Swami Talks About His Birthday's Auspicious Astrology

Talk in the Baba Temple

Gustav just finished singing the Bhajan, Dama Dam

Swami: Are you happy with this song?

Gustav: No I'm not.

Swami: Where you did the mistake?

Gustav: I couldn't feel it.

Swami: If you couldn't feel it, how come I can feel it?

Gustav: Yes I know. Do you want me to just break it in the middle and say I'm sorry?

Swami: Let it be. You went 98%, all of sudden you came 50%, 30%, 10%, zero. (clicks his fingers) Pick up! Fast! Good! You made it! Clint how old I am by tomorrow?

Clint: Thirty-eight or thirty-nine depending on how you look at it. You finished thirty-eighth year and you're starting your thirty-ninth year.

Swami: Three, nine, it's a quite interesting according to the astrology. The same date, same star, same.....nakshetra, everything came tomorrow on my birthday, whenever I was born the same

date, same star nakshetra, everything except year. Year is also accurate. Nine planets came in one house. Out of ten million people it comes once like that to the one person. I'm waiting to release that information for the tomorrow. We'll see what type of information that is. Nobody cannot write the Lord Venkateshwara' astrology because of the nine planets came in one house all the time. Tomorrow it started in me, in my astrology. Everything is empty in one box - it's came all nine in one. Thirty thousand Mahakali japas I completed within seven days. Almost for three hours earlier I finished it. So tomorrow is the fire ceremony is running outside. After that, tomorrow night some talk - no celebration big deal, just speech.

And if you can maintain two flames, two torches, can make it burn until to the morning, until the sunrise comes, somewhere in this compound few hours, few hours, few hours chanting of Mahakali... It helps to the globe for peace and the harmony and wisdom and victory, and everybody's process to be done. And I recommend that flame should be take from inside of the Dwarkamai. Clear?

Students: Yes.

Swami: Good. Go ahead.
