Swami's Dhuni Talk

December 22, 2010

8:45 pm.

**Swami:** Good evening, guys.

Students: Good evening, Swami.

**Swami:** Everybody had your Group Leaders discussion completed?

Students: Yes.

**Swami:** Lucia, can you sing my favorite song?

Lucia: I'm not sure which one you mean?

**Swami:** Gustav, sing my favorite song.

*Gustav sings Swamigatam Krishna*

**Swami:** Any questions Nityaananda? In a general knowledge, in any... in depth where you got confused?

Nityaananda: I don't feel much confusion Guruji, but I am understanding we need to link to the Guru Parampara?

**Swami:** Speak loud.

Nityaananda: I said, I am understanding we need to understand how to link to the Guru Parampara most powerfully. That is the source of the austerity power, that's the source of the Brahma Consciousness, that's the source of the guidance, it's the source of the protection circles. So, how to open that channel and keep that channel open as if, like we were with you right now, always. Like you are with us right now always.

**Swami:** What else?

Nityaananda: How to take the help of other divine souls in our processes.

**Swami:** Um-hum. How to take the?

Nityaananda: How to take the help of other divine souls in our processes?

**Swami:** Good question. Ya next?

Nityaananda: The Kala Chakra, how to understand, how to control that? How it's hitting us in a bad way...and we don't want that. How to protect...I mean, you've given systems for protecting against that but the Kala Chakra is actually a place of...I don't feel confident in my understanding of it Guruji.

**Swami:** What is your question exactly here, what is your confusion?

Nityaananda: We said the Kala Chakra is some how connected the nature, and it's holding our karmas and it's releasing those and hitting us...

**Swami:** There is no clarity. Simone?

Nityaananda: No I don't.

Simone: Yes Swami?

**Swami:** You understand his question?

Simone: No, it was about how kama and time, kala are connected and how it is....connected to the nature. Kama and karma but I can't really put the question perfectly what the question was. Maybe you repeat it?

Nityaananda: No....I didn't know how to ask the question.

**Swami:** That is a problem.

Nityaananda: Yes. How is the kala holding our karmas?

**Swami:** Let's say, maybe what I understood. How to win the kala chakra?

Nityaananda: That sounds good.

**Swami:** How to win the clock? Over all, entire everything, how to win the time? I'll explain that. Do you have any questions, Simone?

Simone: No, not at the moment.

**Swami:** Anybody?

Constanze: We will get an experience, maybe, and we will receive energy through that experience. How we can hold that energy forever and ever and regenerate that?

**Swami:** Give me an example please?

Constanze: For example, in a Mother darshan we are receiving a stroke, a quantum of energy. How we can really hold that and use to implement? Or, we witness for example Kandana Yoga. It's changed our soul vibration. How we can hold that and develop?

**Swami:** Okay, Lucia?

Lucia: Connected to the Kala Chakra and...

**Swami:** Speak loud.

Lucia: Connected to the Kala Chakra and the crucifixion, I really, really would like to know the order of happenings. Like, we know the womb chakra is involved, we know the mother's womb chakra is involved, we know ash is involved, we know Kala Chakra is involved, but we don't really understand the order and the interaction between these things, to make that happen, the healing.

**Swami:** What do you mean by order?

Lucia: Well, we need these different energies being involved in that healing after the Kandana Yoga but we don't know what is coming after what? And who is pulling what and sending what? Like, there seems, maybe...

**Swami:** No.

Lucia: There is an order and interaction between the energies.

**Swami:** Nancy?

Nancy: I don't have any questions.

**Swami:** Are you sure?

Nancy: Well, I would ask one, one question: How Jesus prepared for the crucifixion in advance?

**Swami:** Say again?

Nancy: How did Jesus prepare for the crucifixion in advance?

**Swami:** How much you are prepared for any experience? How much you are prepared for any experience, it's my question to you?

Nancy: Well, if I know what's coming.

**Swami:** How come I can say that advancely to you, it is coming to you like that?

Nancy: Well, because of a Kandana Yoga process, one part.

**Swami:** It is the maya is going to hit you. Which form of the maya is going to hit you? How you are going to be prepared today? How you can handle that? How much you prepared? And what you prepared for that, explain to me.

Nancy: Well I would...

**Swami:** In the last night I talked the worst, the highest - all angles. Try to be prepared. I gave the choice to the Nityaananda that, to explain that. So you...what you prepared? As a leader, what you prepared them?

Nancy: We haven't gotten to that state yet because we haven't chosen which of the three.

**Swami:** Whatever the three is, how much for what you prepared?

Nancy: We already charged some mantras, charge our protection circles, build our austerities energies...

**Swami:** Hmmh...is make sense to you Nityaananda?

Nityaananda: No, not in the right detail.

**Swami:** Are you satisfied with her answer?

Nityaananda: No.

**Swami:** Simone, are you satisfied with her answer?

Simone: No, I would say if we try to get, be clear what we want, and be confident with that, what we really are asking for, and then at the same time not to have too much expectations and to go beyond the experience.

**Swami:** Speak loud please. Don't feel intense, just feel relaxly - we have lot of time. Don't worry, until to morning 5 am, I am not sending you to your rooms and take a sleep. Unn-uhn... Yes, can you repeat Simone?

Simone: So yes, I tried to say, when we try to prepare ourselves for the experience. We tried to first to come up with what kind of experience we would like to, from our heart, would like to have. And then try to feel confident with that. Try to find out what does it mean for us, and for the world. And then, at the same time, to give up to have too much expectations, just when it happens, to be in the moment, be with the energy, and go beyond that. So, that way we thought we are good prepared for whatever you will choose.

**Swami:** Simple answer for entire things: Quit, leave the fear out. Fear? Out, any circumstance; strong determination, Strong determination; To observe the master, the way of which angle he is going, as much as you can understand, and taking that indirectly, the... in that sense and take the direction. It might, can help you.

Ravanasura asked the Lord Shiva. He gave a darshan and appeared. Lord Shiva asked, "What do you want?" to Ravananasura, who did the amazing austerities power. His desire is different before, after he saw Ardhanarishwari Parvati, he choosed Parvati, the Shiva's wife: "Give your wife." He crashed. And finally Ravanasura's master, Sukracharya, he helped him. Even though it's Shiva and Mother Divine, they gave darshan and he choosed the mother, choosing the mother - the way of he is choosing it, that is a different story.

The power is coming to you, good, the way of utilizing that power, implementing that energy in the nature - that is a tricky point. Without power you are not a master. You cannot heal the globe with love. You can save pretty good, but without power - no way. Jesus Christ is nothing but pure Maha Kali structure. I told you before in the talks. But finally after she relaxed, the one supreme soul generated, that is Jesus' soul. Choosing the SATHYA, DHARMA, SHANTI - 3rd option, and 4th option PREMA. Then he's demonstrating unbelievable things in the planet.

Before reaching to the Jesus, first the Shiva-Shakti energy you need to win it. With evidence in the palm leaf, the shiva yantra what you drawn on the copper sheet with the cross, without...wherever his soul went out, back to the Shiva, again the Mother broughted. In the Palm leaf there is a certain chakras is there, you can see that in the Palm leaf, the same Palm leaf.

Nityaananda: Yes Guruji.

**Swami:** Certain chakras, each chakra bijaksharas, that specific chakras need to be waken in you, and to make a link to the you and Jesus soul forever and ever. That is the biggest step. In order to do that, first you need to make it the Shiva alahala to make it calm down in your soul - in your soul - in your soul... your soul is nothing but pure Shiva-Shakti energy. Shakti is the Kala, Shiva is nothing but the Kama.

Vishvamitra Maharshi, he used the Shakti Gayatri, he wonned the Shiva energy, too. On the ancient days thousands of information and formulas they written in the palm leaf books, with evidence and proof and yantra, mantra shastras. Mantra is a powerful. Yantra is a powerful. One mantra cannot exist without yantra. One yantra cannot exist without bijaksharas, the mantras. Whenever it is both is combined in a good proper way, utilizing it...many people they think, "Tantric Veda, Tantric Kriya". There is many, many, layers of the tantrics. The way of utilizing for the good purpose, it's always is the divine. Whenever you see the Maha Kali, everybody they think it is a kind of evil energy. But it is... she is so kind to taking care of the negativity. Purifying the negativity, the worst, highest negativity. Now-a-days, day-by-day, the Kala Chakra negative influence, negative vibrations in this planet is growing, growing, growing, growing, growing... Every decade (*difficult to hear*), time, second it's a danger, and it's a pleasure too, as much as we have a chance to win the both - the real father and mother. On the days, the boss Jesus, he mentioned, "Yes, my students will become very powerful than me." That day is came...that day is came!

Without Guru Parampara`s blessings, you won`t be here guys. He want to teach you something. I am only an instrument. I am like your friend. Something what I know it - just I am your guide. Practicing, and receiving and everything, abilities, how with the way you are using it, that is in your hands. I am sure the Baba and Jesus, they will do a good job on your soul to make it take off in a smooth way. But the filtering is the most important. One part in my life also, I wasted...it's not wasted, it's kind of, I deserve, not in negative way, to see the human psychology.

Many people they come with their problems to me, in front of me. Instead of asking their problems, "Swami, bless us whatever the best for me." "I have the family problems, this and that, but I want to know the reality, put me in the reality." Your body is the reality? Your beauty is the reality? Your wealth is the reality? Your name and fame is the reality? You and the divine link is the reality forever and ever! That is the Satchitananda, pure, pure, crystal divine love. There is a thousands, hundreds of thousands of

supreme powerful souls, they even though is existing right now, today in the planet, the healers, they are very quiet, they left to the mother decision, "Do whatever you want to do." But some people they are supporting from the distance, to somebody.

Some people directly, they are in the field in the cultivation. Today I am in the field, I am doing the field work...fieldwork? Yes, right now I am in the fieldwork. Actually, I don't want to come to this fieldwork but yes! Again, next lifetime I have to come. I cannot escape. I told it where I am going to born next lifetime. So, Kruta Yuga is over. Treta Yuga is over. Dwarapa Yuga is over. Kali Yuga is over. Now Sai Yuga - Datta Yuga... Sai Yuga means Datta Yuga is entered, is also going very fast. We are in the climax stage. Until your frequency of your soul, to know...recognizing of your reality - Bimba-Pratibimba Kriya, I mentioned it, MIRRORISM, BIMBA-PRATIBIMBA KRIYA - action to reaction. Even with your, even today in your lifetime, you no need to go to the hell. Heaven and hell - everything is here whenever you are here on this earth in this lifetime. Majority you have to pay your bill here and go back. Good thing, bad things whatever you have done. Good things with interest it will come. Bad things with more interest it will come back. I am not giving a fear, it's a reality. It is the?

Students: Reality.

**Swami:** Is any confusion on this, guys?

Students: No.

**Swami:** Is it true or not?

Students: True

**Swami:** You sure?

Students: Yes.

**Swami:** How many problems you faced, Nityaananda in your life?

Nityaananda: To my experience I've faced a lot of problems.

**Swami:** You given any problems to anybody?

Nityaananda: Yes.

**Swami:** Again it came back to you?

Nityaananda: Yes, yes.

**Swami:** Who did not have any problems is here? (laughter) Who is very happy here? Who is that?

Student: Me, I am happy.

**Swami:** Who is that? You sure?

Student: Yes.

**Swami:** Which angle are you happy?

Katrin: Which angle? Oh, in all angles... I am here. I am here with you. I'm here to, I can learn. To be here is the best time of my life. I am happy.

**Swami:** Can you spell it?

Student: Yes, I can. H-A-P-P-Y. Happy.

**Swami:** Good, good. I will ask you tomorrow that. Yes, you are all guys is happy, but leave it, everything, your unhappiness to the feet of the Baba. I don't know why you are not giving up. Just give up...leave it to his feet. He'll take care.

Good, whatever you Group Leaders you choosed, three boons whatever it is out of three, one. Whatever it is, no problem. That`s not a big deal. More over, how much you really open your heart for any extension, for any extreme. What is the most, worst extreme like Jesus Christ's life, isn't it, more than that, anything? Ultimate finally he is die, soul squeezing, feel horrible, feel so painful, depressed... If you ignore that, what is it? What is it? Nothing.

Thousands of saints early morning, 3:30 - 4:00 o'clock they're going, especially in the North India, to the Gangajal, the water, holy river, and they are sitting in the water, and meditating different, different yoga-  
asanas. Is anybody has the Kumbha Mela pictures, guys? A video cassette, something?

Students: Yes.

**Swami:** Everybody saw that?

Students: Yes.

**Swami:** Do you think they are all psychiatric patients?

Students: No.

**Swami:** Simone?

Simone: No, I don't think so.

**Swami:** You sure?

Simone: Ya. Sometimes it looks like for the western mind but we know better.

**Swami:** I think you are pure typical Britisher, isn't it?

Simone: A mixture of British and German.

**Swami:** You can win everything in the planet, except Saraswati. Except?

Students: Saraswati.

**Swami:** Saraswati, she tried maximum best to get a good husband. She went to the Brahma. Brahma, he tried maximum best to make her happy, and to get her in his life. One fine evening Saraswati asked, "What can I do for you?" Brahma asked, "Give me whatever you have the knowledge, just transfer to me to that." She said he cannot able to handle that, absolutely

not. Then Brahma got very super upset, and he had a big fight with her. "I will definitely win you. It's a challenge!" They had a bet. Saraswati used her energy to made him as an old man. "Now, if you can make me happy now I will give you anything." Forget it! That's why, "Saraswati namoostubhyam, varadeev Kama Rupini." Knowledge is nothing but as a spirit, it is evaporates. Even though I teached you thousands of hours unbelievable subject, after you heard ten, since ten years, hardly you cannot remember maybe a thousand points but luckily Brahma got his consciousness - Brahma consciousness - through that, he is channeling to her. That is Sankirtana achariya. Sankirtana, through the music entire, every mantra, bijaksharas, everything is hidden in the music. That music is that much power, for example the conch, damaruka, naga nada. This are all, is quite amazing vibrations. There is a hidden bijaksharas is there. We will go later on in the immortal enlightenment course.

But the Shiva, he wonned the Mother Divine, Parvati. First Parvati had the 3rd eye and she want to marry him. Shiva, he's so intelligent person, even though he is a bola shankara, he's very most powerful intelligent person than the Krishna. "Give your 3rd eye." Give your?

Students: 3rd eye.

**Swami:** "Then I will definitely, I will fulfill your desire." She said, "You cannot able to tolerate that 3rd eye, it is super powerful fire element." He said, "I will try, otherwise I again, I will give back to you." "Okay, fine". And she transferred the 3rd eye and immediately he gave a signal to the naga. The cobra is enter to the 3rd eye. If you saw the cobra on the back side, a mark like a "U" shape with two eyes, like a peacock feathers. Only the cobra has that. Even the mother she wants to take that back, that cobra, the two eyes the backside. He made her confused, "Which eye is mine?" She made a, like a little link that - underneath he is hided it, that - time is over. Within a fraction of seconds she need to take that. That's why he always kept the... even though the cobra is giving wild sound, Shiva is always in the deep trance....to make the Shiva energy to be awake, only damaruka. Only?

Students: Damaruka.

**Swami:** Or conch sound, or conch, holy water. Some conches, divine conches non-stop it will give the bleeding, unbelievable nectar from in it, from through that. I think a few people saw that one conch, what your Swami is having it. Anything else?

Leslie: What is Jesus' relationship to Shiva?

**Swami:** What is the relationship between the Maha Kali and Shiva? Who is hidden in the Maha Kali, Leslie? What?

Leslie: They are together all the time.

**Swami:** Who?

Leslie: Maha Kali and Shiva.

**Swami:** Who is hidden in the Maha Kali, Nityaananda?

Nityaananda: Everything is inside of her, Shiva is inside of her too, everything came together to make her.

**Swami:** Brahma, Vishnu, Maheshwara, Lakshmi, Durga, Saraswati, all sapta rishis, all devatas, angels, entire divine spirits is one form of - that is Maha Kali. Read the *Kali Purana*. Mahishasura Mardini. Mahishasura is a big, evil rakshasa. To handle him, it's not possible to handle. Only through Shiva energy, only Vishnu energy - everybody gathered, Lakshmi, Durga, Saraswati, all saptha rishis, everybody came in one form, than attacked. What else? Is it boring you guys? New subject and ...whats going on and...

Students: No.

Gustav: Swamiji, is this possible to use Maha Kali to access all these different forms, Brahma, Vishnu, Maheshwara through Maha Kali?

**Swami:** Sure.

Gustav: How?

**Swami:** That's why I made you to do, especially many people, "Try to chant Maha Kali, try to chant Maha Kali." What time can you make it really beautiful Dwarakamai? How much time you need to require, guys?

Constanze: I think we need minimum two hours Swami, to clean it.

**Swami:** Two hours?

Constanze: Yes.

**Swami:** Okay, after two hours later, first group I am taking the Simone group, then Nityaananda group, then Leslie group, try to be ready. The remaining people, you can be, take a little small nap in the Baba temple, or in the Jesus temple. We'll see how fast they can make it.

Constanze: Should we save the water from the Dwarakamai in buckets?

**Swami:** No, put in the bushes.

Constanze: Can we replace the towels underneath the amrutha lingam?

**Swami:** Yes. Done?

*(In that moment, a big log in the dhuni fell off onto the ground.)*

**Swami:** Let's go!

Lucia: Swami, when you said the Leslie group, was it Lucia?

**Swami:** Yes, yes, yes, yes, yes, it's a big confusion. Good guys, take a fast movement - help each others.

Students: Thank you Swami!
