Ashram Talks With Swami

Instructions on Teaching and Starting the Flame Process

Talk in the Baba Temple

January 13, 2011

Swami was giving subjects from the video for students to come up with questions for him to pull the information out.

Swami: Previous lives, future lives, present life and how it push it? And the process needs to go fast forward. Right now I'm filtering. Upstairs already groups they're taking. So far seven hundred and fifty have applied for Immortal Enlightenment Course but my target is very less people. So I don't know who is the senior people and the serious people and strong and healthy - big job.

The JC Books got already publishing it. Lot of... Is it possible to every night you can burn two flames, gents one day, girls one day, gents one day, girls one day?

Students: Yes.

Swami: Where is the spot on Dwarkamai slates? (for flames)

Patrick: We have people holding them Swami.

Swami: No, where is that spot exactly?

Patrick: Both sides.

Swami: Not on the ala hala lingam is it?

Patrick: No, no, just east of the alahala lingam.

Swami: Monika Bergler, the fire element is running inside Dwarkamai?

Monika B: Yes.

Swami: Candles are safe?

Monika B: Oh yes.

Swami: You sure?

Monika B: Very sure.

Swami: Most important. So tonight what time you going to start the flames guys?

Patrick: We can start at ten I guess. We have to build the torches. We have three isn't it?

Students: Yes.

Patrick: We have to build torches so it will take some time. Think we can start at ten.

Swami: Okay. Shiva Ratri is coming very, very soon. Need to be done and if you really joined... Lucia are you listening?

Lucia: Yes.

Swami: Where are you?

Lucia: I'm here.

Swami: I know you're here but your mind, where are you thinking?

Lucia: I'm thinking, I just thought of the process. You said two torches, but before when we did some mantra with the torches... (Mahakali mantra)

Swami: You focus on the teaching side, Surya Nadi, Chandra Nadi, how many days you can be finished?

Myuri: Well, after the Kalachakra then another two, three days.

Swami: Um-hum. Let's say you finish by one week then I can enter the Nityananda Questionaries and everything.

Myuri: Okay?

Swami: How much everybody saw that projector of the Ramana Maharshi, all those guys? (video)

Myuri: Think everybody saw it.

Swami: Completed?

Students: Yes.

Swami: Is it you can raise up some questionaries on that?

Myuri: I can talk to Nityananda or whoever did the research on that.

Swami: No, they won't be available for a week. They're totally occupied with the high works.

Myuri: Okay. Well we can...

Swami: Last night until to morning 5 a.m. they're with me. Tonight also they're sleeping, they're almost all to early morning.

Myuri: So we can come with some questions?

Swami: Meanwhile in the Kalachakra can make raise up some questionaries.

Swami to Lucia: Are you confident on the teachings?

Lucia: I wasn't teaching here for two years here. I was only teaching outside and it's totally different. So I feel not... I teach Kalachakra okay, the mantras, yantras, but I'm not any more focused on the teaching here in ashram. It's different out there. The focus is different. The way of teaching is different. So it's takes time for me to adjust again to this.

Swami: What about you? Is it the same with her like you have your own track?

Myuri: Well, I'm adjusted to teaching here so it's not a problem for me.

Swami to Lucia: So where is your problem?

Lucia: I'm more, little lower level oriented. I'm more practical oriented to people outside what they need to hear. They cannot hear only Shiva, Mother, Kalachakra, Kama chakra, you know like you cannot only hit the words there, the terms. They have no foundation in that. So I'm use to explaining more, to go more into their level of experiences. It's not the high theory out there.

Swami: So you don't want to teach that?

Lucia: No, I'm just...

Swami: To me to come back again to teach the alphabets...

Lucia: No. You asked me if I'm comfortable. I didn't teach here for two years so I'm not comfortable.

Swami: Make it fast. Tune yourself. When I'm playing with Navya I turn like a Navya and I'm playing. With a top police officer, yes, I turn as a police officer, advocate, lawyer, yes, turn as a lawyer. Judge, yes I'm a judge. Farmer, yes I'm a farmer. Has to be. You have to tune your mind's set-up system otherwise... Got it?

Lucia: I can just try.

Swami: Try. I will come and join in the class. Okay guys, goodnight.

Students: Goodnight Swami.
