safely put it into a specific place.

**Swami:** It's a real gold?

Paul: Yes.

**Swami:** You sure?

Paul: Yes.

**Swami:** Anya won't believe that. Look at her eyes.

Anya: I saw it. I was there when you had them take it to a jeweler to test it to see if it was real gold, and it was.

**Swami:** What the jeweler said?

Anya: I wasn't there, but I think it was Nityaananda who told me that it was tested as real.

**Swami:** He's a doctor you know - he knows everything. He won't believe that, he's a character. Sit. Thank you. So my point - doesn't matter to win the Maha Lakshmi, to win the Saraswati, to win the Durga, to win the crucifixion - to win any channels you need initiation. You need?

Students: Initiation.

**Swami:** That initiation, I need to be ready and you need to be ready. If I'm ready, if you're not ready - it won't happen. When you're ready, I'm not ready - it won't happen. You might think, "Ten years with Swami, nothing happening, nothing moving." Maybe you're not ready. Ninety-five percent I'm always ready. Ninety-nine percent if you're always not ready....that my biggest block to making you to pushing in harder way.

So my Divine Souls, soul mate as a path of to receive the unconditional love. Already God has given majority to everybody, parents is the biggest soul mates but a lot of childrens too, they have a lot of pain, lot of anger around their parents. Is it make sense? Their childhood days is rough days, the, especially in the western countries, the children grown in a painful way what I seen it. Like mother have different boyfriend and divorces, and father is go different, and its not healthy there majority what I noticed. That impact will affect on the soul.

Our childhood days' energy power, that behavior, that clarity mind, the vision, it keep continues until the rest of your life. Our childhood days is very powerful to play on our life goal - it's a golden statement. Whatever your coming generation in future, how much you're really caring, protecting the kids in a beautiful loving way. Upcoming generations in the globe will become less depression, more clarity - very, very important!

But by 2011, no matter what, you need to have your soul mate. We're going to the Harishchandra Ghat in Benaras. In that Benares, in that place what we're going to experience and what we're going to seeing it, I'm sure whole globe will look at us. Doesn't matter whatever terrorist activities right now here in India in the whole global wide, don't worry it will come down. It'll come down. Be prepared by 2011 having it, do or die, very strong soul mate.

It doesn't matter how many boyfriends you changed in your life. You got well disturbed to whom to believe. You cannot trust but you have to trust one person. You have to rely on one person as a physical person in your life. That person should not discover your life at all without your permission, to anybody! That's biggest permission. And you don't have right tell your personal mantra, even is your soul mate. Your personal mantra, once you lost it, it's done. After this Christmas time, after that, if anybody, if they had any personal mantra, if they missed it, mispronounced to somebody, your Swami cannot re-fix it. Clear Simon?

Simon: Clear.

**Swami:** Good. Any questions? We talked Lord Ganesh, the soul mate, Mahalakshmi, but some more processes we're going to do it by grace of Baba. Pretty good I'm ready. I'm ready. But I really recommend to Myuri, go again one more time all the channels. Tomorrow whole day, take it, all channels, different chakras and explain it.

Myuri: Ok.

**Swami:** Go through one more time.

Myuri: Ok.

**Swami:** In the channels, one point I made it there, you have to win a woman heart, a female soul - you have to win it. Go and discuss more subject in depth on it. Now I gave a comment on what Ganesh and Jesus Christ soul mate is her mother. Without her mother there is no *Bible*, and without Hanuman there is no *Ramayana*. Even Rama, he loved his wife Sita, and his brother protecting him all the time in the forest, but Hanuman is the soul mate. Without Vivekananda there is no Paramahansa. Without Baba there is no Venkusa. Without Venkusa there is no Baba. Certain angles I made it. It might helps you to come up with some clarity. How many people really confused here? Can raise up? It's nothing there to get confused here. Any questions?

Constanze: Is also Rama the soul mate of Hanuman?

**Swami:** Yeah.

Luzia: This concept of having a soul mate, when did it start? Who described that first time? Was it Jesus?

**Swami:** What?

Luzia: Who described this mechanism, this knowledge to the globe first time of having soul mates?

**Swami:** We'll talk later that.

Myuri: Maybe this will come later about how you can be a soul mate to somebody, but they're not your soul mate.

**Swami:** It's okay.

Myuri: No, I know it's okay but I don't understand how that can happen.

**Swami:** Why not?

Myuri: Because it seems like it's the relationship that makes both people...

**Swami:** If a mother have the five kids it doesn't matter the mother not having enough love on five kids equally, but she loves one kid more strongly, isn't it? My mother have five kids. I'm not with her all the time, majority, but she knows when I wake up, what I ate my dinner, what's my lunch, breakfast. She knows. First target is me.

Myuri: But a mate implies an opposite, one person to one person.

**Swami:** It will be there, majority, it will be there. What else?

Juleann: With the soul mate relationships you described, they all seem to be master/student relationships. So with our soul mate, with you as our master, wouldn't naturally you be our soul mate?

**Swami:** I don't know about you, you never told me about your life. But I know you, teasing you. Yes you can, it's not a problem. For example, last Guru Purnima many people came. Am I ever spented at least a person two minutes time? At least one minute? Few people I might as a group - individually no. Of course you came all the way from Europe and America, you spent a lot of money and you want talk to me. There's a reason why I'm putting you distance. There's a reason. There is a reason. You'll understand.

Myuri: One time you talked about seven soul parts. Is that related to soul mates?

**Swami:** But you have to be recognize, you know?

Myuri: But is that how you recognize your soul part, is through your soul mate?

**Swami:** Yup.

Myuri: So when you said about the soul mate that you have to switch, like you have to when you were talking about union and separation, to see the union you needed to separate and you used your soul mate to do that separating?

**Swami:** What? What?

Myuri: When you originally talked about soul mates back in Hampi...

**Swami:** Don't divert subject. Just straight way what I told, everybody understood. I will explain how to get a soul mate to you later, not today. Yes?

Christine St.: You said, at the end we have to go out alone... at the very end of our spiritual path, so what happens with the soul mate? Because I think that's one of the biggest attachments. So at the end, does it mean all those attachments are cut also between our soul mate?

**Swami:** Do you understand what she's saying?

Myuri: She's saying at the end of your life, when you leave, what happens to that relationship with your soul mate? Does that break that attachment or does it continue after?

**Swami:** Continues it. Whenever the Big Boss, after crucifixion, whenever Mother Mary is there, she's in the deep sadness, pain - I removed her sadness out, "You can do it, do it!" Did it, we lifted him there. We disappeared there and we appeared in India - that's it. There is proofs and evidence.

Myuri: She appeared in India too?

**Swami:** Wait, wait, first let's you talk about your soul mates first, your love and your blocks. First let me complete this then we'll go to that subject. No more mysteries, I'm telling you about JC's life,

no more mystery. Pretty good what I'm writing, book, all bullet points. I'm giving this month I hope, but don't send this information unnecessarily by text messaging to somebody, and don't do that stupid thing. Don't - energetically can stop me not to talk. You know what I'm saying?

Paul: Swami, is the reason why JC's disciples did not succeed is because they didn't have soul mates?

**Swami:** Exactly.

Luzia: Does that mean they worshipped their master, but they didn't see their master as their soul mate?

**Swami:** Exactly.

Luzia: I have one question Swami, still a point thinking about, you said if you are our soul mate and we are not necessarily your soul mate - that's a difficult situation to create this mechanism.

**Swami:** To whom?

Luzia: Well, let's say...

**Swami:** To whom?

Luzia: To the person who thinks the other person is not their soul mate.

**Swami:** You're a lady of Japan. You are a lady of Japan it's okay.

Luzia: You're torturing me.

**Swami:** Doesn't matter. See, sometimes I come early morning sharply 5 o'clock. I put the water on Baba and I go. If you're lucky there, and I spray the water on you, putting lot of sankalpams, lot of sankalapams - going back. The point is, even you choose me as a soul mate, if I did not choose you soul mate, it doesn't matter - I know your personal mantra. It doesn't matter. It's there. Everything it comes there. So you no need to be to share everything with me. Your personal mantra, it tells me everything about you. Even though you choose me as a soul mate, you didn't

spend the time with me, you didn't talk, but I know your personal mantra. If I forgot your personal mantra, then you're lucky. It means, once I can't remember you, then you're lucky. I remember. You understand?

Luzia: No.

**Swami:** I remember. It's not your picture. Certain word... if I think it how many people is received this mantra, if I close my eyes - all people's pictures keep coming, you know what I'm saying? Everybody, all Students' Kingdom, it's not a joke. Even to preparing a gold, manifesting a gold with different things, with interesting students, the whole creation is there pretty good – Mahalakshmi. Good.

One time to Dipavalli, lighting day, festival day in Shirdi, in Dwarkamai Baba is sitting with his begging bowl late night. Sri Maha Lakshmi is entered in Dwarkamai. Baba said, "Wait. Stop." She asked, "I want to come in with you. I want to stay with you. I want to make you unbelievable rich, unbelievable rich."

He said, "You are Mahamaya. Please get out. Stay outside. Whoever comes inside Dwarkamai, going out you blessed them - it's enough. But don't come inside Dwarkamai. Let me live what I'm living. I don't want anything." So Mahalakshmi is a big maya, unbelievable maya. That maya channels also, how it really played when Jesus was going to get crucifixion, how Mahalakshmi made him to caught there through one of his student, disciple. I will explain the mechanism how she really putted her maya on him. There's a link there why I'm telling about it. Without link I never talk. So when are you coming with the clarity mind? How much time you need it? Go through all channels.

Myuri: Well, we went through pretty well, so it won't take that much longer tomorrow. We'll go through again but we'll stop on the one point you brought up today. We discussed about the woman's energy, the importance of winning the woman's heart. And then you extended that, that the woman also needed to win a man's heart. So this also relates to the soul mate. So we can review that again tomorrow, all of the Channels.

**Swami:** Good. Good. And try to think one more time what is your main problem in your life? Where you really got stuck? What making you, really bothering you? Period. You have to be very specific, clarity on it. Whenever I'm going all the points, one point it will perfectly match you there. Then you'll get your answer there. Clear? Now we'll sit for thirty minutes in meditation very peacefully. Turn off all the lights, is group meditation thinking your personal mantra. Then 9 o'clock sharply we'll go for arati.

End of Talk
