## Ashram Talks With Swami

Talk Before Going into the Dwarkamai for a Process

Talk at Swami's Dhuni

October 7, 2009, Time: 1 am

*Recording starts in mid-conversation*

**Swami:** What you told the boss to the Jesus Christ? It's a question?  
What you asked?

Student: For a darshan.

**Swami:** Look the Full Moon energy is pouring on you.

Student: I asked Jesus to come here.

**Swami:** Constanze?

Constanze: I asked Him to support the process that it is successful  
for the whole ashram.

**Swami:** In the gun, one time one bullet it will go away, but you  
will get it. You are going to get it. Don't think. Without his  
sankalpam, without his order, today we won't gather here,  
absolutely not - that's His decision - everything, that's his drama.

I'm only actor. You're also actors. Clear? Whenever you accepted that, you are the hero if you think you are a zero.

Today I want to give the initiation to you in this period of time. Whenever you have free time chant nsryaim hesraim. Try to do that, Nsryaim and hesraim and rakshamam rakshamam.

Complete Mantra: nsryaim hesraim rakshamam rakshamam

It's not my words. It's thousands of years ago written in the palm leaf books and I linked with that two bijakshras. Who wants to connect with me you chant that. Whenever you need help - don't think this physical body, my soul level consciousness, my Brahma consciousness will always come to you and protect you.

Don't do any other processes. Whatever you're doing, you're stopping it, you are doing the Surya Nadi process: *tesraim* and *hesraim* - stop everything.

*(Swami gave later clarification that night on these instructions. He said from the initiation he gave last night everyone completed the Surya Nadi process. No need to do that process (mantras & diksha) anymore. From now on we only chant the new mantra written above: nsryaim hesraim rakshamam rakshamam)*

Then I need to give you Chandra Nadi Process. Chandra means in Telugu and Sanskrit, the moon energy. You have no idea the Full Moon energy and you have no idea Surya energy. Right now I'm going to give you the Surya Nadi Process and connecting with my soul, and giving you high healing abilities. You're very close to demonstrate some siddhis and you are able to pull any divine angels.

And I recommend to Paul tomorrow to show you some palm leaf books of the Shiva yantra. And everybody has to have a copper sheet of the Shiva Yantra and draw that and have it in your puja room. That palm leaf book you should really look at that how they really drew that. Thousands of years back they wrote in it. Today I didn't pull you. It's only pulled from Baba.

My dear divine souls, life is short - make it sweet. Find out who are you. I'll give the mirror to you. Already I've given the mirror to you. It's a little dusty—clean it!

One day we have to go. We have to go. Before going discover something. You make tons of money and you lost it. And my health is also not cooperating that much properly. I have to tell the truth, you're all my kids. Today even I came back and I gave a talk. I went to get the ultra sound. It's perfect. But different phenomena, the nature will bite me because of I'm fighting with the nature. I hope... but even Jesus Christ could not win with the nature. I will win with Mother. I want to create success in my students.

I have thousands of ancient palm leaf books. It will change the whole Bible, Bhagavad Gita - every philosophy. What's the meaning of: *bhur bhuvah suvaha, tas savitur varenyam?* What is that? Viswamitra wrote it. Is there any evidence on it? We do have evidence. Maheshwari, Parameshwari mantras - we have the evidence. And the Shiva Lingam - many, many yantras we have it. Nobody...Many palm leaf books exist that are sold for 100 or 200 rupees, but the Shiva Yantra does exist and we do have it.

Even vaastu, many people they talk many, many angles. I will openly challenge on the vaastu. And openly I will challenge certain healing abilities. I made a deal with Mother and Jesus, "Let it happen to me whatever it wants to happen - only to me. I don't want to be powerful. I want thousands of my students to be powerful." What they can heal to me? They can heal my body? Right now I'm thirty-five. They can give thirty-five more years? Then I can't walk that properly. I don't want my physical healing. I want soul healing. I openly challenged. My early days you see me, my pictures. Now you see me.

My complete dedication is working for you. If you don't believe it, you're a loser. You're a loser. Later on, you'll regret. Don't lose the time. Time is the gold. You have to utilize that in a proper way whenever the opportunity comes. Golden opportunity comes and opens... it knocks on the door only one time to you. But the bad time comes, until you open the door, it keeps knocking on the door. Don't give a chance; I can't help it.

So my dear divine souls, you came all the way here you want to see the Mother, you want to see Jesus... Yes, I promised. It is there ...coming. Hundreds of people they got darshan. But I know why

I stopped this time to go a little slow. You'll know why very soon. I want to take a highway - I don't want to go narrow road. Only a few people, thirteen, fourteen, fifteen people they got it. Everybody is equal to me here. I love everybody here. Everybody is eligible here. First connect to me, then I know how to connect to you too. It's a deal?

Students: Yes.

**Swami:** What?

Students: YES!

**Swami:** It's a deal?

Students: YES SWAMI!

**Swami:** Good. So this many people, each person takes two, three minutes time. It takes before 3:30 to 4 a.m. has to be completed. Please cooperate with each-others. Understand?

Students: Yes.

**Swami:** I can't give each person five minutes. Seva crew stand up, remaining people sit one minute please. So try to follow their instructions. You need to keep moving it and I'm personally giving a shaktipat to each person. Gary is it advisable to touch everybody the Shiva Lingam, or is it okay with my stick/rod hitting on their third eye? Which one?

Gary: The Shiva Lingam.

**Swami:** Shiva Lingam, it takes ...

Gary: Too long?

**Swami:** What is your thought Tatyana?

Tatyana: Shiva Lingam. You did it before and it went very fast with the Ala Hala Lingam. We can do it.

**Swami:** Ala Hala lingam?

Tatyana: Before, you did a process with many, many people in a short period of time.

**Swami:** Possible?

Students: YES!

**Swami:** So you should be very cooperative. Okay can we go?

Students: Yes.

**Swami:** Bholo Sainath Maharaj ki

Students: JAI!

**Swami:** Bholo Sadguru Sainath Maharaj ki

Students: JAI!

**Swami:** Bholo Sainath Maharaj ki

Students: JAI!

**Swami:** Let's go.
