## Ashram Talks With Swami

Chandra Nadi Initiation

Talk at Swami's Ashram

May 21, 2010

**Swami:** I tried my maximum best... just simply listen few bullet points. First I tried to come to Europe. Then volcano hit it. Then second another disturbance, you know about your Swami's brother and my parents and sentimental... And third also you're seeing, it's very unusual in the nature, the thunders and raining is happening here. I never, ever seen such a thunders and raining in this season. Anyhow, I really appreciate it you came all the way down here. And also, who is doing the distance healing, receiving the initiation, absolutely they receive it too.

You want to waste the time, or you want to complete tonight?  
Hello?

Students: Complete tonight.

**Swami:** Good. The knowledge is always available. The senior students, they'll teach it, no problem but the initiation, whatever your silence initiation, some bijakshras I will tell in Dwarkamai, but first the major step today I want to complete. But in order to do that, you need to be a little awake tonight, is it possible?

Students: Yes.

**Swami:** So you can have your beds and cushions and just to be laying down. Is it possible this many people can sleep in this place, in the veranda and stairs? You can adjust guys?

Students: Yes!

**Swami:** Why this disturbance is happening? Of course more disturbance is coming. I'm not scaring here. Whatever Swami is going like a rocket speed about the books, all of sudden it's hitted and it's okay, gently I'm handling Her. In your life, in your processes, once you completed, then you know how to handle Her. Then you know?

Students: How to handle Her.

**Swami:** In order to handle Her, whatever the disturbances is coming in your soul level up and downs, easily you can handle it once you receive the most powerful initiation, any minute tonight. And even the distance healing people, they no need to worry. Definitely, if they're chanting their personal mantra tonight, anytime within three days, for three hours, the initiation will be done. Of course I'm sending the sandalwood paste, and the mala, and the blessing, and you'll receive it. But today I need to spray some rose water and some sandalwood powder... of course if you like it.

Students: Yes.

**Swami:** So, now is the time is started. Just I'm laying down in front of the Jesus and very peacefully... and all of sudden the music keeps running and running and running... "Okay, is the time go and do it." But I did the millions of japas... even though you look Swami is little tired, but I'm not tired. Physically I might be little tired, but soul level I'm very aggressive - I'm very aggressive. Physically it's not a big deal, but the soul level need to be aggressive.

And I recommend the senior students like Tatyana and Ganesh, and few more students can teach the Chandra Nadi information, knowledge, and try to print out the knowledge, a booklet. And you can have it and you can go through tomorrow morning when you have a free time. And if you have any more questions I'm happy to clarify that. You understand? There's not much time left, first let me complete first the initiation. Let me? Complete the initiation.

And the distance people, also you can share the sandalwood paste and give the mala, and also you have full permission you can give again the initiation to somebody, to your students. But in order to do that, you need to have the sandalwood paste from here and the mala from the Baba's feet. Clear?

So how much time you guys need to make it fix your beds and very pleasant? I will give you 1 ½ hour time. Whenever you lay down, take your power objects with you, and just simply thinking to surrender to the Guru Parampara and receive the pure Shiva energy. Right now the Kumbhamela is running most powerfully in the Ganga jal, in Hardiwar in Benares ghat too.

So, you might think maybe Swami's going to give a big lecture, like a five hours, ten hours talk. Talk is not necessary. Talk is not? Necessary. I'm not ready to give you a flower. I'm ready to give the essence of the flower, essence of the? Flower.

So far, many times I came to Europe and I given lot of knowledge, lot of processes, but this is one of the most, most powerful initiation what Guru Parampara can give you. And make sure the two flames to be very, not to turn off, and one or two incense to keep running - one or two persons to be in charge. Clear?

In one hour, one and half hour, try to fix it and you can lay down, even the gents. And of course it's a little windy. It's no doubt even big thunders and rain will start. I'm sorry but this is the time. Even some people can sleep in the hut. In the hut there is easily twenty people can stay there, and Dwarkamai veranda fifteen, twenty, thirty people can stay. So you'll fit it, no doubt on that. Still few people is missing it but I'll take care of them too. So try to organize wherever you're comfortable. Wherever? You're comfortable. Don't worry about the cobras, you're Swami here. Your Swami is here.

And I'm looking forward to seeing you in one hour. Good luck. Fast.

End of Talk
