Ashram Talks With Swami

Harold's Group Process

Talk in the Baba Temple

October 6, 2009

Talk at Bhajans to give Harold's Group instructions for starting their process.

Swami: Do I look tired? Okay?

Lucia: Very good.

Swami: Everyone can hear it? How many more days left in your Power Journey?

Harold: Three more days.

Swami: Tomorrow is my daughter's birthday. She's growing and going to school... something special in my life - it's good. How many people connected this time with Jesus in your group? You three guys? Good, sit. How many people connected the Mother?

Nine people stood up.

Swami: What happened with the sand to... Something we changed the sand to different thing isn't it? How many saw it? How many people tasted it?

Swami asked different people their experiences.

Swami: And everybody received a power object from Her? (Mother) Where is your Power Object?

Harold: It's right here in my pocket.

Swami: It didn't disappear?

Harold: No, I checked it before I came.

Swami: You want me to make it disappear?

Harold: I'd rather not, definitely not. I'd like to keep it forever.

Swami: Put that one around your neck means to put it in some jewelry. You sit there with the jewelry smith, goldsmith. Make a frame.

Harold: Um-hum make a frame around it.

Swami: Hang it.

Harold: Okay, so that people can see it?

Swami: Can see it and can touch it. You can use it for quite amazing healings. Did the Jvala Lingam, Agni Lingam go to the Dwarkamai?

Gary: Yes.

Swami: It's there?

Gary: It's there.

Swami: So the moon is blooming today. Moon...outside the energy is very powerful vibrations, and we need to handle very sensitively. Especially who really wants to connect with me, who already connected with the Mother, for sure they're going to connect with Jesus too. Who connected with Jesus, they're going to connect the Mother and who is going to connect to me, of course you will connect all three characters. I might show up in your bedroom in your country. You want to lay down, already I'm laying down there. I'm very serious. You'll see.

Harold: Next year Austria.

Swami: This energy channel of what I need to... first time I'm giving this much powerful punch. In order to do that, we need to do the Emerald lingam, and Jvala lingam need to bleed the honey amrutha. Needs to, bleed the amrutha. And I recommend... today I hope you're not tired.

Students: No!

Swami: Only whatever I promised in Austria, your Power Journey Group, try to attend to Dwarkamai, just to be there around the slates anytime. But make sure, the wild cobras that are running around - don't worry, I am here. I am, here. By grace of Baba, you'll be protected, no problem.

And I might hit you today, tomorrow, two days are left, third day even daytime also, I can hit you. But hitting you means I need to take your Brahma consciousness to your 3rd eye, Hrudaya Chakra,

Nabi Chakra, and Womb Chakra, and Kama Chakra to wake up, to be free. Big transmission has already happened one layer. Just I left it, let's happening - big transmission.

One time I did with the California people, the Americans, around the Guru Purnima time. And this time is another big transmission tonight. So even late night, try to have some chai or coke or whatever it is - maintain...

I don't know when I'm going to show. Once I start to show up there... after eleven pm you can start counting. Up till eleven p.m. From eleven pm until to morning three-thirty. Four a.m. is deadline. Any questions? And I know everybody wants to connect the Mother and Jesus, but let me go my direction. Let me go, my direction. How many years it took to you to connect to Mother?

Lucia: Quite a few years, I think five years.

Swami: Five years she waited. You're not missing anything - you are receiving everything. Spirituality is non visible. It is like plain water - high supernatural cosmic energy. You cannot underestimate it, and you cannot super estimate it. It's like a cobra. Like a cobra. If you see... for example, sand to change to sugar, is it miracle or magic?

Harold: It's a spiritual miracle.

Swami: Spiritual magic. Can do any tons of stuff, it's not a big deal. Even put a bucket of water, it will turn as a wine. Then I can put you to drink, then sleep. And once I'm there with the boss Jesus, I'm going to release the sankalpam. Sleeping is coming like a pouring on you. Sleeping is, pouring on you so be alert and careful.

I know some more senior students who are staying here, "What is our position? We waited, waited, waited. What is our position?" Can wait, you can also wait around there, there's a chance. There's a, chance.

It needs to... I need a seva crew with seven to ten strong guys and three ladies need to be there. And whenever the amrutha is

coming, just they are touching it, and once I give the energy punch, then immediately making it moving. We cannot waste the time there. We cannot? Waste the time. Menses women can also come inside - no problem. Let them take a fresh shower then they can be hanging around. Clear?

Gary: Swami, menses women coming to the outer room?

Swami: Inside. They can touch the Emerald lingam and the Agni lingam. If it is hot Agni lingam, once the energy started, don't worry, for the first just few seconds. Clear? And don't, don't lose that objects (people received in darshan). Don't? Lose the object. It first gives the highest miracles, first healing abilities. Then starts to giving the siddhis. We'll see the benefits what comes. We'll see the benefits. Once you enter inside the Dwarkamai you're done. You are? Done.

And somebody, like Paul, the Shiva Yantra, draw that tomorrow and make them draw it. And everybody have the Surya Nadi Yantra and you drew it on the copper sheet? (*Not Harold's group*) So give it to them. And somebody needs to make that yantra one inch by one inch on silver or gold or copper and wear it. And somebody is preparing it. I think Tobias you're in charge on that?

Tobias: Yes, they're working on that right now.

Swami: And every person should wear it. Surya Nadi, some energy if it is around you, it's the Shiva 3rd eye energy is flowing. Shiva energy? Flowing. Whenever you're sleeping it is like huge energy. You'll start to feel that. Even it's on copper, a simple one. Any questions?

Student: Is there any difference in the power objects from Jesus darshan and Mother Divine darshan?

Swami: No, same... Is there any difference between your left eye and right eye? Hun-un. Clear? So have a wonderful night and try to be little awake and alert. And if somebody goes to toilet then, "I

got stuck. Somebody locked the door outside then I'm inside the toilet, what can I do?" Some cases they happened like that. Make sure somebody's watching outside, then go. This is only first and last chance in your life to receiving that shaktipat. Done? So, have a nice day.

Students: Thank you Swami.
