**Ashram Talks With Swami**  
Harold's Group Process and Power Journey  
Talk in the Baba Temple  
October 1, 2009

*In the evening, Swami begins talking as he's coming down from the Jesus Temple*

**Swami:** Welcome my dear divine souls. Hey what a great amazing morning we had it today. And everybody had I hope some great experience - something is a beautiful and it's wonderful.

The Point One, Austria and Germany country people, they came here to see me and to come to the Power Journey spots. And I promised to you to come down to see the most powerful, amazing Power Spots. I'm happy to show you, and my guys and senior students will accompany with you and show the most powerful spots: Lord Balaji, Lord Venkateshwara - that Golden Temple. How many hundreds of thousands of people are waiting, and we have, by grace of Baba, we have some special permission we can enter in it, have a darshan, and come out.

Moreover, many people are expecting having a darshan of the Mother and Father, and your Swami is telling you, who had the darshan of that Shiva Lingam coming out of the fire, is almost all, who is having that abhishek water with you, that water can help link with the most amazingly, most powerfully, forever and ever to connect with the Mother and Father and Jesus Christ.

The Divine Channels is not a joke. Belief is the most important.

*Swami appears at his door outside his downstairs room, next to his chair.*

I'm sorry, every Thursday I have to come and sit five minutes in my chair.

How many people really saw the Jvala 'Agni Lingam' come out from the fire-pit? Purely magic isn't it? Is it magic, spiritual magic or normal magic?

Students: Spiritual magic.

**Swami:** Spiritual magic. Whoever is coming, you should really guide to the people, the new students. They don't know - you have to cultivate them. Yes, whoever is coming with brand new open hearts; already I trained them indirectly. Without their notice I trained them - I really trained them. They can be able to see the Mother and the Father as soon as possible, any day, any minute, any second.

It's not a problem but you have to know the mechanism. I'll show you again the mechanism. Tatyana, can you stand up? Are you really seen it?

Tatyana: What I saw is that with your scarf you pulled something out of the firepit. I couldn't see exactly what it really was. You clarified it was some ash mixed with water.

**Swami:** Say again?

Tatyana: It looked like you pulled out some ash mixed with water out of the fire-pit.

**Swami:** Is it ash or what is it, Shiva Lingam?

Tatyana: It turned into a Shiva Lingam, whatever you pulled out. I couldn't see because it was wrapped in your scarf, but the final result was a beautiful big Shiva Lingam.

**Swami:** I used all five elements: water, fire, air, sky, earth—all the elements, Namashivava. If you want me to disappear, we'll put it in the fire - it will disappear.

Students: No.

**Swami:** No, I'm very serious, it's between you and me is the doubting nature, challenging. Can we do that?

Students: No.

**Swami:** Hello?

Students: No!

**Swami:** Why, Tatyana?

Tatyana: Because we would like to use it and implement these channels of that lingam.

**Swami:** It's the same equal power as the Baba's Gurustan Shiva Lingam, Baba's Gurustan Shiva Lingam. Once you've seen it... I'm playing with the fire - fire is playing with me - 1,000 times more powerfully than on me. Okay... wait, wait, wait, wait, wait... attack, and put the Baba abhishek water... get the ash, put it in a ball there and pull that out, put it there (on the top of the fire-pit). We cannot explain to the scientists.

So tomorrow, all you guys are going, and I recommend... who really seen that cinema, that Jvala Agni Lingam, if you really saw

it, "Swami I want to connect only you. You come and talk whenever I call you." Then I come. Who didn't see it and who doesn't want me to come and to connect to you, that remaining people, you can sit and we'll see what is going to happen the experience tonight. How many people are like that, can you raise the hands?

*(This is only for Harald's group. There is some misunderstanding of Swami's meaning, so he clarifies)*

**Swami:** Point One: Who really saw that, they really can connect with me forever and ever.

Point Two: Who even didn't connect to it, we'll do abhishek. I'll give the special drink in Dwarkamai with abhishek water. They'll drink it, and still they will connect with me, "Swami, I don't want anything, I just want to see the Jesus and Mother, complete the stroke, and let me go." How many people are like that?

Inside the Dwarkamai you'll hold the Shiva Lingam and the amrutha will keep going - flowing, flowing, flowing, flowing, flowing, Flowing, FLOWING - then you'll take the nectar - that's the energy.

How many, can you stand up? Okay, you want to do abhishek to the Shiva Lingam, not seeing the Mother and Father - everything is me? Hello? Then you can go on Power Journey, enjoy it, then come back and let me complete your process? Okay?

Students: Yes.

**Swami:** Hello?

Students: Yes Swami.

**Swami:** You are sure? It's not a big deal. I'm coming very indirectly. I'm coming very indirectly. Why is everybody afraid with cobra?

Female student: It will bite.

**Swami:** It will bite because it has the poison. When I'm giving the experience to you, why you need that? Why you need to worry - experience is experience. One zero, zero, zero, zero, zero, zero - which zero you are? One zero, zero zero - which zero you are? Let me decide. Okay?

Students: Yes.

**Swami:** Hello?

Students: Yes!

**Swami:** You should be very strong and stubborn, then you can win something. Spirituality you cannot see it - science you can see it. God is in you. God is, in you. But I really recommend everybody who is here, stay here, meditate in the Baba Temple. We'll see what is going to happen.

The remaining people who saw that abhishek, is going to be happening in Dwarkamai. That Shiva Lingam what is going to bleed in your hands - a buckets of amrutha, it's not a joke, a buckets of amrutha. It pops out the mind, and it is pouring the energy to your soul - that's important.

Alahala Lingam we buried it. Several times it got sinked. Very skilled persons, they buried it. Then again, it got sinked (the floor levels sank down some inches).

My dear divine souls, you should not hunt the spirituality - spirituality needs to hunt you. You should not hunt the God - God needs to hunt you. He's already hunting - that's why you're all here, otherwise it's impossible you can be here.

Even if I come to Tirupati or not, my senior students will be there. Just you see that vision of the statue inside of the Lord Venkateshwara Temple, the main deity - think your wishes and another temple, Kalahasthi, is thousand times more beautiful than the Vatican, and a most amazing sculpture. The Vatican has the art - here it the Kalahasthi, the sculpture art is there. Nowadays it's impossible to really, really make that.

Take your snacks with you and your medicines with you, and cooperate with each other and help each other. Be together as friendly taking care of each other. Once you get back, I'll give you some special supernatural process. Some more surprises are waiting for you.

And generally in spirituality, never tell in advancely - it's Mother's nature to always want to disturb. Maybe I will join, maybe not. We'll see the grace of Baba. Clear?

Students: Yes.

Swami: Clear?

Students: Yes Swami.

**Swami:** Good. Start the bhajans.

End of Talk
