Guru Purnima Program 2009
Group Processes, and Program Preparations
Talk in the Baba Temple
June 29, 2009

Swami speaking to Lucia: You are okay Lucia? Are you sad?

Lucia: Yes, a little.

Swami: Anything I can do for you?

Lucia: Of course!

Swami: What? Lady of Japan... (inaudible) your emotions?

Lucia: It's just... it's nothing.

Swami: How are you Nina?

Nina: I'm good.

Swami: Are you happy? You got what you want?

Nina: Yes.

Swami: How many students are like that? Last night.

Student: Thirteen.

Swami: Thirteen students, they made it. They got supremely... (inaudible). Done. The point is...anyhow the energy started. I want to take...if your group is available, is here for example Coconut Group, Pancha Bhuta

Group, whatever it is, different, different, groups. Try to approach and complete the processes as soon as possible. As Energy wise, your Swami's health is also kind of driving me crazy. I don't want in the climax days to get really... to give a chance to the illusions. But of course you'll win it and this major coming program is... it is not your experience here, and that, of course you'll get that too.

Preparing as three layers. First layer, this never, ever happened in the history for Immortal Enlightenment Process this Guru Purnima - one big step. Second, Guru Purnima another huge step way; third completed. Then after that you don't need to come to Penukonda. Of course you can... You don't need to be...do any more spiritual Sadhana in your life, absolutely not. Even now Nina, is it necessary to do your Sadhana?

Nina: Yes.

Swami: Uh! ... Last night you made pretty hit it. Constanze, is it necessary again to do anything?

Constanze: We are free birds.

Swami: Has everybody enjoyed it?

Students: Yes, absolutely.

Swami: Is it magic or is it manifestation.

Students: Manifestation for sure.

Swami: A few people, they gambled with me – I'm changing the subject. Tatyana, Monika T, Cindy. Tatyana gambled and she lost her apartment, she lost her Saris, she doesn't have any clothes. She is in my office duty. I never played the gambling before, the coin flipping, head or tail. First I made her to win it, win it, win it (Swami shows his hand flipping up), then I took it, ooh. Monika T completely all jewelries, Cindy no more clothes, just on her body whatever clothes she has, that's it - lost it. Playing gambling with your master - it's a temptation. It's a temptation. Better to simply accept it, bet little, "Mmm, no." So, it's ok. The point is, the real gambling of spirituality is starting by this Guru Purnima. It's not that easy to win Him, the Guru Parampara. It's not that easy, mmm... I'm warning

you. Never force, let it happen. You know what I'm saying? Let it happen. You are the winner; I am with you. I am, with you. That's your big problem? To be with you is a big problem.

Who really followed, who really trusted, who completely dedicated their life to Guru Parampara – I'm with you; never ever lose it. With your hunky-punky, with your monkey mind, then I really drive you crazy. I am warning you, "Stop your monkey mind." There is no end for the monkey mind. There is no, end for the monkey mind until your last breath the monkey mind always wants to play on you, wants to disturb you. I don't want anything except your happiness and success, that's it.

Spirituality is not a grape - it's a coconut. It's not a grape - it's a coconut. It's the hardest... you have to pull the coconut, peel it, break it, take a knife, remove the meat, then you grind it, then you taste it. Grape it... once you put it, you bite, you feel the taste. It will also fulfill your hungry... it will also fulfill your hungry - I am between both, like kind of a banana, giving you...so I have to peel it. Clear?

So to your process, whoever your group is ready, I'd like to see tonight, make it done. And I recommend whoever was before Dwarkamai Group in charge Simone's group. Are you here, can you stand up? Your group duty is I don't want the flame turn off, all the time super clean. Whenever I have inside a group, once they are done, once they come out, again taking care of it. The flame turned off is really a bad omen. And few guys try to prepare the torches, be ready. And I really recommend if you can paint one more time outside the Dwarkamai around... energy-wise it's good. Clear? You are taking responsibility girls?

Girls: Yes!

Swami: So first today I will take the Coconut Group. I think you are all guys here isn't it?

Coconut Group: Yes.

Swami: Go, let's torture, we'll see. It's time for Arathi, go!
