Swami is talking by phone in his office to his Students below in the Baba Temple

Swami: Welcome my Dear Divine Souls, quite amazing day. I hope everything you're hearing me clearly. Good?

Students: Yes.

Swami: Your Swami is lot of concentrating on the book to writing on the, who is the Big Boss, the reading amazing information, ancient knowledge. And I'm happy to come down and speak but it takes three, four hours break, so I'm talking from here.

So far what I'm noticing, everybody's doing amazing hard work, your japas amazing process and transmissions. Don't feel bad if Swami is not coming and talking. Yes, I'll come, I'll work with you guys and pretty good powerfully your Swami is going to talk about Big Boss' life with evidence, many angles. And moreover, the japas, whatever you're doing it, need to do the japas, Five Secret Prayers, and some more people I gave some more processes. The

transmission is very, very, very important – what you need to do to concentrate on that.

Receiving knowledge is not a big deal. You can receive the knowledge from any person. My students will become very, very powerful. They're already pretty good powerful to some angles, and some angles I don't want to do the same mistake like the Big Boss Jesus Christ, what he did - too much loving and they did the stupid works. No way, absolutely, no way... Even the senior students, they're unbelievably clarity and good. Sometimes they're little bit stupid too, like behaving as nuts, not having enough clarity, but you guys are all learning.

Today I want to give the message of today: The reality of life in spirituality. Who comes as a spiritual person on the planet - we have to go through. So far taking any incarnation person, whoever we're going to worship, whoever we're worshipping, they've all been through under amazing suffering – pain, pain, pain, pain, pain. Then later on the humanity, the globe, human society is worshipping them. It means, if they didn't go through pain and suffering, the human beings are not worshipping them.

Take Jesus Christ, Shirdi Baba, Pamahamsa, Babaji, Ramana Maharshi, it doesn't matter, take a lot of people. After a person went through a lot of suffering and pain, then there's coming the open heart to them because they went through pain and suffering. It doesn't need to be in the future in spirituality, in the spiritual kingdom - we have to live happily – smile, smile, smile, smile and die - give the message and die - take off.

Suffer means they only went by physical sufferings. Another angle, soul suffering is there too. I'm telling you, the big boss Jesus Christ, when he's crucified, after they put him in the cave - we're all there. I'm there with his mother - super painful heart. Your Swami, amazing character, supernatural magician, supernatural magician, supernatural magician made his mother to be alert, awake from the depression to come out from it. With his friends, students pulled him out to make everything disappear - any powerful channel, transformation, to transfer one object to another object. Even though he's wounded there, eighty percent he got healed there - we made it completely so far.

Some angles I'm little bit scared for the negativity. Still some angles is there, who is listening right now in the student's kingdom, they're not really confidential, want to learn the Big Boss Jesus Christ miraculous energies. Okay, we'll talk on that subject later. We brought him here. We made him disappear from there to India then yes, he travelled pretty good in India. Then himself he wrote amazing, one, great content of the amazing subject - that subject is all his Channels. Whatever I gave the subject so far to you guys is thirty, forty percent. If you really want to learn that much subject, I really humbly requesting all my students' kingdom and I'm commanding on you guys and, begging you, "Please learn Telugu!" One day you can read with your own eyes what they wrote on that day. What he wrote on that day - don't underestimate the knowledge please!

I'm not expecting anything from you guys. So far I'm supporting, supported hundreds of students in all angles. Don't be lazy, don't be too much dependent - do hard work. Do hard work! Many times I feel guilty I'm making you lazy. I know each student, how many hours you're sleeping, what are your activities. Seeing that is so painful how much lazy persons I'm promoting it, to the lazy phenomena, to the lazy way. It's not good.

Okay coming to the subject of the Big Boss. So finally the Big Boss Jesus Christ travelled in India. He wrote an amazing beautiful book what he did, what he learned, all his miraculous channels. Put it that way as a vastu subject. What he really wants to do, what is his mission, what he's going to tell in the planet - clearly he explained it it's nothing but to do what he says. The bottom line, he wants to heal painful hearts. Amazing crystal pure love person, amazing pure crystal love, as a love, love, love, love do or die is the love. Even die... die, die, dying is a love. It's not a joke. Who's carrying as a physical body, even somebody is torturing you - still loving, it's such a gift.

We cannot tolerate, even if somebody is showing negativity on you, a negative feelings is throwing on you, a negative concept is throwing on you - you cannot tolerate that but that is...his greatness - pure true love - that's His biggest desire, we all need to turn like Him, more than Him. My Dear Divine Souls, learning *Vedas*, learning divine channels, learning amazing miracle powers, one great concept - learning true love. Unconditional love is beyond the

powers. That only, you have to learn yourself. Sacrifice and dedicate your mental ego surrendity - your ego mental mind surrendity - one hundred percent. Yes, your Swami can give you power. Yes, your Swami can give you miraculous powers. Yes, your Swami can make you powerful siddhis. Yes, your Swami can give you lots of miraculous healing capabilities - no problem.

My eyes are searching, searching, searching, few students who really can stand, do or die for the truth and reality with your Swami. Even thick and thin good friends, I have never, ever seen you guys as my students, I'm always seeing you guys as my best friends. I love to laugh with you, joking, very friendly, amazing friendly. Of course sometimes little anger, irritable, it's not a big deal. Ninety-nine percent many students you know, you know me guys, super friendly making jokes and laughing and smiling.

The concept is to make you come up, come up, come up, to be strong, to be strong. Be strong! Guru Parampara, the Big Boss is sitting in front of you - He's not a joke. He's not a joke. He's an amazing powerful person, unbelievably amazing powerful person. Yes, there's a reason why he brought you here today in his presence to Shiva Sai Mandir. You attended today here. He's making unbelievable transmission happening in your soul, in your body. Let it happen! Please, let it happen. Don't hold it. Put your suspecting crazy 'monkey mind' aside - transmission is very, very, very important.

A few students, the Paul Aryeh group and the Coconut Group they connected the Big Boss JC and they received something from him (GP 2008). Again a different group they received something from Datta, Baba, from his statue. More than that, this time the information of the Big Boss, JC life, some mysteries I want to explain. Yes, I'll come in front of you, I'm going to talk to you to clarify lot of mysteries out but I can't clarify A-Z all things because it is a big story.

But lot of bullet points I'm going to blast in a beautiful way, in a divine cosmic way as an open challenge. It's an open challenge. It is a very, very open challenge. I'm ready to face any controversy to the globe, to the society, to the scientists, spiritualists atheists - any type of characters. I am mentally, all angles, soul level, intellectual level ready to answer to them on the Big Boss' life. Nobody can hide the

truth. You can deceive. You can hide the truth for only for a little time, a thief, a prostitute can hide only for a little time. In the long time, in the long time road it will come out. It's true, the real knowledge, the truth... even today, Swami Kaleshwar, or next person or next person, or next person. He will choose the person to make it to bring out. Your Swami has that intimacy, that much closeness to him when I'm with him. Your Swami is the biggest soul mate to him. Of course the Big Boss first soul mate is his mother. The first person to make the depression come out is his mother. That's your Swami helped, then she healed through her Womb Chakra to make him, to make him again come alive. Then we all made him disappear from there to come back here.

It's my sincere request, the Guru Parampara students, my Dear Divine Souls, please... time is running very fast. Be very humble and respectful to yourself. Be respectful for you blocks. No matter what, how much pain you're carrying, how much you're going through in your life, I know, but try to be in this great this mission, to bring this reality.

I'm not talking from my own craziness. I don't want name and fame. Once my work is done, then you can't see your Swami anymore. Don't think in a negative way, if my work is done, it's done. What I gave the promise to him - it's done. I'm really looking forward to seeing you, to sharing the information of the Khandana Yoga and the Crucifixion. I'm really making a comment and requesting you guys, the senior students, take all the concept of the Khandana Yoga prescription. What does it mean by Khandana Yoga? So far how many people have done that? How many avadhuts have done that? Why Jesus Christ did that? What is the purpose of him doing that? Don't talk nonsense He got crucified because of us. Yes, any divine spiritual person, they came for us. They sacrificed for us. Good but inner mechanism - what is that? So try to get a lot of questions on it. Even tomorrow or next day, or the next day when I come with you guys, when I come close to you, you have to be very super clarity enough to ask the right questions to pull the amazing information.

I'm smelling you guys, I'm smelling time is running fast. Time is running fast because of, I'm playing with the wild cobra. Big Boss Jesus Christ also, he played with the time, same like to me, wild cobra. I hope your Swami can exist and can escape it, but I doubt it.

I'm triggering on. I have to trigger on, "do or die." That's an open challenge to the Mother, to the grace of her to her feet, my children, all my kids - the whole globe is waiting for this information, these mechanisms. The globe deserves to learn about this. You have no idea how many thousands of hours I'm sitting in my office keep thinking, thinking, thinking to represent and present this information in the right way, in the right angle to fight with the illusions and negativity in the cosmic level, and nature level to protect also my student's kingdom, and preparing my student's souls very strong enough, they can very dedicate their life for the Reality.

My Dear Divine Souls - do your duty. That duty should be heartfully, very open heartfully do your duty. I know, I know my dear sisters and brothers, dear friends, your problems. I know your financial problems. I know your mental problems. I know your physical problems. I know your family problems. Leave it to me. Look at him - the Big Boss Guru Parampara is sitting with you straightly there. Why you need to worry? You're in the boat, you don't need to jump in the water again to swim anymore. It'll happen no matter what.

Surrender - do your best. Don't stretch too much your life. Don't drive yourself crazy. It's my sincere request and advice today I'm telling you - absolutely if you have faith, not on me, on Sadguru Shirdi Sainath Maharaj, Bhagawan Sadguru Shirdi Sainath Maharaj. You have no idea how much he went through in his life. I know many people read his life history - read one more time tomorrow. Take a three, four hours time and read his life how he went through, then come to the reality. We're all his children. He's pure Datta.

I'm really looking forward to explaining to you the crucifixion mechanism, the Khandana Yoga mechanism, the prayers' mechanism to make you prove the soul transfer, soul travel, Parakaya Pravesh. Very openly, publically, in front of everybody, taking a few characters' soul, putting one soul to a different soul's body. Changing it. For example, Dr. Clint's soul is going to Paul Aryeh's body and Paul's soul going to Clint's body. Tatyana's soul entering to Monika's body - Monika's soul going to Tatyana's body. I know I told you this several times. So far we were not able to do that. Now the time is coming. The globe has to recognize, has to prove this. I'm ready, but you're not ready mentally, guys. That's

the biggest problem what I'm facing with you. I don't want you to be like a kind of nuts. Don't feel I'm talking like kind of crazy way, nonsense stuff.

Be clarity enough. Be smooth clarity and humble enough to the Guru Parampara. I love you guys. I love you. I'm suffering for you guys. I am. I'll take all your pains. Pretty good I already I took it. Today I'm promising you I'll take it. Our Boss, Guru Parampara, he'll take it. No matter what, you are in the middle of the Sri Chakra place here, unbelievable Sri Chakra place you are here. There's no other such a power spot on the planet except Manasarova. This is the second place in the globe. It's an open challenge. Such a powerful place you be. You're here right now. Surrender. Look at him. Be mentally prepared for everything - do or die. Your Swami, Guru Parampara is with you, Sainath is with you, Sadguru Sainath is with you.

Take care, have a wonderful time. I'm really looking forward to seeing you to speak amazing information. Be clarity enough. Try to get your questions as much as you can. Whole *Bible* whatever you know it, I love to hear your confusions, your questions on that - the top layers of blocks in the *Bible*, on the *Bible* to clarify it. We need to bring the new clarity in the society with the proof and evidence. Your Swami always wants to live in the Reality - do or die. Good luck. Too much time is over. Done. Go for arati. Carry on. Have a nice time guys. Good luck. Bye.
