Ashram Talks With Swami
Swami Welcomes Harrold's Group
Talk in the Baba Temple
September 30, 2009

Swami came down to Bhajans to welcoming Harrold's Group

Swami: Good evening guys!

Students: Good evening Swami.

Swami: Welcome to Austria people, and Germany people, and different, different, different... Switzerland. How is your bus journey? Is it nice? It's not like in Germany. It's a panic. It is a?

Students: Panic.

Swami: The bus is going like (Swami showing curves) ooh... we faced a lot of accidents. So far, by grace of Baba, we saved it. (Swami sighs). Day after tomorrow everybody is going to Tirupati, isn't it? Hello!

Students: Yes Swami!

Swami: How many people are going to Tirupati? How many people are going to Tirupati? Lucia, you are not going? I think you are also a little there. You are not going, Lucia!

Lucia: Oh Me? No Swami. Not so far, not that I know of. I would like to?

Swami: It's a spiritual journey, lot of hurdles, lot of suffering, pain, wisdoms - same time amazing experiences. It will be there, no problem. God always wants to test you to stop. Not having something what you want, to going to receive it an amazing thing. I hated myself, why I said I promised going to show certain amazing experiences. (Swami sighs) But

it's okay. Today your Swami is also pretty good...it's not a sick, it's a kind of sick. My doctor, Constanze, hopefully she can help me - physical sickness, not soul sickness. Physical sickness, it comes and it goes, no problem. So you are here for several days. Three points you need to be very open:

1. Let it happen, whatever wants to happen.
2. Let him play whatever he wants to play on you.
3. And digest it and don't reject it.

Don't force it, "I don't want it, I don't want it, I don't want it." Let it happen. That's it. Is it true Constanze?

Constanze: Yes.

Swami: So be in that consciousness stage. On the JC Intensive Course I'm releasing the first book, on the Christmas day I am releasing the first book of the JC processes. JC, Processes. Top eighteen processes of what he has done in his life, and what benefits he received in his processes, with evidences. First layer, one chop out, then Shiva Ratri, layer by layer I'm releasing it.

It's okay, but it's new to you and to new students; it's a new phenomenon, it's a new belief system. It's not the Jesus, it's not the Baba, it's not the Ramana Maharshi, it's not the Babaji, it's not the... any divine saint, there is only one way, only one road, only one road, one way, they have to go through that way. If you read that in Telugu/Sanskrit and all the stuff it pops out your mind.

Last month I went to... of course this month too, I went to Vatican, I told you, Telugu and Sanskrit words are there in Jerusalem (clarified with Jerry) Sanskrit, pure Telugu words are there. Telugu sentence is there. I openly challenge it is there. There is a bridge. We are forgetting that. I'm not insulting the Vatican, I'm not insulting the church, I love the church, I love the Jesus Christ.

Out of 365 days, 300 days I sleep near – if I am here – I sleep near Jesus' feet. It's not me doing it. It's a divine force doing it. I don't want to be a controversy person. Let what is there, let what is here, what is in the palm leaf book, what is my explanation - that's it.

I don't want to be an enemy to any religion. I love all humankind. Humankind is a big religion. Your blood is red, my blood is red, you are breathing air, I am breathing air, He created you, He created me - we are all one. We are all Gods. We are all pieces of God. Might be we have the problems, blocks – we will solve that. But the knowledge is different - that you need to learn it - that you have to learn it. I can't teach you science - I don't know the science. With my soul level I can go to the moon. As the body level I cannot go to the moon. It's a mystery. Try to understand something. It's a bliss. Without you not discovering anything – okay, Swami wants to show the Mother, Swami wants to show the Jesus, Swami wants to... Swami wants to show...

Swami showing means Swami is great or showing is great? I am like a Mother in the kitchen. I am cooking the food for you. Is the Mother great or is the food great? Which one? Hello?

(Some students say both.)

Swami: Both? Without even cooking the food I can fulfill your hunger, it's not a big deal. It's all chocolates. It's a kind of my manifestation - chocolates to you. But anyhow, yes, you deserve. Hello!

Students: Thank you.

Swami: So what is the thank you for what? For what?

Students: Experiences.

Swami: Shhh. Is the bee great, the flower is great, the hidden honey is great, or the bee took the honey and made the honey is great? Which one is great? Tell me the results tomorrow then I'll talk to you. Good luck!
