Christmas Eve During Bhajans

Teaching in the Baba Temple

Swami: Merry Christmas guys.

Students: Merry Christmas Swami.

Swami: I heard, in Europe today is day you guys are going to celebrate Christmas, and Americans are going to celebrate tomorrow. So why is that conflict? But anyhow we'll celebrate two days. Unfortunately, the book is well done and tomorrow Monika T will read the book. Are you going to?

Monika T: Yes Swami.

Swami: So the first volume of the book you'll hear it. Then, we'll see what is the next second edition as soon as possible is going to be done. And moreover, it's a pretty challenging and controversy and very interesting. And? very interesting book. Any spiritual healer in the globe who was practicing the spirituality, they'll put their attention on it. They'll put? they're attention on it. So, we'll see how it is going to be.

That rock, are we going to getting inside the Dwarkamai, or it needs to go to the Ala Hala lingam inside? Last night I put a head and tail. It showed inside Dwarkamai. Can we make a little lottery one more time? Simon, can we make it one more time?

Simon: Yes we can.

Swami: Put two slips put near Baba and Terry will pick up. Don't pick up two slips, only one slip. Except one batch of group, I think the men's group, the remaining people they received the process, the initiation. Because of, the energy was already tight there, and already that rock came and stood there, so I didn't want to take a risk. So that one batch, hopefully I will see you guys tomorrow.

Swami to Simon: You made it?

Simon: Yes.

Swami: Quick, put it on the silver feet. It's okay.

Terry picks up the slip and Swami reads it.

Swami: Inside Dwarkamai - ahhhhh. This evening I called Paul, "Hey Paul, we're going to do inside the Ala Hala lingam. Don't damage any Dwarkamai." He (Baba) rejected, okay. Do you have enough marbles and everything?

Paul: Yes.

Swami: Good. We'll decide how to do that. I think the first door we need to break it, isn't it, the east door?

Simon: It depends, yes. Take the frame off. If we use the same machine as last night, we have to make a big hole - knock the door and wall and well...

Swami: The machine cannot enter inside the Dwarkamai.

Simon: No, it has long arm to extend, maybe.

Swami: I think it better you to use the iron pipes, roll it gently, make it move. Gently? make it move. Okay start the bhajans.
