Swami's Global Conference Call

USA Call to Laytonville, California

Call From the Ashram

May 13, 2010

Swami: Welcome guys, this is Swami here. Good morning.

Clint: Good morning Guruji.

Monika T: Good morning Swami.

Swami: Hey, welcome to everybody my Dear Divine Souls. I hope I'm not disturbing you, but this is the time to you, give little attention to you. Attention is nothing, but be in the clarity tension. Time to attend Divine tension. The Divine now is working very powerfully.

First of all your Swami wants to come to the Europe. Again cancelled with the volcano, again cancelled. Again I putted everything here in India. Even Guru Purnima and your process, everything... Let's complete everything in Penukonda - your Gurustan and your Power Spot.

Today my subject is, why I cancelled it? Let me tell you that reality. Yes there is a small disturbance, the Mother. Of course everybody has to go through the same door, I'm also going same door too. That disturbance is, I lost my brother in a few days back, and the police in the village are suspecting it's a murder. But...and

the family and the well-wishers advising Swami, "No way! Don't take any risks!" That well-wishers is the two persons major in my life. That is one is the Jesus; second one is the Baba.

Right now unbelievable hard work Swami is doing it here in the palm leaf books. Yet, very powerfully it will be taught very soon. But my sisters and brothers, and mother and father, please, even though you have money or not, you no need to pay. If you can pay whatever, it's going to Baba. You come and complete the Guru Purnima, or the Chandra Nadi Process and get the experience.

The Divine always will change the devil. Yes sir, I tried to warn him as much as I can. Few comments I already given to him, but he lied to me. He's coming from Hyderabad to Cuddapah to my parent's house. In front of the house there is only a fifteen, twenty minutes journey. He got powerful bad incidence. It's over. Right now my mother and father, everybody is under, of course whoever has a children who dies, a mother, you know pain to lose your person. The personal sense, it is the most important.

You need to think about it, the value of the Divine life. "Life is short - make it a sweet," I always say. Even Jesus Christ, he even got cheated through one of his students with the two hundred coins, and he got crucified and he suffered for us.

Here, every angle I'm taking as step. There is 0000.1% no permission from the Boss Jesus Christ, and Baba and Mother, especially Jesus, he's not giving a permission to me even to walk out. Even from my office, even I'm listening music and keep typing, typing, typing, typing, and unbelievable information is coming in front of your feet.

But I sincerely recommend, 'Complete your process.' The process in sense, have the experience what you cannot believe it, that you have to believe it. Of course the Mahamaya hitted it, I protected so far millions of people in my life here, but the Mother is putted me in a different dark place, and She hitted, and She's playing the games.

Now the Boss Jesus Christ, his full attention, very attention, he's here around me, "Make it work fast - hours together, hours, hours, hours, hours - ten hours, fifteen hours, sixteen hours, eighteen hours keep typing, typing, typing, typing, typing, typing, and make it come to that divine nectar to the globe.

The Chandra Nadi Process is not a joke. It's nothing but the Shiva energy. *Chandra* means the moon. *Nadi* means the pulse. The pulse is always, it tells ever and ever very powerful, the life, your rebirth and death, and birth and rebirth, and you need to come out with the peaceful wisdom character in the life. Pain is a normal, but I'll also come out the pain of... know the reality in the planet.

Here, I'm offering here, yes, now your Swami turn, your Swami's name is Kaleshwar. Now the Kali is coming out from him very strongly and will give the experience. Don't worry about your financial effort, your financial problem. If you can pay, you can pay to the Baba. If you can't pay, no problem, come, get an experience, see the experience what the Khandana Yoga, certain Yogas what the Swami is demonstrating in front of you. It's not the magic. I'm not the magician. I'm a spiritual pure character. You experience it, you watch it, you see there, and whoever is eligible, make it clarity, and whatever you receive the experience, and share it in the globe. I'm not joking! Don't miss the chance! I'm not expecting anything, even a small bread from you.

I'm ready to walk with you. The book title, what I've given the next coming book, *Walk With Me Divine Silence*. That is my next caption of the book. Of course there is tons of messages. And I'm here again offering whoever they want to learn direct Jesus Christ powerful techniques, all, everything... whoever they want to come and learn it here, I'm offering with my open heart. You no need to pay anything. Come and learn and go and spread in the planet. You take care of yourself with your food, and whatever it is, simple things. There is no charging on you.

But you should not abuse the power whatever I'm giving you in your hand, the healing power, different Yogas. For example, Khandana Yoga, even a wild powerful cobra is bited, how to take the poison out? Yes, practically I'll prove it. Let any scientist, any doctor, whoever they want to come. Parakaya Pravesh - leaving the soul from the body, intentionally the soul getting out of your body and again coming one or two days later. Yes, this is the time you need to learn this.

My Dear Divine Souls, don't lose this opportunity, and don't lose your Swami and his presence. It's importance in your life to bring this subject. Thousands of years Jesus Christ has few students around him. They did a mistake. He taught lot of information but no information is so far, existing in the planet. Here, with

evidence, and coming here with practically proving, I'm coming here with you. It's an open challenge even doctors, any scientists, whoever they want to come and test between the science, and doctors and miraculous things, spirituality people. I'm ready. And please try to learn this information.

I'm not expecting anything. Whatever karmically you want to do, the pay - karma siddhanta - you do the charitable work wherever you like in the planet to the old age people, mentally retarded people, to the hospitals, and every whoever deserve, hungry soul. In sense of hungry means, whoever they need a help. Help is not a joke. Whenever you completed, deserve and complete the help, that is, you are the Divine there. Try to do that, and learn the Divine miraculous things.

You can bring any great professor of Telugu who knows the Sanskrit, they can listen the palm leaf and what is existing there. So far, one week back, there is many people they touched the most powerful Divine book. Everybody touched it in ashram, in Penukonda.

So my Divine Souls, even though I know you have tight schedule and you have lot of family problem and everything, I really understood. But come up and take care and learn and learn, learn. **Wake up, wake up, wake up!** This, my voice, needs to be forever and ever for centuries in the planet. Your Swami is not in aggressive way. He's talking from his heart with Divine dignity. We all need to walk in that Divine silence. The silence is the most powerful. Don't under estimate this silence. Please my Divine Souls, come up, come up, come up. Wake up, wake up, wake up! I don't think so, more than I can say.

And Clint and Monika, and these guys will start the remaining discussion. And the same my voice, whatever I talked so far, right now, keep listen few times and come in a conclusion in your heart. That is only my advice. Understand! Life is short - make it sweet. The nectar, once you tasted that, the victory automatically will come. That nectar means amrutha. Whoever is sincere students, all the students' kingdom, teachers, healers, you deserve guys, you need to learn these techniques what I'm giving, final what my big course open free, free, no charging. If you want to contribute whatever... a piece of bread to Baba, do it. Come and learn. This is the time. This is the time.

Again there is a, sorry to say, there is earthquakes is coming in America very powerfully in California state, and India, and Japan. But you'll watch out, earth-quakes is coming, the globe is going to be very unstable. This, my voice, is evidence. You watch out, I'm not lying. It is the reality, you'll see.

Take care...all my loving. And Clint and Monika please keep go and continue.

Clint: Yes, thank you Guruji.
