Group Processes and Problems

Talk in the Baba Temple

July 4, 2009

Swami: Hi guys, my dear divine souls. This is Swami. Hey unfortunately a phone call came and some important things... Good, but anyhow I really enjoyed it. It's so beautiful and so far a few groups got pretty good success. And especially the Beuerhof people, they need to take some decision what the deal is with me. So far, what the deal you made it guys, is a little not comfortable. It's like creating a center to me in Germany. It's okay but of course I'm not satisfied with the deal. I don't want the material things and palaces and centers. *One Center is enough to deal entire the globe.* The point is, I told the many stories, especially to the Beuerhof group. And few stories I explained it and after seeing in your faces too, I don't think still you're not clarity enough yet. And you made the lottery last night, five people. Out of the five people, each got huge success in their processes. It's a little testing. They made it.

And also the American citizens, so far since three years I didn't show up in America because of the inner politics, what they're really carrying in America with the power struggle, like pulling nature. I tried my maximum best since ten, twelve years to create the unity in you guys. If you're not making the unity in your lives, one day you are the losers. The same thing, the same problem with the Jesus Christ in his life, the same problem happened. There's a lack of unity. He's too much loving nature. His mission, the link, the bridge got broken.

So I don't want to do the same mistake, anything if you have any doubt as a human being, monkey mind, and suspecting nature, I'm happy to prove and prove the reality in front of you. It's no need to prove the realities. Since ten, twelve years I'm doing unbelievable hard work. I hope so, at the same time heartfully you're doing amazing hard works too. The major problem you

have to understand, why I'm talking like this today, your personal blocks, your personal relationship problems, your personal feelings it should not implement on your mission. It should not implement on your process.

The fear is the most contagious disease in the planet. Who is really carrying the fear, they're unfit to anything in the planet to get success. Wherever who have the braveness, and guts, and daresness, and dashism - they only can create victories. Always having a panic, being like a chickens, I'm sorry I don't want those type of people around me. You have to be, 'do or die,' once you have seen it, once you learned it, once you proved it, then you have to go.

If you really believe the Vaastu, if it's really working, you have to take the action. You really did the elements, you have seen the action, you have seen the results - you have to take serious action on it.

The point is, the major problem with Americans, especially, not only the Americans, and also some few even in the Japanese groups, and also some European some students, the groupism, the unity is very, very, very important! Once you are really as a group with a strong unity, such a bliss you really can create in this mission. And so far some groups I completed it. Some more groups I left it.

Tonight I'm going to take you guys through the processes again. At 10 o'clock I want to take the American citizens, the Parameshwari Group/Maheshwari Group. After that, the first Beuerhof Group, Ganesh and Tatyana is the Group Leaders to that group, and come out with clarity. By 11 o'clock I want to see you guys. Let's complete it your process. Then once if I start giving the talks tomorrow, completely I'm going to talk the different subject for the Immortal Enlightenment Process, to preparing you for the 2011. I need to give the initiation to that.

So far whatever you have the desires of the chocolates, your experiences, I'm very happy to give you, but you need to give the support, and convince, and satisfy me with your open heart. If you close your heart, I can try to make it open but still you keep closing and closing and closing. And I saw last night, especially the first Beuerhof Group, five people who got the lottery and won it, then immediately Sabeena attacked on me saying, "Swami, I'm really carrying unbelievable pain in my heart. I can't tolerate that.

Please heal me.” It means her husband got the lottery in it and she has a lot of nonsense doubts. That doesn’t work. Let him go where he wants to go. Let him travel where he wants to travel. Leave him whatever he wants to do. The globe is round; he’ll come back. You keep holding him he’ll want to run away. That’s the nature. So please try to understand, whenever you start feeling pain and suffering, that’s not healthy! If one of your friends got success, heartfully you need to congratulate that person, “Hey you got success, congratulations man.”

And whenever you say like that, whenever you open your heart like that, heartfully appreciating nature, then success is with you. Whenever you’re creating jealousy and left out and unworthiness, I’m still seeing in you tons of unworthiness and left out and painful hearts with jealousies, power struggles, leadership qualities you want it. You want to lead the whole group. You want to be a leader. I’m sorry, Guru Parampara will decide who will become the leader, who will take next after me this strongest mission in the globe, I already chose it. Baba already chose it. It will happen it. Even you keep trying, it’s a waste of time. Just keep enjoy and practice whatever I’ve given to you.

And if you have any process doubts, any miraculous doubts, any palm leaves in the literature doubts, any knowledge doubts, the power objects, the different how the mechanisms, anything you can openly ask, but you cannot judge your master with your funny minds. I cannot judge my master Baba. I don’t have that capacity to judge Baba. He smokes ganja. He drinks soma. He eats whatever he wants it. But he’s wrestling and he’s huge body. And whenever if I saw him what he’s doing it, I can’t make a decision his charactership the way of his actions. But another side of his coin, his character, what type of abilities, what type of his loving nature and the miraculous powers, he’s carrying it - that we need to see it.

The master is a kind of a cow. The cow eats the grass, the newspapers, whatever it does. How the milk is tasty. You have to only count on the milk. The master always wants to make you confused. You have to be very careful, the Guru Parampara always wants to make you confused and divert. You have to be very careful and try to come out with a clarity minds. Don’t, don’t, don’t, waste the time, your time and my time. Time is the gold. Once if you lost it, we cannot get it back.

I'm waiting for the first group at 10 o'clock. From 10 o'clock until two a.m. we'll be awake and be alert. And by 5 a.m. tomorrow morning, I sincerely recommend to everybody to attend to the abhishek to Baba. It's the first energy starting, and making him to awake to start the Guru Paramparas, the Guru Purnima Festival Process. And whatever you're having, coming doubts and your questions the knowledge, please clarify yourself. Don't hesitate. And don't ask the silly questions and wasting of the time. My concentration, my target this Guru Purnima no matter what, no matter what, no matter what, is talking about the JC life, and what is the meaning of immortalism and mortalism, life and death, death and life, darkness and light, negative spirits, divine spirits, negative forces, positive forces. These are the major subjects in the planet, so try. If you understand these subjects this Guru Purnima pretty good you will succeed this Guru Purnima.

This Guru Purnima, I hope I'm giving a darshan and giving a talk to you. Next Guru Purnima we're seeing you in Europe, by grace of Baba. And the next Guru Purnima, for sure by grace of Mother, we'll see you in Benares. So this Guru Purnima what I'm going to plant the seed in your souls is very, very important.

If you got confused holding the blocks openly talk, openly accept it. Let me wash for you. I will take care of you. I love everybody, but at the same time, sorry if I'm giving little hard time but I have to be. Everyday the spiritual law is changing. Every year the spiritual law is changing. Every decade, every ten years, the law is changing. The energy is really changing very fast. The time is coming. The time is really coming.

So try to be healthy mind and healthy body and try to cooperate with your Swami and clarify and receive the informations what really happened in the *Bible*, what really happened in the *Koran*, what really happened in the *Bhagavad Gita*, and what really happened with Adi Shankaracharya. Taking all the pictures, different angles, coming, targeting the JC, the processes, Jesus Christ, his crucifixion, again rebirth.

And where is located his samadhi and his Power Spot and Baba's Power Spot. And how to create the Power Spots, how Baba created his Power Spot, how the Jesus created his Power Spot. We've seen in Shirdi under the neem tree, many people, satya, dharma, shanti, prema - four candles, lights are still holding it there underneath. It's saying in the history there's a lot of evidence there. The same

thing how he creating that, what is the inner mechanisms? And what is your Swami's Power Spot? And what is the greatness of the Himalayas? What is really hidden the power of in the Himalayas? Why everybody chooses the Manasarovara? What's going on with the Power Spots? And where is your Swami's Power Spot? And where is Jesus Christ's Power Spot located in the globe? Where is the Buddhism, Lord Buddha, his Power Spot? Many saint's Power Spots and their mechanisms on the globe, the divine peoples, how to make channelings to that and everybody's receiving the blessings from that Power Spots.

These are all the major subjects. These subjects on this, whatever you can make a questionnaires on this, I'm happy to answer it. Before I already told it to Simon and Constanze, to make I think several hundred questions. I'm sure they made almost all a thousand questions. It makes a five, or six hours to me to clarify. Whatever I mentioned so far this, all the bullet points, on that points, tonight after your process is done, whenever you have free time in the lunch hours and dinner hours, some timings, and make a questionnaires the most senior students. Once if you have the right question, it also gives the right information to you and to the globe. I can't raise myself the questions and also give the answer to you. If you raise the questions then I can make it elaborately talk.

So my Dear Divine Souls, and especially the senior citizens, the senior students, try to cooperate, and by the way, Philip looks so handsome with his beard, after long time seeing him. And Ann wrote a beautiful book about your Swami. I hope it's a good stories, and it will be available from tomorrow. So far, this tonight and I'll talk to you tomorrow onwards in the public talks. So tomorrow I'll see you guys in the morning hours, the abhishek time. Happy time. Good luck guys. Lovely night.

End of Talk
