Swami: I'm giving a chance today, to you guys, you want me to clarify your confusions and your doubts, or do you want me to continue the knowledge? I'm giving the choice to you. Hello?

Students: Knowledge.

Swami: What do you mean? So you don't want to any confusion, wherever you got confused? Huh. Hello? Sound is not good, I have to go...see, everybody is in a sleepy mood.

Students: No. We're wide-awake!

Swami: Oooh...now you're awake. Yes, a bee creating honey. That bee before creating honey, it is sucking it from flower. The flower - the Mother is given it. In the flower, the essence, only bee know how to take care. A cow it's only known, if it really want to feed to the kid, automatically the milk come out. If it don't want, doesn't accept, it is the great supernatural, natural, supernatural secret.

Ananta mayi ananda mayi, ananta swarupa mayi, vishva kara swarupa maha shakti mayi, anada raksha bhandu dhina bhandu, matru swarupini

That is the Mother. You cannot calculate the worth of the Mother love...since a few days on the Mother touching course. We'll go in more depth in different angles of the Father, Lord Shiva character too, then Power Objects, then different, different, we'll go in more depth. The Mother is a clear nectar.

By grace of Mother everybody will enjoy the fragrance of her true love. She'll do it. I have confidence but you have to win her heart. Once you win it, you really can command her. Command in sense, you have a right, you have a voter list in her account. Do you know voter list? In the elections, whenever you want to select any politician, you have your own voter list - security, social security. Good. Ask Monika T, go to the subject, what is the questions?

Monika T: Swami, can you tell us how to win the Mother's love?

Swami: There is no explanation. That is the answer. Next.

Monika T: How can we understand her love when... (*inaudible*).

Swami: Why you so afraid? She's unbelievable loving, she's unbelievably loving 99.9999% caring, sharing, loving - true love. You surrender. You respect her. Yes, she know how to take care of you. Next.

Monika T: Can you explain why the Mother creates tsunamis and creates all the tragedies in the world? Why is she doing that?

Swami: It is giving a warning in her creation. It's a warning. Kings, emperors, philosophers, intellectuals, hundreds of kings and emperors, philosophers is gone, maharishis is gone. You have to know how to swim in the waves of her action. The wave in sense like a ocean waves, a big ocean wave is hitting, you are swimming it in middle of the ocean. You need to follow the ocean wave. You'll win it. You cannot swim that easily against to that wave, no. Next.

Monika T: Swami, can you talk about the relationship of Jesus and Mother Divine?

Swami: She brought it through the ash, the holy ash, from his crucifixion after painful time is over. First she allowed it, and he know how to bring her back in his life - the Mother did the vibhuti, the ash. In the book on the front page, on the cover page, I mentioned there. In the Bethlehem it is a real picture what is existing there. Yes. You have it. You can see that. Next.

Monika T: Swami, can you talk about how to open the heart chakra? How can we open our heart chakra forever?

Swami: What do you mean by heart chakra?

Monika T: The Hrudaya Chakra, the spiritual heart.

Swami: Once if you surrender to the divine, automatically it open. If you are not surrendered, forever and ever you are in the dark. You closed your eyes, it doesn't matter... a beautiful thing in front of you is existing it, you cannot able to see that because you close your eyes. You have to surrender and want to know it. Next.

Monika T: Swami, can you please tell us about the Nine Stages of the Heart Chakra?

Swami: Nine?

Monika T: Nine stages.

Swami: Okay, we'll talk later that lengthy subject.

Monika T: Swami, every soul needs to be born on this planet to achieve moksha. Can you tell us why it is necessary to be born here?

Swami: It's not essential. Birth and death is in the Mother's hand. First priority she have it. Second, if you have a right deal with her, you no need to come back. You'll merge in her consciousness of the Divine Womb Chakra - there is no more birth no more death. The birds is indirectly saying, "Gently give the knowledge." That's a pretty good dominating here, the information. Okay, go head...next.

Monika T: Swami, when did the ancient knowledge first come to the planet?

Swami: Hundreds of millions years back. You cannot exactly identify to the Kalachakra. That clock you fixed it, today is Monday, tomorrow Tuesday, Wednesday, now time is eleven o'clock, afternoon twelve o'clock but, in her creation, a second is enough to her - that is everything there is no beginning - there is no ending. Next.

Monika T: Swami, who brought the knowledge, how did it come the first time? Who received the knowledge?

Swami: She given the knowledge, every divine soul received it. Next.

Monika T: What has been your role in bringing the knowledge throughout history?

Swami: Again?

Monika T: What has been your role in bringing the knowledge throughout history?

Swami: I don't like the history - I like the victory. Next.

Monika T: Swami, you have been bringing the knowledge for thousands, and thousands of years. Is that true?

Swami: Is that true?

Monika T: Can you tell us about some of the times you've tried to bring the knowledge?

Swami: The time will tell it.

Monika T: Swami, can you tell us about Buddha?

Swami: The whole Buddhism takes one-day subject. No. Next.

Monika T: What is the capacity in the Womb Chakra of certain female characters - like Bharavi Matas, Digambara Matas, or Aghori Matas, or Avadhuta Matas?

Swami: What do you want to know about?

Monika T: What is their Womb Chakra capacity?

Swami: Equal. Equal. Mother is Mother. Ramana Maharshi in Arunachala, a simple thought. Am I boring you guys?

Students: No!

Swami: Paramahansa, many people they thought that he's a crazy character. He's a crazy character, he's sleeping on the top of hut. Our boss, Baba, he didn't even wear his dress properly, he didn't take the shower and taking a bath, that, yes here I'm only mentioning on surface level on dress style, but moreover, the soul style is also, almost all similar. They don't care. Next, final question.

Monika T: How did Vishwamitra create the Gayatri mantra?

Swami: Because of, his thousand years austerity power he lost through his Kama chakra. Then the Kalachakra took that, the whole capacity of his austerities power. Then, he's not eligible, he's in the diksha, he broke the diksha. Then he cannot enter into the heaven. That, his consciousness, again brought it as an inspiration and he keep building it and regenerated it, and the Gayatri mantra he founded it. One Gayatri mantra is equal to four *Vedas*. You no need to chant hundreds of thousands of mantras - one Gayatri mantra is enough. I explained about Gayatri mantra. Good. How much so far everybody grinded since few days talks?

Monika T: Swami, they are still in the process, they had to move today, so we still need some more days time to keep up, another day.

Swami: Don't waste the time. Clock is running fast. The course is ending very soon. If you're ready, anytime, I'll be ready too. Make it, first if you grinded the subject, then I'm there. Understand?

Students: Yes, Swami.

Swami: So help each others and take your again that apartment and the rooms and again you fix it, strong way, comfortable. Then keep we go. Keep?

Students: Keep we go.

Swami: We go. If you are not in comfortable position, I'm sorry it makes you irritate. If you're irritate - your irritation will give me unnecessarily too much attention, no. You be comfortable, then I will be comfortable with you. Be as a family and help each others by carrying the bags, by feeding to somebody, taking care of each others all angles, be as a family. Then the journey will go very smooth. Got it?

Students: Yes, Swami.

Swami: Sound is not good. Everybody got it?

Students: Yes, Swami!

Swami: So how many hours you need Monika T, to make it complete so far these many hours so far whatever I teach?

Monika T: To grind it Swami?

Swami: Yes.

Monika T: Okay, I would say two days time.

Swami: Two.

Monika T: Yes.

Swami: Okay, I'll give the three days time. No more again repeating the same silly questionnaires, no! No. Need to be complete, then, again I will come. Until to then, I'll give you relaxed time, relaxed time in sense of to making yourself to digest all the information. You got it?

Students: Yes.

Swami: Good. So have a nice night. Beautiful dreams. After three days later, by grace of Guru Parampara, I'll be back in front of you. Can you guys start singing, *om nama shivaya, shivaya namo om?* For about five minutes?

Swami: Loud. Loud! Loud.

Swami is conducting us with his hands and energy

Swami ends the singing by singing:

Shanti shanti shanti-hi
loka samasta sukhino bhavantu
loka samasta sukhino bhavantu
loka samasta sukhino bhavantu
om shanti shanti shanti-hi

Goodnight guys! Take care.

Students: Goodnight Swami. *(Everyone claps)*
