Call From the Ashram

Swami: Hey guys, I keep hearing since long time your talk and it's says good. I think it's too much buttering on the book, and of course we did a lot of hard work and so beautiful. And when is the book available Ann?

Monika T: Whenever you say Swami. We have it ready for you and whenever you tell us we can send that to people in their countries.

Swami: Release tomorrow.

Nityaanada: Thank you Guruji.

Monika T: Thank you Swami.

Swami: And I'm really looking forward to seeing America and Germany guys. And four more volumes also, I need to go to release it. There's a lot of hard work hidden in the book. Until the few more volumes are completed, try to be patient. Don't be confused my Dear Divine Souls. I know it's a little confusing chapters, and also very powerful punch energy channels is there, what is related to the ancient palm leaf books with authentic, and

all type of evidences and proofs. It will be so amazing. It will change the belief system of the spirituality.

I'm not criticizing any religion. I'm not against to any philosophy, but my philosophy is to bring the Reality in the globe. Two plus two is four. I like it. But five minus one is also four, but you have to accept it.

So there's always a short-cuts and bypass roads, and there's different angles to reach the destiny in a fast track. Since thousands of years the track is missed it, and so sad. We finally made it couple volumes, and the first volume, and Monika T and Lora and all Elephant Group they really did a hard work. And heartfully all Americans, and whole global wide, they need to appreciate them - night and day they did a hard work!

Already I've given tons of knowledges, and even though this Shiva Ratri I participated very little time... just connecting to Guru Parampara and having some small experiences. But after they release the volumes completed, four more volumes is left, then I'll really come out for only for your experiences guys. Then permanently I want to get retired, only to train the top, top, who was really interested. Only few guys I'll select them, and just I'll train them and release them in the globe very powerfully.

Who read my, these books, and who practiced the channels with evidence, and the palm leaves, based on the palm leaf books, it's not a joke. I'll come very soon in front of you, and also will discuss very openly and very elaborately. Until then, try to be patient.

From tomorrow onwards the books will start to release. It's a good idea... once if you have read the books...one time you can't understand; second time, third time, fourth time, then you are there. Then it makes sense. It's a pure shastra - it's a knowledge. It's all Divine Supernatural Channels. To prepare you as a powerful healer, to prepare you as a powerful siddha, that's my biggest desire and what I promised the Boss, Jesus, and I fulfilled my job.

So still some more work is left. Let me complete that as soon as possible. And I really need your love and affection, and your prayers to be completed, the Mother Nature will support to your Swami and his mission to give all the...

I'm your friend and your brother and I'm your family member no matter what. Whatever the criticism comes, whatever crazy

characters they discussed it, it depends on their mind situation, their belief situation. A scientist cannot understand a normal intellectual person. A philosopher cannot understand who is the powerful scientist. A scientist cannot understand the spiritualist. Spirituality is beyond the science, but in the future the science and the spirituality will come together - then it will create a lot of wonders in the planet. And have a wonderful time guys, and all my love and best of luck to each person. Good health and happy life! I'm looking forward to seeing you guys in America very soon.

Thank you, lots of Love.
