Christmas Intensive Program 2009

Receiving the Cross Nine Chakra Energy

Teaching in the Baba Temple

December 12, 2009

Swami: Everything is okay? Hello!

Students: Yes!

Swami: Today is the big day in your lives. Giving the initiation of the all nine chakras at a stretch, flowing in your body, and especially three chakras: Amruta chakra, Mrithyunjaya chakra, Maha Shakti Chakra – the three chakras is going to give the waken up in your soul to be strengthen the chakras to regenerate very strongly and powerfully.

In order to do that they made a lottery, the guys, to purchase... it's not a dakshina what you are giving to me, you are buying the most amazing unbelievable things, and they are burning and preparing the ash, and that ash I'm using on it. You can see in the JC book, the first volume, the Mother Mary is healing through the ash on the Jesus Christ in the Jerusalem, you have the evidence of the picture.

Tomorrow I recommend Monika T. to show that slide show on the screen, how the ashes will really react in a positive way on the souls. And moreover, they made a lottery: \$1,008 dollars, \$2,008, \$3,008 dollars – three slips they put it near in front of the Jesus. Who picked up that?

Students: Paul.

Swami: You picked up it? Thanks. So he picked up and it came \$3,008 dollars each soul needs to pay. Pay means, to purchase this much quantity of things to burn, and get the ash out. Then finally I got the feedback that people cannot afford it, they cannot and they are trouble, and they are a little poor... it's okay, I understand. In your lifetime you no need to do any more pujas. Puja means, you don't need any more like this strong initiation - done! But I put you \$1,008, the remaining thing I am giving you as a gift to everybody. I respect the boss' decision, but, but I can't step back, but I know how to collect from you too. Even it takes little time, I know how to collect it in a karma Sedhanta - actually I need to charge, but... crossing my heart, I'm charging zero percent. No, I don't want anything except your success. Except? your success. That's it.

And I recommend by 10:30, where you want, every person need to sleep either in the Jesus temple, or near Ala Hala Lingam on the slates. Ala Hala Linga is nothing but he carried it for several years and he demonstrated unbelievable things through that, and it's also vibrating very strongly and powerfully. Strongly? and powerfully. There is no cameras, nothing, just you are laying down and chanting Nine Arrows, going asleep. Going in the? sleep. Even you have your blankets on I know how to give the Shaktipat. Even if it's little cold and raining and thunders, whatever it's... snake is entered. What you do if the snake is entered in the middle of the group? Everybody is sleeping, Gary?

Gary: Relax.

Swami: Relax?

Gary: Panic is not gonna help, so relax and say, "Please take care, Swami."

Swami: Relax, I'm there. I am? there. By 10:30, 10:45 everybody need to settled, no discussions, anything. And a few guys, they are preparing the ash and all the stuff. They keep bringing, one or two persons, ash to me and just... let me do my job, your job is simply lying down and chanting Nine Arrows. If you don't know the

Nine Arrows just think your personal mantra. Think your? personal mantra. It's advisable, whatever you have power objects, to keep nearby you. Keep nearby you any malas, Gurumalas, malas, Shiva Lingams, any crystals, anything whatever you have it keep nearby you. If I'm throwing ash on you, if I'm putting rosewater on you, if I keep hitting you with the crystal cross on your forehead, whatever, just ignore, keep go your job. Keep go? your job.

One time, I think it's ten years, twelve years back, Nancy is meditating, Nancy and Myuri and who else there?

Myuri: Anya.

Swami: Anya and?

Myuri: That's all.

Swami: Three guys is sleeping in my living room. On the days there is no Jesus temple. I told them, "I am coming and I am giving a Shaktipat." They said, "Okay, no problem." They are holding an egg in their hand and they are meditating, and Wendy went in the sleep. As usual, as the late early morning hours, whenever is the right time to me, and I went giving Shaktipat, and I entered Wendy, and I'm giving on forehead, giving the Shaktipat. She wake up like a bullet, throwing the egg on me, like I'm seeing the position, which angle the egg is coming to take care of myself, then I screamed, "I told you I'm going to come." "I'm sorry Swami, and I forgot that." Don't throw your power objects, big crystal, big black lingams in your hand and just hitting on me. No, I don't want that. Be careful and just relax. Can you ask your clarifications, top two questions in your book? Any controversy points if you remember, still fifteen minutes time there till Harathi.

Monika T: During the crucifixion a lot of things were happening, a lot of yogas were happening. Khandana Yoga, Prakaya Pravesha, the womb chakra. Can you explain the different... the sequence the way things happened?

Swami: Finally the Khandana Yoga is happened. Whenever the Khandana Yoga is happens, generally the soul comes out and to be around that body. Around that? body. Generally, once anybody died, nine days that soul will be around the body, even if it got turned as ash. Wherever is burned it, that place around it, or wherever the ash is sitting it, nine days around the ash the soul is doing around. If they buried it, it will be there - period, it's a golden statement. If any powerful supreme master located that, identified that, he can send it to another person's soul to merge it, or you can send it too back to next incarnation. Next? Incarnation. Or you can give to the soul-bliss, can be hanging with very blissful. What else?

Monika T: So where did Jesus' soul go in that moment, he put his parts out...

Swami: It is around.

Monika T: He's just around? But he took all of his parts out, except one part.

Swami: The body, it's only the body. Body never counts. Body? never counts. There is one...it's okay, body never counts.

Monika T: Swami, what is the process that Mary got healed by of her heartbreak in that moment?

Swami: Let me give this initiation, then later on I will give the knowledge, anybody can receive in the globe. Your students, their students, their students can receive in the globe. I will give it. Perfect clear, make sense the channel. I will give it. So far few students, few people they did the Khandana Yoga, this and this stuffs. They done with the fishes, and the birds, all the stuff. But I'll explain in depth of the mechanisms. But my major target is to give you this initiation, this Nine Chakras. Already I have given one chakra, but anyhow just I want to go all nine chakras to be

activated. Majority three chakras very strong, super supreme strong.

Monika T: Swami, after Jesus was healed he was then transported back to India...

Swami: Not transported, he came back. It is some of his followers, some Maharshis made him to come here, and he travelled entire in India. His original place is in India. Original place means his power spot, major his power spot is India.

Monika T: Can you say how he got to India? How did he get to India?

Swami: I'll explain, I'll explain. It's not far away in the globe to come to here. It's not far, hun-un. Even you can drive from India to Germany by road. Do you know that? Tobias, do you know that?

Tobias: I'm sure it's possible but I didn't know it.

Swami: One bus driver he told you. Hello?

Tobias: Yes.

Swami: He told it he use to do that. I came from Austria to Frankfurt. How many hours? Whole night isn't it? Whole night I'm in the bus. I'm in the train whole night. I'm in the bus whole night. I'm in the limousine whole time, I'm in the car whole night. Pretty good I made it in Europe, traveling, traveling, traveling. I have great experiences in Europe too, and of course in America too, and very interesting in Japan too. It's not a big deal, not a big deal.

Illusion... cobra ate the small chicken, the chicken made it blast the cobra's stomach and it came out. Cobra swallowed it; again it came out. Mahamaya took him, again he walked out - the most

powerful topic in the planet, that, knowing the mechanisms. We're suppose to go in a couple of days with the printing to Hyderabad. The whole roads are completely blocked. They're under the strike. Are you reading the newspaper? Hello? You should read ten, fifteen minutes. Get couple of newspapers there to see what's going on around, in your food eating time in canteen. You should know it.

This A.P. State turned two pieces. They made two parts: Hyderabad is gone; this part is different. This part people are super aggressive. We developed Hyderabad, how come that a district is separated, this remaining twelve districts are different? Again to recreate the infrastructure, all the stuff, the international airport, all the stuff and everything, it takes a minimum ten, twelve, to fifteen years.

So all the members are resigning in the Assembly. It's a big, big deal in India right now. It's a big deal in India, especially in A.P. State. It's the first time like this type of emotionals is happening. If the book is not printing yet; if it's not printed on the Christmas, at least Monika T. will stand up and read the book entire to everybody. You can listen to it. What can I do? Whole curfew is in Hyderabad. All the military people, and everybodys around protecting and make it cool down, cool down. Sonia Gandhi, in her birthday, she cut the piece of cake, "Okay I'm giving the A.P. State like two parts." Click. The next day morning everybody's so upset, "How come she can do that?" Because of, Rajasekhara Reddy, the former Chief Minister, his helicopter crashed. His helicopter? crashed.

I think you remember on my wedding day, there is one police officer, John Wesley - he's in charge. Then the time before last Christmas, he gave a talk here with his family in the Jesus Temple. You remember guys?

Students: Yes.

Swami: That guy is in charge of the security of the Chief Minister. I went to his apartment where he's staying for a dinner. He invited me and I went there in Hyderabad when he was in charge. Clearly, northeast cut, and southwest entrance, northeast kitchen, and completely tilted seventy degrees. I told him, "Immediately you

need to change this." He smiled, "Jesus will protect me. God will protect me." He's a strong believer in the Big Boss. I said, "Good. The boss is saying through me, 'Listen.' The boss is talking through me. 'Listen.'"

Then I went to the Chief Minister's office with our Rajasekhara Minister. They wanted to invite me to come into the politics. In the northeast there's a huge weight - the security point. In the northeast a huge weight, weight, weight and a northeast cut in his office. Even though he's inviting me into the politics, I'm made a comment, "Your vastu is not good, be careful." He also smiled, "Many vastu people, they talk lots of things, Swami. It's okay. Are you coming into the politics or not?" Simply I said, "Hun-un."

So, it doesn't matter how powerful you are, the elements are very strong. If you're not following the perfect way of the vastu, yes it will bite you. It will? bite you. Right. After I put one more slab on the northwest side, I thought that is height (SW apartments), that is height (NW apartment), both is pretty good height. Two sides is high, this (temple) becomes little low. It's okay. It's okay but I don't know when Baba will give me the guts to build in the Southwest. If build the southwest building up, and northeast lake - done. Done. Automatically this nature will take care of itself.

Even though I have lot of guts but to going to the southwest and build there, ooooooh. Already I have enough problems. Problems means headaches taking care of lot of things. I need to find the way. There are tons of rocks I dumped there. Thousands of thousands of rocks are waiting, ready to fill it. And the Mother Divine statue is ready. Who went there? It's ready?

Gary: (Inaudible).

Swami: It should be ready. My original plan is to bring that Mother Divine statue, a hundred elephants are giving a procession to the Mother Divine statue. Hundred? elephants is walking in the Fort coming to the Mandir, and big chariot the Mother Divine statue is standing. And a hundred horses, thousand priests are chanting, ten thousand women are holding the milk pots. Expecting minimum one million people in the street, coming with the Mother Divine statue, and fixing it. I'm going to fix it. *I'm going to fix it.* Sankalpam is clear. Statue is clear; it's ready. All the

Germans they contributed to the statue. Do you remember guys? All the Germans, they contributed the statue. It's ready. Once I fix, that's the Shakti Peetam... Shakti? Peetam... all different rivers' waters, I told it before how to do that.

The first step I'm here with the book and JC life, then finally fixing the Mother, then relief. It will happen. It will happen. No matter what, it will happen but I need everybody's cooperation. Everybody's? cooperation.

Be equal - be good brothers and sisters and friends. One is higher, one is the low, one is treating them, "You're no, I'm the leader, you have to follow." This type of... I'm watching you guys. Looking at it, it's a little painful. Power struggle it's a disease. If you don't know how develop the loving nature here, you cannot succeed anywhere in the globe - period. If you don't know how to bring inside out from you, the loving character - you're a dummy character in the planet, a spoiled egg, useless! Simply I can do one smiling, "Come back, next lifetime, we'll see." This is the opportunity you need to see yourself. Help ever, hurt never.

Don't get that pain back to you. If you don't like one person, be quiet. Don't hurt the person. It's my sincere advice to the Group Leaders, and to the senior most students too. No, you should not hurt unnecessarily. Even cursing and little angry face, throwing some pain, creating some pain in them - don't do that. What you gain? Nothing. Nothing, don't do that. You're not a hero. I know where is your... I have a nail, *rrrsst*—the air will come out. Without your notice I know how to make it 'click', over. Temporarily power - don't feel unnecessary egoism. Okay? Good.

So by 10:30 or 10:45 make it faster. Make the Group Leaders, guys will be in charge, and you can start to do, and the things, everything came and clear. You can start to prepare the ash. We'll see.

Good luck and go for arati.
