Swami's Ninety-Day JC Program

Swami Conducts Bhajans and Gives Beautiful Messages

Talk in the Baba Temple

October 10, 2010

Swami comes down in the middle of the bhajan.

Swami: Swagatam Krishna. Lift it. Speed up. Speed up. Speed up. Speed up. **Speed up. Speed up. Speed up. SPEED UP! SPEED UPPPP!**

After some time listening to the singing

Swami: Again lift it speed up. Speed up. Speed up. Speed up! **Speed up. Speed up. Speed up, SPEED UPPP!** Swagatam Krishna, Shardanagatam Krishna. Good.

Good job but a small rectification. Swagatam, Swagatam Krishna five times you land it, gently, not seven, eight times. Today you hit it eight times, that's a mistake. Five times, then lift it. Swagatam su Swagatam... su swa...there is a *swa* here is a *swa*, Krishna. *Sha...* again *sa so si so so...* *Gadanagatam Krishna*. Or if you use the *Shardanagatam Krishna*, four, five times after you cutted it, eight times if you're landing it, no. Again, start, one, two, three start - take action!

Students repeat Swagatam Krishna again. In the middle, Swami tells them to speed up, speed up!

Swami: Stop. Are you satisfied with your song? You tell the truth.

Gustav: I'm not.

Swami: Yourself you said it. Come on restart. Okay, wait, wait... Give him some water you know. If he's not satisfied, how can I be satisfied? Give him fresh water. You want my water, Himalayan water? Okay, Kindley water. Drink, drink, relax, drink relaxly. Okay, one, two three, start - action!

Repeats Swagatam for the third time.

Swami: Congrats! (Students applause) Sorry for giving you hard time but it is essential. It is? Essential. The rhythm, how to capture the audience? Rock and roll is a different. Actually I wanted to take on my daughter's birthday... she took my turn, *Mohana Krishna*, I made her two times to sing it. To the kuturu, kuturu means daughter. But yes, I given the twenty marks, then fifty, sixty, eighty, then forty, thirty, then she'll hit it. Now you got it, yes. If you're not satisfied, how come I can be satisfied? Ganesh, your group is satisfied?

Ganesh: Yes, thank you so much. I think they're all happy in their eyes in the afternoon. I could see the happiness in their faces. There's some confusion of course, "What happened, what did I see?" You know that but... if you allow, we would kindly ask you some advice for the future. Is it possible to ask this question?

Swami: Yes, sure, please.

Ganesh: So, nearly everybody got something from his (Jesus) hand. What is allowed to do with this object?

Swami: Just wear it with them all the time as a protection.

Ganesh: Okay. So right now they don't use it for healing purposes?

Swami: Just wear it. No diksha.

Ganesh: Just wear it.

Swami: That's enough.

Ganesh: Okay. And one very nice thing about the group unity - one person, he did not catch the object. It fell on the floor and he did not get it, and one lady said she got several objects, and she is ready to give it to this person.

Swami: It's okay, next option, next change. Next?

Ganesh: And I would love to ask you about the...

Swami: But you tested him isn't it?

Ganesh: I tested. You allowed me to test him.

Swami: But you got proved it?

Ganesh: You like honesty. Of course it was beautiful no doubt, but you had the chance to tell me how to test him, and what I understood a test I can think about myself.

Swami: You were under amnesia at the time. You're in the trance mood.

Ganesh: Yes I know, thirty percent I was in that stage.

Swami: So, before one time you fall off your body and I throwed your body. Can I lift that body? Look at that fatty guy. I don't know how his wife is carrying. He gained weight. He's almost all is 89 kilos weight.

Ganesh: Yeah, I don't need a scale anymore now.

Swami: We'll bring the scale here and fix it.

Ganesh: You're the best scale Swamiji.

Swami: That person weight I can carry him and lift him and throw him out. Last night all their group, they had something. Don't misunderstand; be in unity. It's not a Ganesh group; it is the Swami group. It is the? Swami group. If I like it, I take it. Doesn't matter it's a Gustav group, Ganesh group, Jill group, Ann group... it's only one group, that is the Swami group. That is the Baba group. We're all One. We're all?

Students: One.

Swami: "Swami, I'm here since three months in the University and I'm practicing it. How come I don't have this experience?" Maybe you'll get more experience. Wait and see, the Riya having everyday the dreams on Swami. Is it true Riya?

Riya: Sorry?

Swami: No worry, no worry madam Riya. Everyday you have the dreams on your Swami Kaleshwar or not?

Riya: Yeah I have the dream experiences. I've had different experiences of dreams since I've come here.

Swami: I'm going in her dreams and, yes I know it but it's okay, it's okay...beautiful mother, beautiful mother. Please, please, please, please, one thing today I want to tell you. My physical presence is not essential. My soul presence is always essential. A beautiful friend who is sitting in there, I don't want to tell his name. And he donated a lot of money to the Shirdi Sai Samasthan in Penukonda. He's blinking his eyes. Look at that guy. Stand up man.

The man stands up.

Swami: Yes you. Yes you, you, you, you. I don't want to tell your name. Give a clap. I'm not saying it. He don't even want to know his name, tons of money just he donated it. Not here, I don't know what he's donated it beautiful contribution. God bless you on all angles, and Baba grace, and Jesus grace all the time to you and your friends, all the time to be with you. Congrats. Thank you but my presentation will also come to you very close.

It's not the money matters it's the love matters. I'm helping lot of people and Baba's bringing through somebody, and all the krutnanyata that gratitude will go to them. It's not my greatness, absolutely I'm a zero. These kind of characters is the heroes. These type of characters is the heroes one hundred percent. Anyway, again one more time I'm telling you, try to be unity. Be with very clarity and forever and ever, dignity. No matter what, help ever, hurt never. Between you and master, the love and affection, that's between you and master but don't hurt - never. That's my sincere advice. It's a time to go to the Boss for harathi.

End of Talk
