Swami's Ninety-Day JC Program
 Swami Marries Terry and Cindy and Sings Poetry
 Talk in the Baba Temple
 October 1, 2010

Swami entered the Temple from His downstairs room with Cindy and Terry following.

Swami: A Beautiful Couple is coming! Good, Good, Good! Sorry to be giving this type of surprise!

Swami married Cindy and Terry. Paul was the priest. Everybody chanted the Intro mantras followed by Gayatri mantra. Some musicians played drums and guitar. After the wedding was final Hans sang Swagatam Krishna. Swami talked to Hans about the music afterwards as follows.

Swami: Good, good, good, 99.9% you came on the track. You know which raga you played? Vishwa Raga, Sha, swa - sharanagatam su swagatam, sha, sha. Whenever it is mixed it, then you need to be very careful in the rhythms. Your beats need to be equal to your frequency. That's called vishwa raga. It's not mohan raga. You're pushing sharanaagatam krishna. Swagatam, again you're pushing there. Either one you need to make it down. If you take it two axis same speed, no. No. No. It's okay, we'll

talk about it later. Just a few minutes I want to talk, subject content is the love - the bond.

There is many kind of protections I saw it. I saw in sense of I observed in the thousands of people. A true friend can stand for you no matter what, that is important. I know Terry more than ten years. He did it like a father, like a mother, like a brother, like a Godfather and I had a deal with him, how many years back that is?

Terry: 2000, 1999 or 2000.

Swami: 2000, 99 or 2000. If I got sick, rest of my life he need to take care of me. Rest of my life, if you got sick, any problem come, I have to take care of him - that we have that agreement, agreement in sense love affection. We both have, very open. Cindy also since from my earlier days, she's keep working. I went to Laytonville, her house, Cindy' house. How many minutes I stayed there, maximum?

Cindy: 30 minutes, it wasn't long, 30 minutes.

Swami: 30 minutes. I don't think so I even had a glass of water there? I drank anything?

Cindy: I don't remember that, no.

Swami: In her house, backside I performed a little fire puja, her husband is sick. What I given to him?

Cindy: Some ash.

Swami: I poured some ash to his hand, just I'm jumping in the car, just I poured it, I blessed it and I'm looked at the Cindy face, so depression. Poor girl, yes, she did unbelievable service. Even until today, night and day she's working. Any time if I call, "Yes

Swami, what can I do for you?" Even I'm in Germany, I'm in American, I'm in Chennai, Hyderabad, in Bangalore, even I'm here in the Northeast, Cindy? "Yes Swami, what can I do for you?" What can I do for you? What is this, this, this, this, this... Sometimes she cannot understand me. I'm in a different mood. Early morning, generally I have the boiling juice come out, throwing up and little time relaxing, then again I'm pretty good okay, no problem. Whole night yes, I can be sharp, no problem.

Pretty good, the good working hard but Terry yes, his wife, he have his own problem before. It is a bad news, and uh at least now, today they're together. I don't know his wife before Elaina, but he's a little tricky guy. Terry is a tricky guy. I'm sorry Terry, it's not tricky, not in bad way, I appreciate you're sense of humor. Because of, we knew each others since almost ten years is over.

Love. Love meaning is one part if you took the negative way L-O-V-E - Loss Of Valuable Education, another part it is the nectar to give to you to making you wake up. Without love you cannot do anything in the planet. True Love. True? Love. In my car, whenever going on the journeys Terry is sitting, Cindy also is sitting, I keep observing them, but I am in a sleeping mood, but keep observing their signals. Okay, okay, okay, okay, okay, okay, okay, okay. It's not today, it's not tonight I caught them, since years together I keep observing it. Years together I'm observing it. I took the Terry's feet, ok, he put it on my lap, ok. I grabbed his foot and I put it on my lap. It's not a big van, it's a small car. How many people we travel?

Terry: Seven.

Swami: Seven people in that car. Okay, anyhow yes Terry, "Ok, give your legs, ok," I put it on my lap. Yes? true?

Terry: Yes.

Swami: Okay, I putted his legs on my lap, "Okay, right." He's sleeping. Right, "Sleep, sleep, sleep, sleep..." Whenever you care it should be true love, otherwise it's not a care. If you care you have to share, otherwise there is no meaning of the true

friendship. If you care? you have to share. Whenever you care, it should be true love, otherwise it's not a care. It's not one-day service - forever and ever, true friendship. Why I'm saying this, you all guys try to be care and share, and communicate in all angles in the prompt way. Win the Sathya, Dharma, Shanti, with Prema you can win everything. In front of the Prema, love, everything will work out. Wherever is the true love is there, no negative, even any small evil energy cannot enter - no chance. Excuse me, no. No chance.

That true love, no need to play artificial... True love... Sometimes I'm in a different mood, sometimes I'm aggressive, I'm screaming, it's not a negative way, I'm getting the crazy evil energies, whatever is around you, I'm kicking that out. I don't have any bad intention on you guys. No. Sorry, excuse me, if anybody misunderstood - no, absolutely not.

Many people think many things, positive and negative - natural. But today is my message final, this late early morning hours. Be your group as a unity - true love. Your husband is not true love until if you're beauty goes, your husband is with you. Sorry guys, forgive me. Some woman, they have security, insecure feelings, they keep chasing, want they have some security. Where is the security? Where is security?

Birte brings the bill, "Swami we need to pay to the Ballal Hotel this much bill, dhaba bill, this bill, that bill." Take care, take care, take care, take care... Whenever they comes in my office, ok, please have a chair. First have a chair, have some diet coke, relax, take care, go - everything, clear out, clear out, clear out, clear out, clear out.

Why I am saying this, Terry is not a joke. Cindy is not a joke. I know they little feel, little uncomfortable but 'hats off' to the Sherry, she immediately prepared the Sari and all, first I don't know how to fix the Sari, then hun-un, uh-uh. She have underneath like my dress style, underneath and uh, Sherry, "Swami I'll take care." Then Paul, he take care the Terry. "That is my dress. Hey, you need to give 10,000 rupees!" Today I wanted... I give it to you. You should collect 10,000 rupees tomorrow morning. In my office, just I came out... they're speaking like this much close, like this much close. (inches) It's like a power object. (*Crowd laughs.*) I open my door, they're speaking like this much close. It's a power object, it's catching or

it's disconnecting it? Now it's getting... from here, oh my God, wait, wait, wait, wait, wait, wait, wait! It's getting close, uh-oh. Have... no chance! Paul are you watch?

Paul: I was watching it before you came out.

Swami: Ah, before I came out you're watching. You're a witness?

Paul: Witness.

Swami: Be truthful.

Paul: It's true. They were talking close, yes.

Swami: Ah, it's enough hah? Then we're hurry. Yes, let it fix it. I'm working on my book and reading, and the lense, and putting it and reading the leaves and working on my book - working, working, working, working... Just I want to go bathroom, and just I open door, and there, and just I watch, and they're like this, this, this, it's coming this, this, this - Oooh, ooooh... Ah-ha! Immediately I caught them - no chance. Get close - make a bond. This is the James Spiritual Bond decision - Spiritual Bond - Spiritual James Bond. Once the spiritual James bond took the decision, I'm sorry... Once I took the my decision, I won't listen myself too - that's my habit. If I took decision, it's over. Is it true Cindy?

Cindy: Yes, very true.

Swami: See, she's agreeing it. It means, and she's asking, and in the climax moment also, she want to bribe to me, bribing. Are you asked the bribing?

Cindy: Yes, yes.

Swami: See, she offered something bribing. Swami I'll bribe you, this, this, this... "Shut up. What? Who cares you bribes? You're giving your bribing to me?" There is five more characters very soon I'm putting, I got the information in front of the canteen in the garden, and there, and there, and there, and there... I'm sorry, yes, I'll take it with evidence, with evidence I'll take it. I'll fix it. Fix it means, marriage - Furt. Cindy is very possessive. Are you?

Cindy: Yes.

Swami: See! Now Terry cannot talk to any woman unnecessarily. Aah-uh. Please, very careful you know, whenever you're speaking with the Terry, be carefully you talk. If the Cindy is not there, then he can speak. Of course, Terry knows how to speak to you girls. He's expert on it. I putted on my divan cot and I, "Hey Terry, hey, hey, hey, hey. He's (makes wining sound.) No, no, no. Finally, okay, okay, okay." "I don't like this dress. I want that red shirt. I want this shirt." "Okay, wear whatever you want, wear it." It's a joyful. Life is short - make it sweet. Life is?

Students: Short.

Swami: Make it? Sweet. Give your life as a message one day to the universe through your knowledge, and your information, and your technology whatever you learned. I know Eddy is thinking, "Oh my God Swami! What you did to my life too. At least today I have one more friend. I can have a cup of tea tomorrow morning with the Terry." Eddy and Terry - rrick, rrick, kick. I'm sorry, I'm not responsible, I don't know anything. Hello? No, the Bhagawan decided, they got it, Guruparampara decided - they got matched.

Okay Myuri, next you, ah-haa... I know your boyfriend, excuse me. Mmm-hmm. Clear information is there. Hah?

Myuri: Oh yeah, right.

Swami: Yes, yes, yes, yes, yes. Don't worry, within this course program finish.

Myuri: Nooo way!

Swami: Who say, "Noo way?" If I say so, it will happen soooo, nooo way, ah? You speaking to the Guruparamparas ha? No way. Cindy don't know three hours back that she's getting marrying. She don't know. Once I went upstairs I need some special security force between both guys. They need to go to their room. Ethan - Hello? Are you sleeping?

Ethan: No.

Swami: You cancel Cindy room and you fix with the Terry room, okay? Paul and a few guys, you take care. All Cindy luggage is going to Terry's apartment. Ted is there? Doesn't matter, wherever you stay, she will stay, okay? In this age, this is the age of exchanging of the feelings. If you are engaged youth, something, of course your youth... Taking care of each others is important. Even two, three hours Navya comes, she played with me. Shilpa come and she feeded to me, then she goes - that is Gurustaastama.

All Saptarishi's, all Saptarishi's they're all married. Rama is married. Brahma is married. Vishnu is married. Marriage is not a crime. Lord Ganesh is married. Hanuman had a kid. Lord Hanuman had a kid. Yeah. You read the Hanuman charitra; Hanuman had a kid a part, by part, Virabrahmahendra. Whatever the Ann she write up on all the samadhi's, Jiva samadhi's, different different samadhi's, it is pretty good length subject I need to go. Beginning - alphabet stew, then complete a chapter. It's not a crime. Jesus Christ is married. Buddha is married. Marriage is not a crime. To get a enlightenment, if you are not married, you are not eligible to get the enlightenment - period. I will show clear evidence.

A sannyasi, he won't win it. Sannyasi means sannasi. Sannasi means waste fellow even though he's a sannyasi. Sannyasi is wearing the orange robe, hairstyle, all wrinkle, wrinkle, hairs, ash - that is sannyasi. He cannot get enlightenment. Excuse me, nope. He's a Sannasi, sannasi means, San nya nya, san na si, san nya si. Hera ya na. In Telugu, in the Sanskrit, clearly in *Shiva's Purana*,

last chapter is written by there with Vedamaharshi. Vedamaharashi. Veda viersa – yes he married. He written four *Vedas*, yantra, tantra, mantra sarva shakti swarupadu. Veda viasadu. Sarva shastras swarupadu. Agnyana shakti. Gyana avadhuta. Dhuta lakay mahaa dhuta. Adhuuta chapindi yeroja sastra. Ashastra sampudanarulidu brahma neykalam.

Respect the woman. Take care the woman Womb Chakra. Bring the knowledge through the Womb Chakra, how to bring the healing power through Womb Chakra on the consciousness stage of through Womb Chakra. It's a sensitive chapter. I need to be very, very, very, clarity to put presentation to give in front of you. I'm waiting. I know I wasted fifteen, twenty days time but I know how to catch up that time. The same Rama in Treyta Yuga, he had one wife. At the time he had a doubt. Rama had a?

Students: Doubt.

Swami: Doubt on his wife. If his wife got a doubted on him, there is no love, again next in Dwarpa Yuga, the same Rama, he had eighteen wives, sixteen thousand girlfriends. Was it the fair? Is it fair? Sathya Dharma, lord Krishna, one of his wife, she kicked his crown, the crown is fall off. Then he jump and she brought his crown, and he fixed it, little reverse way, and again he's begging her, again giving a massage to her feet. Giving a massage in sense, maybe you kicked very badly to the crown, maybe your leg got maybe damage, I want to give massage. Tricky way.

She had a fighting, "You went to another Rupini house!" His another wife, Rupini. She is greatest devotee and good wife to Lord Krishna, and he is keep giving massage, Lord Krishna, yes in *Krishna Purana* read it. Paul, try to make a one library here, in our center. Put a library, all the books, all type of books available. They can keep go whenever they have free time, they can keep go, and read it. It's a lot of information.

Magdalene, to the boss the Jesus Christ, she got highest infection, she is a prostitute - very beautiful. Her date of birth is November 7th. Twenty-seven years old she came, "Please cure my disease." He cured and he got married, of course he had a kids. He had a kids, yes, yes, yes, yes, yes, yes, yes he had a kids. He married her but he didn't listen her words. That is the problems came. It got

break, the bridge is broken, again the bridge is almost all 99.9% finished. Point 1%, once it get done, flow. It will flow. No doubt on it. It 100% it will flow. One day you are guys, soldiers in the planet. I will be somewhere, or nowhere, might be here; could not be here but I don't think so the almighty will exist that much force once I given to your hands, then you take care it. Many people have a confusion, only Elephant Group, Elephant Group, Senior Students, Senior Students, what about early students? Every student is my heart - every person is my beat, heartbeat. Who keep criticizing on me, I love them. I'm happy. Who keep putting the garlands, I love them too. It's not the right . . .

Side discussion with Terry happens

Swami: Don't worry Myuri. Don't worry, don't worry, uh-uh, ha ha, don't worry, don't worry brain is ready, not my brain, Brian. He's sitting all the way back and listening. Why he need to come at two am to your room? Hah-Ah? It's okay, I didn't say anything, I didn't say anything. It's their job. They'll get together and walk together, I hope so, but they will do so, but they have to do so, it's order to do so. Once order happens so, it will become perfect, so... Okay, where we are?

Monika: You're talking about Mary Magdalene...

Swami: It will come, it will come, the knowledge, I don't think so. I told it many years back, I told it in the Agape Church, I don't think so I'm coming that often to the America. You guys need to take care. Even to Germany, excuse me - I don't think so... Doesn't matter which citizenship I have it, Residency Permit I have it. Before, the Japan government given the residency to me. I gave up. Once I'm giving handoff to them, they're shocked, "You sure? Please think one more time. Think one more time. Think one more time." "No, take it. No. No. Take it, out." They gave the green card, Japan green card, "No, take it." They given, after one and a half, two years later, again I handle it? "Here take it, take it, give it to the students. Just I come, I gave my talk, I take off. That's it."

Germany, they given it, least bother. My bother is only working on the Boss' life. First subject, then I keep go if I have the time. Twelve years back I started, many people hurted me, especially the westerners. In sense of, they steal pretty good information, the books. Cindy knows it, Monika knows it, Philip knows it, Clint knows it, Paul knows it - they stealed it - very beautiful information, huge books, lengthy books they stealed it. They promised they're going to give it, after that they're saying, "We're doing the house remodeling, we don't know where we putted it."

On the days I am a nothing, nothing in sense, in front of their hands I am a peanut. "Ok, great." But one great thing is, that Las Vegas, that woman, Chinello what her name? Nefertiti. She brought the book all the way from America. Again she handed it over to me, "Hats off to her. Hats off." She brought it all the way from America and she came to Penukonda all the way to my gate, and she handed it to me, "Swami, this is your book." I put that book in Minneapolis State in South Dakota. From Los Angeles, I need to take off to Minneapolis to the South Dakota, "Nefertiti, can you come with me?" She said, "Yes, I'll come, I don't have a ticket." On the spot, within five, ten minutes I purchased a ticket and she is with me. We flew together, somebody brought the book, and I handed the book, "You keep it Nefertiti." After many, many, years later, she brought it here. Such a honest woman, yes she is a honest woman. Give a clap to her. (Everybody claps.)

Yes, she brought it. Even though she is coming, traveling Egypt and she is coming here, and whatever she is doing, her travels, whatever. "Okay, you keep go." And she brought it with a crystal lotus flower. It is in my desk, on my table set. I kept it there as a memory of the honesty, a memory of the honesty, that is important. If there is no honesty, it is a waste of the life. It's a waste of the life. Huge book, palm leaf book, huge, she brought it and she put it in my hand. "Swami, this is your property. I'm giving to your hands you take care." That type of students, clarity students, 'do or die,' stand for the Guruparampara and the truth, for the truth.

Yes, the master will also first stand in front of you. He'll definitely stand, the Guruparampara. If something, if I given, if I put a presentation to you, I don't know what the people will drive them mentally crazy. I'm not panic, I'm worrying about your unstable consciousness. With your bad habits and your implement, if you

are honesty you have a right you can criticize on me. If you are not honest, everything is not honest in your life. If you wear the black glasses, everything black. If you wear the green glasses, sunglasses, everything is green. If you wear the white, it's a white. If you wear the yellow, everything is yellow. The way of you look, how you look at the world, the world will like in front of you. First you need to change, then you can be, expect somebody need to be change. Doesn't matter it is a master, doesn't matter whoever it is, your friends, your wife, whoever it is. My Dear Divine Souls, win through love. First you be in love, then love will be in you, then you'll turn as a love, then you can create around you the love. If there is no love nectar in you, there is no use for your life. A body-to-body marriage is normal phenomena, a love - immortal.

Swami sings:

*aatma parishudha aatma telesukura prem antaraatma
antaraatmaluniundi jiva aatma hajirudaay aartamujapay paramaarta
paramaarta luniundiarta, artamukaanee uuanarta anartakaruda mukarta
morkapuluniundinee swasa aswasa luuni telusukuura viswa raksha
udiyeranaa*

This is enough, if you can translate it. It is there. I can't translate right now, but you try it.

Swami sings again:

*Yoogulu aguurulu swasalu guruvulu swamulu mahaa paramaatmulu
shakti sathya dharma prema nu, aarta mukaarka,
vijakshinaaraheyttamuurgaa chesukuuntunarura anavasura
apaaradakumbhamehlanu ameylaaluniundiraa samaylanamu
samohamamuluniundiraa akumbhajmelaluni antarguraartamu
guudamulunidhagamdira paramarahasemu adi savignyamay telusukoora
yerina*

I don't think so nobody understood this, un-hun. Yes. Let it translate it. Make it in for good, good, good. Pretty much time I took it. Pretty much? time... okay Paul, give the arathi to the Baba. Stand up.

Everybody sang the arathi song.

Swami: Good night guys.

Students: Thank you Swami.

Swami: Take care!

Everybody gave a round of applause to Swami and the new couple as they left the temple.
