Christmas Intensive Program 2009

Before and After the Maya Chakra Initiation

Teaching in the Baba Temple

December 9, 2009

Swami: Good evening. Everybody sleepy? Are you ready to take the initiation of the Maya Chakra Initiation?

Students: Yes.

Swami: Your hearts are open?

Students: Yes.

Swami: Once you receive the initiation, for a couple of days, just you need to get relaxed as much as you can. Less talk, very pleasant, and walk in the nature. Not a lot of crowd, just to be a few people, just chit-chat, and whenever the cows come, within these nine days, if a cow is delivering a baby, no matter how you are, you're sleepy, you're not showered, fine - just run, do one pradakshina. It really, really, really will help. I think Paul ordered a few cows.

Giving a birth, the purely Brahma Consciousness is there, especially the cow. That period of time the cow is completely in Brahma Consciousness. That vibrations you need to receive it. One millions masters is equal to one cow delivering it - that much power. Sitting on the tiger skin and meditating - that much power. Even Ramana Maharshi... our Boss, straightly he used the live

tiger - he used to sleep on that. It's sleeping and he's sleeping on top of it. He's using it like a pillow. Read his history. Somebody donated a tiger to him, he asked.

If you seen Arunachela, it's a pure Mahakali, Mahshakti, Durga energy. Take off. It's so powerful. You can't recognize in the present moment. It's like a soul magnet how it really gives the vibrations out, how it takes the vibrations in. How to make you charge it? It's an unbelievable power. You seen in Japan, Tobias, the tiger skin?

Tobias: Yes.

Swami: In my room in Isamu's place, he put as a big, they fixed it as a tiger. In my room they fixed it as a tiger, in the Isamu's place just, and my bed is with tiger skins, and my chair is with tiger skins, and my sofa is with tiger skins. Wherever I'm taking a shower is with tiger skins. Then I can't able to sleep, it's too much, it's already I am a magnet, another magnet, it's going like... wait, walked in the nature and just sleeping on balcony, outside on the balcony.

In the power objects that's one part of the mechanisms. Now the flames will be around when you are... today I'm giving the process to you, the initiation, just you are chanting your personal mantra + mam yam Rakshamam Rakshamam, or you can go maam, maaya. Mam Yam, first personal mantra, mam yam Raksha Rakshamam. That's enough. If you have your Mala you can use it, otherwise you fix your two fingers like this and do it. If you have your mala don't touch this fire finger to the mala. Already fire is around the torches. Use this fingers (Sky and earth) keep go, keep go, keep go, gently keep go. Just Sankalpam is, no Maya will hit to entire your lifetime, for any lifetimes. Eternally you are breaking the net today to your spiritual processes. No chance. You are asking the Guru Parampara period, to cut off! You are asking and you are doing it. Whenever is completed, whenever the charging is really done, then I come and say, *Shanti, shanti, shanti-hi,*' then you wake up and wash in front of Dwarkamai your faces with water as much as you can, then go take a sleep. And tomorrow morning sit in front of the Dwarkamai, or in the nature, the

veranda, keep hitting, chanting that mantras. Maintain two days that energy very gently. Clear?

Students: Yes.

Swami: Hello!

Students: Yes!

Swami: Too much talking, this is not the time, better to talk tomorrow some time, it's good to start as soon as possible. Everybody can sit very comfortably - they can spread out. Is it okay permission I can spray the water on you guys, rosewater?

Students: Yes.

Swami: Hello!

Students: Yes!

Martin is translating the instructions for the German students

Swami: Clear?

Students: Yes.

Swami: Good, why can't... many people is very tight, why can't you sit very comfortable, come, more space so I can walk very freely and just sit... Chant nine times Omkaram, then start.

Swami gives the Maya Chakra Initiation.

Talk after the initiation.

Swami: Hellooo...(laughter) Sleepy?

Some Students: Yes.

Swami: Just two hours and after that again, go back to your rooms. Before you go, put the water, put somebody pipe, wash your face as much as you can. Drink pretty good lot of water, and sleep. Process is the most amazingly succeed. You don't know the value of this initiation. You will recognize later on, "Wow, what is this?"

To receive this type of initiation I struggled for five years. Finally I got that initiation from Baba's samadhi. From? Baba's Samadhi, I did not give the initiation, he gave the initiation, the bosses gave the initiation. And the most, we need to give the gratitude to who holded the flames outside, the guys they are the protectors for exact long time, a long time... (*Students clap for them*)

This ten, fifteen days' process...the majority processes I did it, then one more process, a simple process is there. Then we'll go to the cross and just explain a lot of information on Jesus, just as a speech, non-stop hugest speech. That easily you can get it, you can understand. But the initiation, this is the entire JC Intensive Process - my target is to the maya, maya, maya, maya, maya, to cut out the maya for eternal, forever, for any time, any lifetime, should not touch it. It is required. You deserve it, otherwise, unnecessary crazy, crazy obstacles. This two days just simply digest this energy. You can come to the talk, just enjoy the talk and meditate as much as you can on the prayers...clear?

Students: Yes, Swami.

Swami: And I recommend, the guys, the gents and the girls, to your group, need to be also, any time to be on call to be ready. And one more stroke what we need to do, is Suganda Abhishekam. Suganda Abhishekam with the sandalwood powder to do that Shiva Lingam in Dwarkamai. Once we do the abhishek water, how it is going to disappear the water, we need to see. Tons

of water with the sandalwood paste, putting it and taking it out. Each person hitting their third eye, again bringing it back in the tank - the ultimate final, final, supreme, supernatural power is Lord Shiva...Lord? Shiva. And his third eye power...his third eye? Power.

Who destroyed, he only has the ability to again recreate it, to give even to the Brahma...to give the Brahma Consciousness, to give the? Brahma Consciousness. It's not the time to talk in depth. Still time there. We'll go layer-by-layer, okay?

Students: Yes.

Swami: So goodnight, have sweet dreams.

Students: Thank you Swami!

Swami: Sure.

End of Talk
