**Swami Answers Questions on the Womb Chakra**  
**Talk in the Baba Temple**  
**October 1, 2010**

*Swami came down to bhajans. He worked with Gustavo on his music. We did arathi to Baba before Swami started his talk.*

**Swami:** Okay Monika T, don't waste the time. Go in the subject, I'll give the thirty minutes time to you. Go major confusion points. First complete one layer the major, major points - we'll take care of that.

Monika T: Ok. Major point is on Womb Chakra. Some confusion is there. What happens to the soul when it's going back to the point it was created in the mother's womb?

**Swami:** Give me example please.

Monika T: You say it's very important to go back to the experience in the mother's womb, at the point you were created, why is that important?

**Swami:** Give me example, you're not answering my point.

Monika T: The soul is created in the mother's womb, the divine mother's womb.

**Swami:** That's natural; everybody knows that. Give me example. If you give example, then I will go into the subject. Your standard is different, and new students is there, and many people will get confused, give me example clear.

Monika T: To have the experience of going back to the point when your soul was created, the very first point, and that point is in the divine mother's womb. It's important to go back to that experience. Why is it important to go back?

**Swami:** I asked you give me the example, give me example. It's not my question, it's everybody's question. Isn't it?

Students: Yes.

**Swami:** Give me example, then I will enter. Whenever you raise a question you need to be clarity, then I'll come up. You talk Womb Chakra don't change the subject.

Monika T: No, I'm not changing the subject.

**Swami:** Okay, go ahead.

Monika T: I don't know how to describe that Swami, it's important for each person to understand the point...

**Swami:** Means tons of examples there. Already in 1999, in Malligi Hotel November 2nd, in front of swimming pool, the garden I talked on that. In Hospet in Hampi, already I given the clear examples.

Don't underestimate my memory. You can go in AV room, took the November 2nd, it's there at 4pm. You all guys is sitting, I talked, not all, few students is sitting, I talked. Myuri, you remember?

Myuri: Yes, I remember...

**Swami:** You check it. If it is not there I'll give you one million dollar check, or tomorrow night is your wedding.... Okay, you tell, give the example, Womb Chakra, then we'll talk on it.

Monika T: Okay, so the example is me. If I go back to the point when my soul was created in the mother's womb, if I can have that experience what will happen to me?

**Swami:** You're not coming in a right track, anyhow, I'll give one or two examples, then we'll go in the subject that. For example, whole Mahabharata, Kauravas, they're all test tube babies - mother who generated a soul. Mother is the key person to the soul, can command, and demand, and dictate, and be determined with the high devotion. Can make it things, impossible things to make it possible, point one.

Point two, at the time of she is giving a birth, the baby is keep making a movements in the mother womb. At that time, if she is really satisfied and happily with no tears, whatever she sucked the, the divine parts went to that kid to be as a strongest divine soul in the planet. One million percent that kid will come out like that.

Point three, whenever the third month is crossed the mother, if she keeps chanting Nine Arrows and Bhagawati Gayatri Mantra, Nine Arrows must, Gayatri Mantra the pronunciation need to be accurate. Om bhur bhuva suvaha tatsavitur varenyam "renyam" bhargo devasiya dhi mahi dhiyoyoo naha "ha" prachodayat ya tt "yat". Om bhur bhuva suvaha tatsavitur varenyam bhargo devasiya dhi mahi dhiyoyoo naha prachodayat. Ya, maya, that ya she's pulling it, no maya can it, it, no illusion can hit it to the baby. The whole universe, tons of the bosses like a Jesus Christ will come out, strongest healers, automatically the mother has to be as a slave.

Another final point, in the Womb Chakra, everybody has to experience. Monika T, she's asking what will happen, why we need

to go in the Womb Chakra? Generally it's a merging in the divine creation. Merging in the divine creation is nothing but a merging with the mother divine. You are with the holy mother, the whole universe is your mother, the whole creation is your mother. That mother created your mother, that mother created you. Your mother also need to go there. She is a bridge between the nature and to you.

If you cheated your mother, if you are responsible for her tears, you cannot win on love. In her Womb Chakra, love in sense Womb Chakra. First Gods, father, mother, doesn't matter what are their characters, qualities, their affairs it's none of your business. No, it's none of your business. They given birth to you. You should not give a pain to them. If you keep giving a pain in the layer of the Womb Chakra it keep is cutting off, again to refill it, it takes a minimum of one hundred years one layer.

I tried, I don't want to get married. I tried, and tried, and tried... with the Cyndria and Anya is there in the office with me, almost nine, ten years, lot of photos my mother bringing to me, the girl photos. "How is she? You like her?" and some girls they come in front of me. I go there different, different, places, because of, to the mother...and simply looking it, "Ah good." And, "Yes, okay, I'll call, I'll tell later." Then I'll get their information, their phone numbers, again I'm calling, "Swami is very bad character, no, your life will be ruined!" this, this, myself cancelling it. But my mother don't know that. She don't know that, and that lot of girls, they say, "No, I don't like Swami, no, no, no, no!"

I personally, I'm writing with my left hand, writing letters, "He is very crazy. He is this, this, this, this," and I'm posting it. And I'm calling and, "When is our marriage this, this?" She said, "No, I don't like you!" Hang up, click. Ah, thank you Baba, thank you Baba, but one day my mother caught me, she caught it. Even I did with my wife Shilpa - no games, finally it sticks. My father, my law-sister, she's carrying five months baby in her stomach, they went both together to the Shilpa' house. True, you can ask the Shilpa. They went, "Did you receive any post?" First question. "Yah, your son is very bad, something I received it." "Ah-ha, can I see it?" My father is very clarity into that person. "Any phone calls came?" "Yes, somebody called and is telling crazy things about him." "Is it a woman or man?" "A woman is called." I put one of my classmate called, do this, do this, do this, tell these things, "Yes, ah-ha, okay." "That all is his game, now we'll play."

My father he called from Shilpa' house. At the time I'm in a different mood. Simply I'm talking here, "You like Shilpa? Okay fine." Good, good, good, good, my sister, yes, good, good, good, good, good, good. Then, he read the letter, "This, this, this, this, this," somebody mailed it to Shilpa. Then my stupid thing is, I smiled, I caught it, I got caught - finished. They fixed it December 31 until to Christmas the program is running, and January 2nd is wedding – Hooo, and arrangements and everything, it's like a whole villages, and everybody entered, and it's like a big festival, and my father in law he came and he's asking, "Do you have a fear about the marriage?" Of course marriage is a good, but it is a bond. To the James Bond, that another bond...

Okay right, I'm happy, totally surrendered, I escaped for ten years. Why I'm saying this, if the Guru Parampara decided... you cannot escape it. If Baba decided, he made it, I put one condition in my wedding, there is a beautiful decoration there in the garden, big stadium and everything, I said, "No, He need to watch, I want to marry in front of His door outside." There are thousands of people, I want, he need to look at it, yes, and he's smiling, he's smiling. Okay done, your life is finished.

You need to... again I'm coming to the subject. Parents' pain, if you care it – ninety percent you got enlightenment. It is equal to one million homas if you make them happy. If you're not respecting the elders, you are a criminals. One day you'll get old. If I'm alive, I'll also get old. Baba got also old. We need to respect, even though they're speaking unnecessary things, but yes okay, maybe you like it, you don't like it, but keep them happy, the bridge is clear to merge in the Divine Consciousness, the consciousness in the sense of in the Womb Chakra. It will boost up, the nectar will flow in you. You'll automatically receive that.

If the parents keep crying, you cannot win it, anything. First who is the responsible to make you to come on this planet, first think on them, then think God...Mata Pita, Guru Deva - first mother, father, next Guru, next God. God is the fourth person, guru is the third person, first two characters is the parents. Whenever you win the parents heart – done, you automatically merge in the nature, the nature in the sense of the Mother Divine creation, in her Womb Chakra. It is important. It is most important thing. Parents is, they're real Gods. They're real Gods. No Swami, my father have three wives - it's okay. My wife crazy, I'm disturbed... You keep your parents

happy, they'll be happy, they in sense that Divine Consciousness of the angels will be happy. Why you unnecessarily, you think about... you have no right to give the judgment on the parents - no. I personally invited Tatyana parents from Germany to India, to the ashram. Muddy, your parents came?

Tatyana: Yes, they came.

**Swami:** Huh?

Tatyana: Yes, they came.

**Swami:** Who paid their tickets?

Tatyana: They paid their tickets, but you offered them to pay the tickets.

**Swami:** They went happily or what?

Tatyana: Very happy Swami, very, very, happy. When they left for the airport my father had tears in his eyes, and they were both very, very, happy.

**Swami:** I spoke to them in a very, very, gentle way, actually when I'm in Frankfurt, in Kepinski Hotel - many days I stayed there, many times. It's a little distant one-hour maximum drive I think. One hour?

Tatyana: Yes one hour approximately.

**Swami:** I can go there but no time and exhausted, lot of work, and my works is running, running, running, running. The works in sense of my book, and keep working, nonstop working. And I want to see how they really look. Only I look their pictures but let them see it,

and let them have a some interaction. They're very pleasant people, very pleasant people. Tatyana is so lucky. They are not like my mother-in-law Jayma. Uh-ha don't say that, anyhow. She's okay, different style, but she really cares about everybody. She don't have any bad intention, first she want to be number one. If I say you are number one, she's really happy. Who cares I'm number two, number three, number five, one hundred... Why I'm saying this, to make the elders happy, and put them in the mental peace - relax. If your mother Womb Chakra is relaxed, your Womb Chakra is generated. Let know this point - if your mother is relaxed, your Womb Chakra is increased. Don't think it is a lady or gents, yes - everybody. Yes, the Mother Divine is your servant.

Next step, Lord Rama, Bhagawan Rama in Treyta Yuga, one word Desahradamahaaraj, his father he said, "Go forest." No next word. He walked out. "Okay, I'll go father. How many years?" "Go for twelve years." "Okay father I'll go." He took his crown, everything, he removed it. He put little small cloths on his body. Whenever he is going, his wife Sita catched his feet say, "No, my husband, I will also walk with you, no matter what. If you are thirsty I'll be also thirsty. If you are eating whatever it is, any fruits in the forest, I'll eat also the same thing, the fruit in the forest."

They're both walking, then Rama brother Lakshmana, he caught it, "No brother. I will also come, without you I will also stay. I don't want this, the kingdom, this emperorism, this all I don't like it. Only you I want it - I want to take care of you." The three guys they walked. They went in the forest. The whole *Ramayana* is there. Which means if you love, attachment, a dedication, a wife means a true wife is a Sita, true blood brothers is Rama and Lakshmana - that dedication need to come. If you don't have that type of dedication it is a dangerous your happiness. Once you got dedicated, done, that's it.

Again I'm coming here, subject, so your mother, where you first came, her Womb Chakra, whenever you created her Womb Chakra strongly and powerfully. Yes, automatically you will merge in the enlightenment, in the consciousness of the divine devotion, in all aspects - the healing powers, capabilities, clarity, consciousness level. Everything will open, Brahma Consciousness automatically it will come. I made you to write down lot of Womb Chakras and make it keep burning. It's indirect mechanism to make, your mother is alive or not, somewhere she is there, she is existing or not, but somewhere

she is there. It automatically makes her happy, then automatically you are powerful, that's it. Are you satisfied?

Monika T: Yes, Swami, thank you.

**Swami:** "Yes, Swami" You're thinking about your mother. (Something inaudible) When you saw her, your mother?

Monika T: Three months back.

**Swami:** She's happy with you? Be honest.

Monika T: She's missing me Swami.

**Swami:** Jerry, fix the ticket to her and she'll go.

Monika T: No Swami I can't go.

**Swami:** Why?

Monika T: Because I want to be here.

**Swami:** Fix the ticket huh she'll go... She's happy, don't worry. Okay Next.

Monika T: Thank you. A mother is creating five kids. Each kid is going in a different direction. Who is really creating the direction? Is the womb chakra creating the direction, or the Mother's consciousness giving the direction?

**Swami:** Consciousness. Consciousness. Next.

Monika T: Swami, can you explain a little bit more about what that means the consciousness is giving the direction?

**Swami:** It is the Divine Consciousness is diverting different, different people. If the mother have five kids...each one kid is a scientist, one kid is a robber, one kid is a teacher, one kid is a philosopher, one kid is a normal farmer. It is only the Divine Consciousness' creation. Final question. Done.

Monika T: Swami, you called the Sri Chakra the Womb Chakra and also said there is the Universal Womb Chakra. Can you please clarify this point for us?

**Swami:** Nah, it takes a pretty good time because I need to first draw that and explain different points, then yantras I need to draw, and I need to show where is this point, powers pot in each chakra is there. Everybody has to learn all the chakras. Sri Chakra, Womb Chakra, Shiva Chakra, all...Sudarshana Chakra – everything, everybody has to learn it. In a very soon, in a few days I'll give the program, then you come with one eye here, I come up.

Yes, here the point – power spot. Whole temple is not a power; one place is a power spot. If you saw the Sri, that Kalahasti, Sri Kalahasti, gigantic temple, only one place is a power spot. Done. Temple is big. Here our temple is pretty beautiful, I hope but power spot is a different place there. Whatever Baba's, underneath his leg and his feet, underneath something there, which is three inches, two centimeters. Sorry Boss...that is underneath is there, something powerful spot. Under this marble thousands of crystals there, hundreds of thousands of crystals, whole this Mandir. The crystals is highly purified with lot of unbelievable rivers' washing. Blessed by many, many, many, powerful characters. It's a buried it, whole this area. Then the marbles is. . . even if you enter inside of beginning of Dwarkamai, the first entering coming from the east, the first marble and the second marble it got cracked. If you jump there it make different sound. There lot of power objects is there, it takes negativity on the spot. Without touching that spot you cannot enter inside, first it sucks it.

We put the Ala Hala Lingam there, after five hundred years, who knows, the Guru Parampara need to decide. Your students', students', students', students', students', students if they really can bring up that and putting on the planet, make it available to universal peace and harmony in a good way – good, otherwise it's gone. Somebody need to take care of that. My chapter is over with that. I given to the Mother Earth, I given to the Mother Earth, that's it, my chapter is over. Good. Thank you and have a nice time guys, and um, you covered your confusion points?

Monika T: Oh no Swami, we have many questions on the Womb Chakra for you.

**Swami:** Go ahead - ooh. Yah, yah, yah, go ahead.

Monika T: Why is the Mother's Universal Womb Chakra called the Mother's Hrudaya Chakra? What is the link between the Mother's heart and the Mother's Womb?

**Swami:** Hrudaya. Hru-daya - kindness. It means kindness, means in sense of the prema. Prema - true love -that is Hrudaya. Womb Chakra - a creation point. Whenever you putted the true love, it's a link, a flower turning as a fruit. If you ask, "How come Swami, is a flower, a small mango flower, it giving the huge mango?" Yes, that is the consciousness of the creation, a flower giving a beautiful fruit. In the fruit, unbelievable taste but you should not neglect, "Ah, it's only flower. Take it out." That will create as a fruit. In the fruit there is a seed, that seed will give a tree, that tree will create a lot of flowers, the flowers again turn as a fruit. That is the consciousness of the creation. Never underestimate the Mother Creation, she knows what to do, when to do, how to do. Simply accept it. You be loyal and royal - it will go, the journey. You got it?

Monika T: Yes Swami. Can we ask you another question?

**Swami:** Sure, go ahead. Anyhow I am right now as a prisoner here.

Monika T: How is the Sri Chakra linked to the Mother's Womb?

**Swami:** Mother Divine birthplace is Sri Chakra. It is no link there - that is her birthplace. For your kind information, she don't have a Womb Chakra - the whole universe is her womb. Next.

Monika T: Can you tell us the deeper mechanism of what is happening at the Nada Bindu?

**Swami:** Na - Da. Beginning point of your navel. How do you call that?

Monika T: Navel.

**Swami:** That is the center point. That is the highest, one of the energy biggest spot. Every person have the Nada Bindu. That is whatever you have the Personal Mantra, that automatically connected to your Nada Bindu consciousness. Once your Personal Mantra leak out, Personal Mantra, once you leak out your consciousness is gone, you cannot connect it. It's a highly difficult, once you lost your personal mantra. Few people I fixed even they did a mistake their personal mantra. They released and somebody watched, and somebody heard it. I don't think so I can fix it. No, it's a highly difficult process. Your Personal Mantra is a kind of your breath - you need to be very careful. Once you have very confidence in your personal mantra, it's a power. It's a power with you, a divine force working around you. Your Personal Mantra is that much power. If you maintain... keep that... no unnecessary negativity energy can come and touch you, and moreover, your process is between you and the master. Whatever process you're doing, nobody should know what process you're really in it. No, that's only between you and Guru Parampara, it's none of somebody's business. If you maintain that, you are highly protected. Highly protected. It's very confidential thing.

Swami sings:

*Karma karni waadu, karma ku, mokshanahudu karma luniundi karma kabandahastalu kabandahastalaluni dagyeundi, nestrahastalu hastaalaaluniundi sunyahastamu asunimuluniundi sarvaswamu asarvakarudaay a aakaramuleynineyakarudaay sipuduparameshwadu telusukaarayeyana*

Monika T: What is generating the spark in the silence that opens the Nada Bindu?

**Swami:** I think I need to go in silence, hah?

Monika T: Just one last question.

**Swami:** You're sleepy hah?

Monika T: No.

**Swami:** You are sleepy.

Monika T: I think you're trying to hypnotize me - no I'm not sleepy.

**Swami:** Hah? What hypnotizing?

Monika T: Not sleepy...we're all very eager to hear the answer to that question.

**Swami:** No, they're all tired.

Students: No!.

Swami: No, look at that, they're all tired. By force they're saying, "No, no, no, no!" But they're very tired. Many people they want to go to the, on the bed and relax.

Students: No!

Swami: See, everybody is saying, 'No!' So, something today we discussed. Is everybody grinding the knowledge in the daytime guys? Hello?

Students: Yes.

Swami: You're translating it, you're putting it on a piece of paper, you're typing it, Ann?

Monika T: Yes Swami.

**Swami:** And everybody having that copy?

Monika T: Yes Swami.

**Swami:** Again, I'll come to you guys with my hard work - should not waste. Again there is examination conduction, is a conducting is happening. So far, whatever I discussed with you, explain all the points, if you don't remember, and if you didn't put it with your own handwriting... I'll give the questionnaires and you need to write it, then I'll look at it. If I'm not happy, I'm sorry you have to go back to your countries. It's not a joke. You do your job - I do my job. Learn it, don't waste - every minute is a golden minute. it's a diamond. Every minute is valuable - learn it, learn it, learn it, learn it, learn it, learn it. Which angle the master is going, the boss where is approaching, what is the concept, which content he mentioned this point, listening it. This questionnaire will raise it, and he took it, and he diverted it, again he entered the subject, again he talked. Which

angle he is going and what you learned, that is important! Otherwise, is a your time waste, my time waste.

Learn! Learn! Learn! Learn! Learn! Learn! Learn! Learn! Forget about the gossips, gossips is nothing but garbage. It's a natural in the human psychology. Forget it. Only subject you are here, go step-by-step, I go in depth. I'll take the speed moment. Pretty good I'm taking it a speed moment. I'll take some more speed, then next some more speed, depends on your mood, I'll take my speed. No, Monika T is handling pretty good the questionaries. Yes, she is coming in right track. Yes. If it keep go like that, it's a matter of one week, my talks. I'll finish whole subject, then you're training and learning yourself - that is your time. Before you go and everything, you need to make it clear sheet to me. Yes, any angle if I ask Vaastu, different, different, different, different, subjects. Today she completed whole Womb Chakra, majority. Are you?

Monika T: No Swami, we have more questions for you Swami.

Swami: We'll speak later. It's too much. First let this information, let everybody grind it at a stretch. No, first grind it, then first let everybody as a groupism, and keep discuss, discuss, discuss. Go like take the point, you hitted the Nada Bindu. You hitted the consciousness, pretty good you jumped with it. Pretty good you jumped. Keep, take the same inspiration moment - push it. I'll say Good Night.

End of Talk
