Shiva Ratri Program 2011
Doubts That Swami Has With His Students
Teaching in the Baba Temple
February 24, 2011

Swami came down to bhajans

Swami: Good evening guys.

Students: Good evening Swami.

Swami: When your Shiva Ratri Program starts?

Students: 28th.

Swami: How many days is more?

Students: Four.

Swami: So I should not start earlier isn't it? Birte? I should start earlier or what?

Birte: *(No on mic, couldn't hear exact words)* You can start.

Swami: What about remaining people?

Birte: We can play the recording of your talk to them. They will appreciate that.

Swami: What?

Birte: We can have a nice audio prepared for the coming people. They appreciate all the knowledge and information they can get from you.

Swami: Is it fair? They're coming all the way from Europe, and America, and different countries to celebrate and to be here and I started little earlier? No. Anyhow I'll wait for four days but anyhow we'll have little small chit-chat today. Yes, today I want to take the Jonathan's group from America. You do have lot of confusions. I know that and I do have lot of confusions but you don't know what I have the confusions on your group, on you, on your personal behavior, and your mental stability, and how depth you're reliable in the globe... then I can totally trust you and to making you to trusting me too. Yes. So, it's between both, strong unity, if there's no unity it's a problem. "Swami, I came and I'm getting healings, and distance healing, and did this process, many processes, still where's my profit? Where is my experience? This is my fifteenth time I visited, twenty-sixth time I visited but few...I might have it but lot of gossips, lot of confusions, how? Where? How I can get it?" Jonathan can you stand up for a minute please, sorry, because of your group came a little earlier...all your group is here?

Jonathan: Yes, Swami.

Swami: Okay. What is your group desire? Tell me briefly, straightly.

Jonathan: To receive, to be blessed to receive the power and the love of Jesus. To implement that, to help create the Jesus Generations to heal the suffering and heartbreak in the world, and to test that energy of that experience with him by manifesting an object, a divine object to be kept at Universal Church of Baba's Kitchen, to make that place a beacon light for Satya, Dharma, Shanti, Prema for the whole of California and as far out as possible.

Swami: Only whole California, that's it?

Jonathan: And as far out as possible means the rest of the world.

Swami: I seen California, it's a nice place especially Pacific Palisades, that area Los Angeles that Yogananda's Center that area, and Malibu, and especially the Holiday Inn in Santa Cruz is very nice. Yes, I love it, it's nice and I been to the crazy places with the high snow – South Dakota, Minneapolis and Sioux Falls... Las Vegas, by the way I also seen the Amsterdam in Europe. You know Netherland Amsterdam - then I thought it's highly difficult to change the globe. I know the why the Maharshi Yogi stayed in Amsterdam. Finally his climax he got there. I'm not criticizing. There's a big difference? Are you a student of Mahesh Yogi?

Jonathan: I was for many years.

Swami: How many years?

Jonathan: Twenty-five years, twenty-seven years.

Swami: How old were you at the time?

Jonathan: At the time when I started with him I think I was twenty-eight, like that.

Swami: Twenty-eight.

Jonathan: Yeah, twenty-eight.

Swami: When you married Anya?

Jonathan: 1969.

Swami: How many years she was?

Jonathan: She was twenty-five.

Swami: Where you met her?

Jonathan: In Berkeley California.

Swami: How you met her?

Jonathan: In a coffee house.

Swami: She was serving a coffee to you?

Jonathan: No, she was drinking a coffee.

Swami: So how is your introduction went on?

Jonathan: I think I knew the person she was sitting with.

Swami: She was sitting alone?

Jonathan: She was sitting with some other guy who was a friend of mine, not a friend but an acquaintance.

Swami: Um-hum, ya carry on, carry on. You proposed to her or she proposed to you?

Jonathan: I proposed to her.

Swami: What she said immediate action?

Jonathan: She said yes.

Swami: Straight yes?

Jonathan: Yes.

Swami: Wow, that's quite interesting. Are you happy in your life?

Jonathan: Yes Swami, I am.

Swami: What you really missing in your life?

Jonathan: Carrying the knowledge of the Guru Parampara to the best of our ability, making a Center, feeding the homeless people, healings, teachings, satsangs, fire homas, bhajans...

Swami: Okay.

Jonathan: Yeah, it's wonderful.

Swami: The climax peak stage, what is your destiny? Just one sentence tell me.

Jonathan: The climax peak stage as I understand it, I think to be fully worthy of having all the powers and abilities, and the love and humility of Jesus to take our place, play our role in creation of the Jesus Generations, generation after generation, changing the darkness on the planet to light. To have that, to be able to live that, to stand for that, to have that experience - that's it. \

Swami: Okay, again I'm coming back...whenever you saw the Anya, what was your feeling? Explain.

Jonathan: When I first saw her...

Swami: What was the spark?

Jonathan: The spark? I thought I would marry her.

Swami: You thought?

Jonathan: That I would marry her. I saw her drive by in a car.

Swami: Is anybody already used different energy channels, or whatever it is to make her change her mind in your way, or what?

Jonathan: No, nobody used any energy channels that I'm aware of.

Swami: Okay. How length time after your discussion happened, she said yes? What you made promises to made her to convince you to grab her to get her in your life? Don't under estimate I'm making chit-chat. I know where I'm going to trigger the point.

Jonathan: What promises I made?

Swami: Yeah.

Jonathan: The normal promises. To love and cherish, and be with and share in hard times and good times, on and on to keep going, to be together, to love each other...

Swami: If you're not keeping your promise with her, how come I can believe your promise you also can stay that promise? Is it a reliable question, reliable my confusion? Are you going to convince me?

Jonathan: I'll try.

Swami: I will try, um-hum. Okay, try.

Jonathan: I think I did keep my promise Swami. I did keep my promise to the fullest of my ability at the time. I did. I feel that I did. I tried for thirty years.

Swami: Um. Then?

Jonathan: Yeah.

Swami: What is the best fight you and Jonathan had it?

Jonathan: The best fight? No big fight I think...

Swami: She hang up the phone and just she don't want to talk to you? She don't want to see you anymore, like, click?

Jonathan: Not like that.

Swami: And you feel horrible and you're driving crazy your car and yourself.

Jonathan: Yeah, there was some like that but that was not the main way that I remember, no. No it was a feeling over time...

Swami: One or two we want to hear.

Jonathan: One or two big fights?

Swami: Yeah. What you did mistake, how she found it?

Jonathan: Biggest mistake that I made was not to be faithful to her.

Swami: Faithful.

Jonathan: Faithful, yes, big huge mistake and I think that hurt her very deeply. Hurt her very deeply so she was very angry about that but also I think it killed something.

Swami: How she found it?

Jonathan: How she found out? I think her woman's intuition she knew. I don't think she found out, she knew.

Swami: Who's that girl?

Jonathan: Well, there were more than one so I think she knew that about my character, that it was a flaw, a block, a problem in my

character, so I was not trustworthy. She still trusted me, trusted that I did love her, cause I did but I think because of all the Kama blocks, Womb Chakra disturbed, not able to live to the promises that I made, not able to, didn't know how - tried, I tried, I wanted to but it didn't work for me.

Swami: I'm not convinced, one more example.

Jonathan: Well, Anya is very in-back person, not out front and I'm very out front, forward.

Swami: Out front means?

Jonathan: Means, like this and it was always hard for us to do our dharma. It was very hard for me to, that part, do the dharma together because it was very difficult for her. It was always a pinch to her and I really wanted to do it, and she wanted to do it to help and to support, but to her it was painful. So, for many, many years that was a big pain for me. That made me angry I think, one part, and frustrated and held in. So that was a big, I think that's what I had a very hard time with her, about that part. She couldn't change it. She wasn't able to. She couldn't change that. She did her best but that was a big, a lack for me - something missing. She liked it when we came here. For her to be here all the time with you, those days she was in heaven.

Swami: She?

Jonathan: She was in heaven.

Swami: Okay, come to the spiritual life. How much you given to the masters, hard time, hard time to the masters?

Jonathan: How much hard time I`ve given? I'm sure a lot. I'm sure a lot. I had been pretty bad boy in my time.

Swami: Like what? Give me examples.

Jonathan: Same thing, same behavior, same kind of Kama block problems, and not for long time not able to deal with that successfully. Big problem I'm sure to the masters.

Swami: Um-hum. Then? What else you given the hard time to the masters?

Jonathan: Oh, I'm sure all the usuals: egoism, angry, unworthy, impatient, some, maybe not so much but angry...

Swami: Angry?

Jonathan: Yeah, egoism.

Swami: Do you remember one time twelve years back, we went to Sri Sailam? Almost all...we're having the lunch in the Sri Sailam cottage. Monika L. was there, Anya was there, and you're there and one more guy I don't want to tell the name. You're almost all ready to fight. I'm sitting and I'm eating, you both guys is... do you remember that?

Jonathan: Oh, very well.

Swami: Monika T.?

Monika T.: Very well Swami.

Swami: Is it really serious issue to get fight?

Jonathan: Well it's serious if you follow it, yeah. If you go after it then it becomes very serious, yes. It's stupid but I think is it serious? I don't think it's real.

Swami: To me it's a silly thing.

Jonathan: Um-hum.

Swami: What do you think Monika T.? Be honest.

Monika T: Yeah it was a silly thing, a silly issue, a misunderstanding.

Swami: I don't know... they both guys are super strong. I cannot make them to pull out. Super strong characters and I'm in the middle there, "Wait! Whooo! What is this?" Even on me, many people they're writing the crazy articles, gossips...listening, leaving out. Listen, read it crazy letter, okay good, good time pass, good entertainment, put it, leave it... If you injected it, you're shaky.

So, why I'm talking to you today this? Pure love. Pure love. Of course we're a humans, mistakes is natural. Mistakes? Natural. Baba, his life style, is his life style. Ramana Maharshi lifestyle is Ramana Maharshi lifestyle, Yogananda is Yogananda lifestyle, Paramahansa is Paramahansa lifestyle. Each category... like Jesus, his character is his character, Mahakali she's different form character. Kannaka Durga - different character, Lakshmi is different character, Saraswati is a different form character. If you fixed this should be only in this frame – out, you're a failure. You are? Failure. Period.

I know your group what is their expectations you came guys. This is the last final chance what I'm giving in this occasion, especially many groups also I promised it. Yes, I remember... sub-groups, some tiny, tiny groups and I promised it what I'm going to give it. Plus

preparing you to the Immortal Enlightenment - another big step to me, very huge step preparing you.

And yes, I completed the Big Boss book total A-Z. A-Z. I didn't took anybody's, especially, sorry to say, the western students' help because of... I do trust them but Mahamaya hitted through them differently. Totally the top scholars, sixty-five years old people who knows the Telugu, Sanskrit, they're all gold medalists, they got, they received the gold medal from the President of India, Chief Minister of Andhra Pradesh, like different, different states, the retired people, they concentrated... Unbelievable hard job, they made it. With the evidence, proof, yes, anywhere, any place ready to prove that. Yes very soon it's coming to you. I made it.

Try to learn what is the real meaning of the love. If you don't know the real meaning of the love, the real meaning the love, you cannot get the abilities, you cannot win the master, you cannot win the Guru Parampara, you cannot win the Jesus whatever it is, Mother Divine, whatever you're looking forward - the love, the love...

I knew, intentionally I putted you under patience – keep, and changing the Mahamaya, "Ok, I'm going to do this time," immediately again I'm diverting it. It hurts to me too. I promise it but I cannot able to do this this time. Try to find why he's not able to doing it. I'm a mirror. I'm giving a clue. I am a? Mirror. From tomorrow onwards, your job, your duty is, even though your seva wherever you're working in it, as much as you can, keep draw the Womb Chakra and burn in the fire pit. For example, you have your personal mantra, you can write down on it and burn it as much as you can, five hours, six hours, seven hours very quiet, gentle, keep go, chanting your personal mantra, draw it. Clear?

Students: Yes.

Swami: So we'll see what the Jonathan's group going to get it, and next many groups and how you going to be support, and to be able to ready for the Immortal Enlightenment. Pretty hard I studied your soul characters and many people I filtered out. I'm sorry. Many people I filtered out because of there's a lot of reasons. But you no need to worry even if I filtered out, but still there's a way you can get

it. But directly to me to work it's a challenging issue. Some people is little psychiatric problem, some people is sick, some people they cannot climb, some people they cannot swim certain distance, some people they cannot do the fasting for few days, like many, many reasons. I have a whole list who applied it but we'll see. We'll see. But, brand new students and sincere students I picked it, picked up. Good luck. It's time to go for aarati. Take care.
