Swami's Ninety-Day JC Program

Conference call: Question for the Students at the Ashram

Call From the Bangalore House

August 14, 2010

Swami: Hi guys. This is your Swami speaking from Bangalore in my house. And I'm sorry I'm not able to be with you today on the subject of the Power Objects. I hope everybody can hear me very well.

I given the one more day, more time to you guys about the re-discuss all the angles. Take a paper and pen the senior most students and write down more clarifications what you're going to be discuss with, in front of me when I'm around with you. I will reach the maximum tonight and next day morning.

1. The pyramids, who created it, who found it? What is the mechanism of the pyramids?
2. What is hidden in the pyramids? What was the purpose of them created it?
3. So far, the wars including with the Hitler, the crucifixion of the Jesus Christ, all the violence so far happened, what made it these people they went to drive crazy themselves and they dictated it?
4. Even including George Bush, why he created the war, including Saddam Hussain and Bin Laden, everything? What is inner secrecy of their mentalities changed? Because of their psychology, or the power objects, or the human hurtings? What we need to do to create the peace in the planet?

5. The emperor Ashoka Chakravarti, Kali Yuga battlefield, He's a great supernatural powerful guy. He created a Kaliyuungan battlefield. You can see in internet Ashoka Chakravarti, who founded that three lions on the face, you can see any one rupee coin, there's a three lions. He founded it. On every single rupee that first he created it. That three lions is nothing but satya, dharma, shanti. Underneath there is something about the prema. Everybody have to recognize, finally he gave up whole battles. He sacrificed his life and he carried the peace, glow of the nectar, the flame of the fragrance, the divine light.
6. Another point, Siddhartha Buddha, he's also one of the most powerful emperor. After seeing lot of the tragedy things he seen in the society, in the market, in the whole area, whatever he observed, he gave up. What is the secrecy of the humanity of the planet he went in the forest and he meditated and discovered? And what he discovered and what is the final Buddhism? Another point, you have to cover the Buddhism too, whole depth, point one to point 99.9. - every angles, you need to discover the Buddhism.
7. Even Dalai Lama, all lamas, everybody's facing the problems. What is the inner secrecy for this struggling for the power? What is that much the power objects is disturbing the humanity in this planet? How to handle that? So far what you recognized it?
8. Shirdi Baba, he's carrying a brick underneath as a pillow. He used that brick as a pillow until his last breath. Only he, used that one small brick what his master given to him, and rest of his life. Sixty, seventy years he used that brick as a power object, and his a sick... What is the depth of the meaning of not even using a cushion, a brick as a pillow?
9. Why is the Tirupati, Lord Venkateshwara lot of people is pulling there and carrying lot of the humanity there, and the Lord Venkateshwara, the statue is giving the blessing. Certain people only giving the blessing. You cannot think as a great good Vaastu. Same time, something is underneath, some power is hidden there. What power is hidden there?
10. Another point, in Shirdi, Baba on the days, he's a carrying lot of unbelievable abilities, but he walked as a simple beggar, as a pure Datta avatar. And what is underneath the meaning

in his Dwarkamai and he walked? Today, on the days he's very ignored the society and the planet very gently. Now he's taking care very most supernatural powerful angle. What is the inner mechanism, maybe some power objects whatever he's carrying, that power objects today, maybe is activating, or it's more activating on the day he's not using the power objects?

In this point, Vaastu is one subject this is another subject. Try to concentrate what all I given, all these questions. I'll reach you guys, and make me satisfied and clarify and I will show the evidence. And moreover, the final point, the real jump in according... coming to the astrology point – a diamond, sapphire, emerald, whatever all the precious stones, how much it is going to be affect on the humanity, on the human life it's going to be affect?

And moreover, small clarification you need to give to me, the Chinese Feng Sheui, how much is reliable? What is the Chinese Feng Sheui? Everybody has to study that and come in front of me. I will come up with clarity with you. The Chinese Feng Sheui, what is their principles, what are our Vaastu principles too? Then we'll come on the subject very clarity and dignity. Then we'll spread on the divine fragrance.

Your Swami's doing lot of hard works. Lot of works is here but I came here to taking care of a beautiful couple, and a beautiful families who really took care of me from my childhood days. So please work on these points. I hope it's recording and hear it one, two, or three, four, five times and come up with your clarity. And I'm ready to help you guys, your Swami - I'm always loving my kids, my brothers and sisters, my friends. Please understand your Swami's a little tired but he's okay, but I will do my job, you do your job.

All senior students, I recommend you guys whoever studied more than six, seven years with me, go ahead and come up with the clarity and dignity. Don't lie - tell whatever you know the knowledge, then I'm happy to clarify all the most in depth. I will see you very soon. Love you guys. God bless everybody. Have a sweet-dreams. Come up with clarity. Have a good night. Sweet dreams.
