Guru Day Message, Process Preparation

Frankfurt, Germany

September 10, 2009

Welcome My Dear Divine Souls,

This is Swami from Germany. Right now, all of your Swami's students... it's exciting, they received the shaktipat and purely awakened the Cosmic level of your soul.

I am all the way here in Germany and seeing almost four hundred people. One thing I want to say, dedication and faith are the most important. So far hundreds of people got a lot of great experiences. Experience is nothing but giving you inner peace... if you don't have inner peace, even if you're with Shiva, or with Mother, or with Jesus, it doesn't help. That's why Guru Brahma, Guru Vishnum, Guru Devo Maheshwaraha, Guru Sakshat Parabrahmam, Tasmayi Sri Guru Vena Namaha. The master is the most important character to our souls.

It doesn't matter how much hassles and headaches are there in your life. I know your problems and headaches in your life. Once the strong energy punch... in a beautiful way you received it - your soul is completed enlightened. It will stop any type of dark energy to come around you. It will removing the depression. By dark energy I mean, any type of crazy illusions.

One more time, your Swami went yesterday to the Vatican. The Vatican is nothing but a pure graveyard. I told you. I am not criticizing, it is purely a prison to all the souls who died and are trapped there. Great art is there, great diagrams are there, that I love it. Underneath is completely a joke. I hope the pope is swimming in an oasis in the desert. He doesn't know which direction he is going, that is my feeling. (Pope Benedict XVI)

Very soon I am looking forward to seeing you guys. Please, please, follow the diksha, whatever I've given. The remaining things I know how to take care. Your Swami also feels a little exhausted. Sixteen hours driving from Germany to Rome, and again coming from India. It's a little sensitive but anyhow I'll make it by the grace of Mother and Father.

I am really comfortable to see you. Each person in America and Japan, whenever you're coming to see me, try to bring a brand new dress, one coconut, one rose flower, rose water, incense, camphor. A fresh dress, any color is fine, but you never ever used it - also, one fresh white new towel. Then it will help it. Those who are coming to me in Germany, the German students, don't need to bring this stuff - I'm organizing it. The Austrian students don't need to bring, I'm taking care of it. But the American students, and the Japanese students need to take care. They need to bring these things. It's a long way for me to carry that and bring all that stuff.

Hopefully, the upcoming event is my final event in America in this lifetime, unless some divine force is pulling me to come there. I recommend for you to do some, any of your favorite special pujas. Karmically it will help. Especially the purification of family karmas, your parents, their parents, your karmas, nine lifetimes of karmas burned out. Then you'll feel the great relief. There is one more puja I'm offering - connecting to my soul directly. Every full moon and new moon, I am communicating with your soul directly. I'm not joking. I'm very serious. No doubt. Register. You don't need to pay right now, you can pay within six months time. I'm not coming for money guys, I am coming to lift your divine souls. Hopefully, everything will be ok in your life. Heartfully, I am blessing the peace of mind, and great health, and good prosperity in your lives.

Yours Sincerely,

Swami
