Short Talk Before Evening Arthi

Talk in the Baba Temple

July 23, 2010

Swami: Hi My Dear Divine Souls.

Students: Hi Swami.

Swami: Your Swami... I hope I am not disturbing your bhajans but I always like to disturb you. Just simple message, by 10:30 – 11 o'clock, your Swami will come up in front of you with the slide show. I really recommend to Nityaananda and everybody to prepare about the Vatican. And as much as the key information, as much as a part of, we'll cover and complete it. So far the senior students are taking care of the beautiful information they've given so far but, some more... I keep listening it, entire their talks but some more the clarifications, still they need to go in depth. They have to do it. A lot of information is missing there too. So they have to rectify that and so far...is everything going good?

Students: Yes.

Swami: Tomorrow onwards, your Swami will come in the picture, direction and spending a lot of time with you guys, and Special Puja People be alert. And a lot of priests will come and do the pujas and also your Swami will be there the message and a lot of interesting information you will receive, by grace of Mother, Jesus and Baba. Everybody will receive it. Please try to maintain as much as silence you can...point one. Point two, only discuss only on the subject. Don't talk unnecessary things. Point three, your dedication is most important to me.

Right now, I'm carrying my lens and a lot of palm leaf books is on my table. In one chapter, it is very quite interesting. I'm working with a zoom lens and the lighting...working on it. So, my Dear Divine Souls please send your love to Baba and the Guru Parampara. Let it be done as soon as possible. Generally, I'm not even coming out. Late, early morning hours, I'm going for a little walk, again I'm coming back. I don't know when to sleep, when to eat. I took as a powerful challenge. I don't know how the world will think about me, and your feelings will hurt that Swami is not giving his presentation in a proper way. Don't misunderstand.

So far, I've given you guys a lot of information but this upcoming information will shake the globe. Right now I'm not concentrating on four hundred people, some billions of people, my concentration to change to make them to be awake with fact. It's the most important your love, your prayers to me to work, to be done in a successful way. By 10:30 sharply, to 10:30 to between 10:45 your Swami will come down. By that time, all the studio people, video people, camera people, everybody to be alert, and everybody have your paper and pens and people writing it. Doesn't matter, you have to write whatever exact picture you've seen on the screen in the Vatican...the statements of the Jesus and the bible, and the pope's statements, and your Swami's statements. Then the world will decide, and you will decide one day. Whenever you come with the clarity, once you got experience, a lot of the miracle powers. Today, only my concentration is completely as much as we can, even until early morning hours, no problem, I will be awake. Complete the whole Vatican as much as possible.

We will see, the Mother blessings... So you look at it, each screen, Clint Smith, he's talking several hours. Especially, the video, audio,

some people, and the projector, everything need to be, the crew...this is a very, very, very important timing. You need to be alert. Time to go to our boss for arathi, and I will see you in one and a half, two hours time.

Your loving and blessing,

Swami Take care, bye.
