Swami Gives Some Answers About Power Objects  
Talk in the Baba Temple  
September 2, 2010

*Swami came into the Mandir holding a flower garland. He stood in front of Baba and threw it on him.*

**Swami:** Good afternoon. Welcome my Dear Divine Souls. Are you ready guys?

Students: Yes.

**Swami:** You sure?

Students: Yes.

**Swami:** Confident?

Students: Yes.

**Swami:** But I not seeing confident. See you can hear the voice. She didn't even open her lips. She's not confident. Give me a few questions. Top questions we'll clarify. First before we're starting, today a great man we lost, the Chief Minister of Andhra Pradesh, the

security, he got crashed in the helicopter. And the greatest, highest security officer, his body guard also in the helicopter, and he was my security guard on the day in my wedding time, on the stage. He's there in his blue suit. His name is John Wesley. It's okay. He saved hundreds of millions of people in India, the poor and poverty. We need to send our love and prayers one minute please.

*Everyone prays for John Wesley for a few minutes*

**Swami:** Good. And also today is my brother's birthday and he's not no more, four months is over. It's okay. Good. Baba will take care. He'll take care. We'll take care.

Please carry on madam, go straight to the subject, don't waste the time. Major bullet points first one layer, second layer, third layer, fourth layer, fifth layer we'll complete whole chapter. Night and day we'll work on it. Yes go ahead. Be confident! Are you confident?

Monika T: Yes.

**Swami:** Are you?

Monika T: Yes.

**Swami:** You sure?

Monika T: Yes.

**Swami:** One hundred percent?

Monika T: Yes.

**Swami:** (imitating Monika T's voice) Yes, yes. What yes? YES!

Monika T: YES!

**Swami:** Ah good. Start.

Monika T: Why are the characters like Hitler, Saddam Hussein, Bush acting in society, like that? Is it their ego, power objects – what?

**Swami:** It is the completely power objects and where they're living

the Vaastu place, it's reflecting. Power Objects yes, it's number one. Number two is the Vaastu. I'll explain what type of power objects that will be, and how to operate later on in next session.

Monika T: How to get ghee directly from the cow? What is the mechanism?

**Swami:** That you need to give it - you're the senior most student.

Monika T: Yes, we would like you to tell it.

**Swami:** Tell me.

Monika T: Well, we're thinking it's linking from avadhut's consciousness where all of the Elements are linking to the avadhut acting automatically, and in that state of consciousness, the mind, the soul, the heart are one.

**Swami:** No. Go back, go back to one sentence, again repeat.

Monika T: It's linking to the avadhut consciousness?

**Swami:** What do you mean, the consciousness?

Monika T: The avadhut stage.

**Swami:** What do you mean by avadhut stage? Where you going to link to that?

Monika T: In the avadhut consciousness, the mind, the heart, and the soul are one. When he has a thought, it's implementing automatically, and in his third-eye the fire and air element are strong and operates when the thought happens.

**Swami:** Relaxly speak don't be intense. We're a family. Relaxly speak.

Monika T: So again, it's linking to the avadhut consciousness. His Brahma consciousness is linking the elements automatically. When his thought is implementing, the nature is automatically happening there. He's making the ghee from the milk, and the fire element is implementing.

**Swami:** That's not the answer. I'll give the answer. Every Womb Chakra has a pin code. The cow Womb Chakra you have a pin code. It's shouting, "Don't tell it." It's saying it. You heard it, the cow shouting? Yes, yes, yes, yes, relax, relax, relax, relax. I have to tell no matter what.

Every Womb Chakra has a pin code. If you identify that, always whenever you keep chanting non-stop your personal mantra, then automatically you starting to hearing it - another bijakshra. Non-stop as much as you're really tired, you'll capture it. Done. That's it. Then you use that, your personal mantra and that mantra and link it, chant it, you'll create it... it's not the 'word of the ghee' it's the real nectar can make it wonders. Done. Next.

Monika T: What is the mechanism to create the fire in the water?

**Swami:** It's a lengthy subject. We'll go next that. Next.

Monika T: How to recognize the energy in a power object?

**Swami:** Generally... okay it's a good question. It's a simple technique, it's a power object or not? You put your thumbs on the power object this way. (*Swami shows the tip of his thumbs touching and both thumbs together pressing against the power object.*) and chanting your personal mantra. Without your notice your fingers will go (*push away from the object*). Your thumbs will slip out, for example, a small Shiva lingam. You hold it like that. After you keep chanting your personal mantra it's like kind of magnet, iron magnet. Before it's catching (thumbs), after that disconnecting it (thumbs pushing away). Next? Even a ring, a diamond, anything...

Monika T: What is the mechanism of Lord Venkateshwara turning into stone?

**Swami:** He decided that. He decided it.

Monika T: Swami why did he choose that, to turn into stone instead of a jiva samadhi?

**Swami:** He walked three steps back. Because of, he took as reason to

his two wives and one girlfriend. Then they're fighting. Then, "Okay, I don't care. Now is the time to me to do my work." He walked three steps he jumped up on the top of the hill. Kama is the very dangerous poison. It is essential but it's very poison. You need to use like in a milk pot, a little drop of yogurt. The kama in our body, it's a milk pot, you have to use it very rarely to bring the yogurt. That's indirectly his message. If you look at Lord Venkateshwara Temple, every stone has thousands of prayers, every prayer from the floor to the wall on every rock. Yes it is there. You can see it. Next.

Monika T: How is Lord Venkateshwara's energy implementing now in the Kali Yuga?

**Swami:** High powerfully, any doubt on it? Very high powerfully... He's the maya, he knows how to control the maya. He's a genius on it. Even to the Mother Divine, he knows how to take care. He's only the toppest, expert guy taking care of the Mahamaya under the control.

Monika T: Swami one more question on that. Is that why all the marharshis have to go and have his darshan?

**Swami:** Has to, Baba went, Jesus Christ went, I went, Buddha went - everybody has to have His darshan, otherwise there is no entry way - everybody has...if you want to break the illusions, the Vishnu Maya, Krishna Maya, you have to break that. Through that, hit it. Yes, surrender to his maya. Never knows his maya, but any type of illusions he has a great scissors with him - different equipments. He'll cut it smoothly, "Go." Relief, relief, he'll give that. Next.

Monika T: How is Lord Venkateshwara, and JC's Samadhi linking to shift the consciousness now?

**Swami:** Which hand you like? You have two hands, which hand you really like? This is your hand - that is Jesus hand. This is your both. It's linked to you in the Mother' nature. Jesus Christ is not an ordinary person. He's the most supernatural, highest, powerful healer, highest powerful healer.

Last night, this morning around 5 a.m., I given the healing session. Patrick, are you there? When I threw the garland where did it go? To

the Jesus?

Patrick: Yes.

**Swami:** One small Hong Kong kid, and I given the healing session. All the candles is around, I put that boy in the middle. Sometimes he's jumping up crying, immediately he's calming down, then the garland, just I throwed it from the ground to the Jesus. Exactly he hold it in his arm. His parents were a witness. They're a little distance and they're watching. At the time I got the confident, yes the boy will be good. Yes, it took to me pretty good time. Some more sessions I need to do to the small kid. I'm on my job. One a.m. I wake up and keep working, working, working, then all of sudden, "Yes, let them come." They brought him. Never ever under estimate the divine! Hun-un. Nein. Next.

Monika T: What is the channel to see the physical form in Lord Venkateshwara?

**Swami:** It's a lengthy subject, I'll explain later.

Monika T: What is the hidden power, and how to access the Maha Mula Sri Chakra at Baba's feet?

**Swami:** It's pure Dattakriya - Brahma, Vishnu, Maheshwara - all three characters in one form. Whenever you had a really right deal, right deal, your life is dedicated to the divine, totally, it's called manasa wacha karmana - sattva, tamo, rajo gunas - G.O.D. - Generator, Operator and Destroyer. Yes, even if you call, you didn't call - he'll come to you. You need to be totally surrendered. Done. You need to make a right deal, "Yes, I'm here for entire your service to the humanity, the Mother Nature, I will be loyally and honestly I'm promising and I'm pledging. Yes, I'll be with you." You do your sadhanas - automatically it picks up that energy. You no need to go for his... You want to know, you want to know, you want to know, you want to see Jesus - he'll come to you. God is always real slave to the real devotee. Next.

Monika T: Can you please explain the 350' x 350' Sri Chakra that's buried in the Penukonda earth? You said that you would explain

that.

**Swami:** This is the birth and She's hidden, the Mother Divine, in the Earth in Penukonda. On the day, Lord Krishnadeve Raya had a deal with Her, and 365 temples he builded it, and he pulled tons of maharshis, avadhuts, aghoras, siddhas, saints, healers, Brahmins, all different, different characters of the humanity's people, they generated it. He had a long discussion, and he asked the boon (to the Mother). "And you need to stay here, and whoever does sadhana here, yes, She has to come up, She has to come up and give darshan. Done." Entire in the globe, this is the major power spot of the Mother Divine.

That garland it came from Mary Ma's necklace. Is it true Alexandra W?

Steven K: Yes.

**Swami:** Are you Alexandra W? It went to his feet, "Go." Each flower is you guys in the garland - each flower is you. I'm offering to Baba's feet, "Let everybody get the shower with the divine, your grace. Bless everybody. Each soul is a flower in the garland." It's a first time I'm taking a garland and putting at his feet. I'm also a small flower too, to his big boss feet, like you. Next.

Monika T: How are the aghoras implementing Mother Divine's womb chakra to change Her, to make Her come in a calm, soft way?

**Swami:** It's a purely holy ash, the Shiva energy. Om nakaraya namashivaya, om makaraya namashivaya, om shikaraya namashivaya, om vakaraya namashivaya, om yakaraya namashivaya, om namashivaya. Na Ma Shi Va Ya. Done. Relax. Relax. Relax.

Monika T: To what extent can the aghora's change Her?

**Swami:** To bring the blood pressure come from the 192 to the 0. No problem, it's not a big deal, just chanting that it's enough. Automatically it'll relax. It's already in the Shiva palm leaf, it's existing, you can see that prayer. No problem. No problem.

Monika T: There is very little Air element, and high Earth element in the pyramids. This is preserving the mummies. What is the inner secrecy of the mummies?

**Swami:** See, Om lingastakam needam punyam, yaha patey Shiva sanidhau, Shiva loka mavapnoti, Shivayna saha mogatey... saha mo... 'sa-ha', it's a link there, it's bijakshras.. Gati - final judgment. Once you have the controlling on the air element in your body, if you stop six, seven minutes the breathing system, you're gone. The air has that much power. Here again, I'm coming to your question, your point, it's a purely Shiva energy in the pyramids. Even Manasarovara, the Himalayas, Mt. Kailash, I was there, I spent whole night. I have tons of experiences. Highest... all of sudden we went. One friend is crying not able to breathe whole night. Yes, I stayed, that American guy, good author and good friend, yes, whole night Manasarovara, and that Mt. Kailas, the hill is nothing but the strongest pyramid in the world.

When we're going in the helicopter, from here going 100 meters, that pilots can't able to see the mountains. Huge fog. They're playing, playing, playing... taking moment playing, playing, playing... again taking moment, all Tibetan mountains, such a strong mountain. They're experts. They're really experts. Then we drove 100 kilometers Toyota Land Cruiser. If we look down like one feet down, we don't know how far we're going to fall off. That driver is also expert. It's a great journey. It's a great journey.

Yes, He (Shiva) wants to see us and we saw him. You cannot able to go without a call – anywhere, any divine place. Today you're here. You're only here because of the boss wants to see you. Not me, the boss wants to see you, you're here. Many people they want to come. He keeps dissecting - He's cutting off. Only a few people can come. The maya he'll throw it – they'll be stuck. Even to going to Shirdi, to touch Baba's samadhi, is that a joke? No. Touch his samadhi, no, no. If he wants to see you there, he will hold your leg with a rope, he'll just pull (*shows pulling the rope*) and you're there. I told you one thing, from Bombay with Bob Jones and his family, we flew by helicopter to Shirdi. You're also there, I think?

Monika T: Yes, I was also there.

**Swami:** Then on the return journey they went by helicopter to Bombay, then I'm coming by train. It's a high full, train is full. I have no ticket, "Hey, please." I took the third class compartment. There was no place to sit. No place. Near the toilet I'm sleeping there. Putting my towel and few newspapers and I'm sleeping. One boy, I told you this thing, it's true. He came with the highest strength and peed, and poured it on me. "Gosh, what is? It's a little salty, what is it? What is it? Hey, hey, hey, wait, wait, wait, wait!" Anyhow, he did his job, then two beggar saints, they're smoking their beedies, little cigars, they're smoking and laughing, "This is the real life." I thought, "Baba, I came by helicopter to you, now you put me near the toilet and showering with a small kid 'singing a song' on my face. Thank you."

Then again from Damroomo, I had to had to come here. My car got three tires punctured at a stretch. Then I'm waiting, again I came here and thousands of people are waiting here. All the Indians with a garlands, and I have to give interviews to them. My blood pressure is almost super high, "Ah, Baba, why you're giving this testing to me?" My dress, me, my hairstyle, everything is oooo - forget it. Why I'm saying this, once he's giving the kick-boxing he's expert where he needs to punch. He won't compromise even to me and to you, no chance, "Okay, right, right, right, okay boss." Avadhut, be careful, this is my message here. Next.

Monika T: What is Jesus' connection to the pyramids?

**Swami:** He walked there. He walked there. He walked there, and he kept one power object there that I need to bring it. That's why I asked you before guys, "Let me bring, I need to be my physical body needs to be in Egypt." Until to then I can't able to pull that out. Once I'm there, nine hours my time spending, I can pull it. I can pull it.

Anya went to Bombay and she got my visa in my passport, and everything but some lila running... But anyhow, we'll see one day, very beautiful power object. I'll put in front of you guys, lot of power objects. You'll watch, but I'll choose whenever the right time without

your course finishing, and I'll show the power objects. Next. You only have five minutes left.

Monika T: What is the mechanism happening in the pyramids?

**Swami:** Right now actually, it's helping a lot but that idiot Hitler, damaged lot. And it's okay, but it's helping to the peace and harmony to the globe. Yes. Next.

Monika T: What is the mechanism of the amrita bleeding? Where is it coming from? What is the connection to the divine soul's energy?

**Swami:** It's a lengthy subject, I'll describe later.

Monika T: What is the link between JC's power spot, and the Ala Hala Lingam?

**Swami:** It's a both, equal. What is the link when you cry your tears come? One eye never cry, two eyes always cries. Whenever you're in the sad, two eyes will always cry, very indirectly I'm giving a message, understand? Next - final question.

Monika T: Can you please explain what is meaning and power of the cross?

**Swami:** Ahhh, now you hit it - final bullet. Cross is the yantra. In that yantra is completely Shiva and Shakti energy hidden. Straight one (vertical) is the Mother. Reverse one is the Shiva. Shiva is always like this (shows making 3 lines, Shiva's yantra). He took the vibhutti just he put it. Mother is straight (shows vertical line). Once if you have that, done. If you got well purified, and well clear and charged, if you have it, it's enough - Mother and Father is with you. It's enough.

Thank you. Discuss on it. Go through, again I'll come back, maybe tonight or some time. Good luck.
