Swami: How many questions you prepared Monika T?

Monika T: One thousand questions were submitted, and now (inaudible)

Swami: How many? How many days is left for your Ninety Day Program?

Monika T: It's about twenty-seven days.

Swami: Twenty-seven days is left. Good. Give me a copy. You have copy for you? Go ahead, first question. Everybody have a copy?

Monika T: No Swami.

Swami: Okay. Go ahead.

Monika T: What was the meaning of Baba's saying, "Allah Mallik Ekke?"

Swami: God is One.

Monika T: What is your great lila with Baba? You said he was fifty years older than you. Can you please tell us more your relationship with Baba over the yugas?

Swami: Good friends. Next.

Monika T: Who was the role you were playing in Baba's lifetime? What was your role in Baba's lifetime?

Swami: You're sneaky. Cooking the food and feeding him. Next.

Monika T: How was Baba operating as your master then?

Swami: Once if you respect everybody's a master.

Monika T: Swami, can you talk about Baba as a Sapta Rishi?

Swami: Yes, he's a purely Sapta Rishi.

Monika T: What was Baba's name?

Swami: Bruga Maharshi.

Monika T: Bruga Maharshi?

Swami: Yes.

Monika T: And yours?

Swami: No comment.

Monika T: What is the role of the Sapta Rishis?

Swami: Even commanding on the Brahma, Vishnu, Maheswara, Lakshmi, Durga, Saraswati... who really can control to Mahakali.

Monika T: Can you tell us about some of Baba's incarnations?

Swami: Pure Dattatreya. Dattatreya always is existed. It's not the one incarnation. Next.

Monika T: Who is Venkusa?

Swami: One of the Sapta Rishis. Next.

Monika T: Where will Baba be born next?

Swami: In America.

Monika T: What is the mechanism that Baba used to turn his austerities into the four flames?

Swami: That's his power spot, like what you have your power spot in Dwarkamai, in this ground. Once if you have your power spot you have to visit there every lifetime. It means, before I mentioned you, maybe's already your power spot already existed here, that's why you visited here. For example, if you're stealing \$10,000 from somebody. You cheated somebody in this lifetime,

you have to be born again to pay that back. That's called ruuna grastadu... in this dharma commentary, whatever we done it.

Monika T: Why was Baba always wearing a scarf?

Swami: He's having a special leaves on his head. Baba's a little bald head. He's going to take a stick you know? You're keep punching him. Next.

Monika T: What was the significance of Baba only using his Brahma Consciousness and not his third eye?

Swami: Give me example.

Monika T: Well, you said that he used his Brahma Consciousness, not his 3rd-eye.

Swami: Not necessary. Whenever it is, the roof is falling off, somebody's going to beating him, at the time, he used in a beautiful way. Next.

Monika T: Baba used the fire to burn karmas and do his Surya Nadi process. What was he creating with the Surya Nadi process?

Swami: The Surya Nadi process is the link with the Dauti Yoga, and he's discharging all the karmas in the dhuni. After he discharged, that holy ash is completely turning to highest positive ash. Even, dhuni in front of the Baba there, is highest powerful ash. Next.

Monika T: What is the best way for us to utilize Baba's austerity power from the four flames?

Swami: Just to be surrendered to his lilas. Next.

Monika T: Baba did not receive the knowledge directly from his master. He did seva. How did he receive the knowledge later in his life?

Swami: His master transferred the energy to the Baba and he given the power object, the brick. That's enough. That's enough.

Monika T: Jesus' eleventh stroke with the Mother was at the crucifixion. Baba's eleventh stroke with the Mother was while he was taking maha samadhi. What is the mechanism why they're postponing the final stroke with the Mother until the very end?

Swami: I'll explain later. Next.

Monika T: Which form of the Mother did Baba merge with and why?

Swami: You'll see. You'll have the experience guys. Next.

Monika T: What was Baba's involvement at the crucifixion?

Swami: He also walked with Jesus after his crucifixion to carrying his body to India. Next.

Monika T: What was Baba's role in Jesus' life during that time?

Swami: We're all classmates.

Monika T: Can you please give us the process to see Baba's living form in the murti?

Mantra for seeing Baba live in his murti

Swami: **Om dam dam dam,**
 Dattatreya,
 ananta Dattatreya,
 neytra Dattatreya,
 darshamo, darshamaam, darshamaam.

Monika T: Thank you Swami. What is significance of Baba becoming a 'gold man' now?

Swami: He don't care. He don't care. It's a part of his lila. In my office just now, I fixed the huge sandalwood, almost all three tons of the sandalwood onto the Hanuman, straight, with the gold and the diamonds. Whenever I'm sleeping in front of the Hanuman feet too, everyday it's smelling, the sandalwood. Even after me, let that sandalwood keep flow. You'll see very soon. Next.

Monika T: Baba is a pure Shiva avatar. How is he playing with the Vishnu energies?

Swami: Shiva have a special boon from the Mother Divine, Her third-eye. So anybody in this planet, including the Mother, has to listen to the Shiva because of his third-eye is that much power. Next.

Monika T: Please bless us with the pin code to Baba's Samadhi and power spot.

Baba's Samadhi and Power Spot Pin Codes:

Swami: **Om nam nam nam**
 nimba vruksha
 Your personal mantra
 sadguru Datta
 raksha raksha raksha

Nimba vruksha means it's a kind of kalpa vruksha... the same time neem tree. In the *namashivaya*, *nam nam nam*, three characters is involved with there. You done? Good.

Monika T: No, we have one question Swami.

Swami: It's okay. You can go start your bhajans. And every night, around the Dwarkamai have the nine flames. Keep make it do the pradakshana for one hour and let the nine flames put in the dhuni. And on the slates completely, whatever I given the certain upadeshs, keep chanting as much as you can. By 1:30, 2 a.m. then stop it, go and take a sleep. And even though you're a little sick, try to come to Baba abhishek, and have some water on your head. Let your Brahma Consciousness started to waken up. Okay? Good luck, have a nice time.
