Swami's Comments on the Shirdi Baba Movie

Teaching in the Baba Temple

February 26, 2011

**Swami:** How many people did not understand the movie completely? Forget it? Christina?

Christina: (no mic, couldn't hear exactly... something about not knowing the language to understand what was happening.)

**Swami:** When I watched first time *Air Force One*, it was also like flight. Oh, it's a hijacking Air Force One and President's flight, and it was completely new to me but I just simply, like a boy, simply watching, watching, watching... their demands, how they're taking off... It's all... it's okay. But it's one percent what they made the movie, one percent what they made the Baba movie - just they showed his love concept, they showed his gurusthan, and they showed his power object brick, the chillum smoking pipe, and the way of his dressing, and who was really believing around him, they're really dedicated, and they're fighting for the Muslim and Hindu... there's no religion, just he's saying there. There's a more depth but we'll go through that, but they did a good job. But I hope Jesus Christ, his life in future, based on my book and make it really accurate as it is - not making any masala.

It's not an ordinary place the Shirdi. Shirdi, it looks to your eyes, to your mind, and Baba and his lifestyle whatever it is. No way! He is - he is. If you totally committed, yes, totally committed? Yes, he'll be there. He'll be there. Like Shirdi Baba, Jesus Christ, and Buddha, and Babaji, many saints, Paramahansa, Ramana Maharshi – all these type of characters. What is the most confusing point to you Lucia?

Lucia: About Baba?

**Swami:** Thanks. Yes, we're talking about this. That is the subject.

Lucia: How you could have all this compassion and patience?

**Swami:** What?

Lucia: Not confusing, I'm wondering how Baba could have all this patience and compassion with all the people, all the blocks, all what came in front of him?

**Swami:** It's natural. In the Dwarkamai everybody wants to be with him in the beginning. In the climax ending, only four, five guys is stayed, four, five guys is stayed. Even in my life I've seen hundreds of thousands of people. Lot of criticisms, thoughts they want to become the number one, the hero, name and fame, it's quite natural. It's a quite natural. It takes some centuries to become again, to recollect what they done the karmas, negative karmas.

Lucia: On the other hand, if we saw Mahalsapati he recognized Baba immediately and the mother of Tatyia also, how is that possible? They just see him and...

**Swami:** He knows it. He knows it.

Lucia: Why, how could he...

**Swami:** It's a bond.

Lucia: It was there before?

**Swami:** Yea, there is a bond. It's the relationships. That old lady, yes, he...they have the bond. He made it, "Okay go and show it, the gurusthan." It's a bond. It's a bond.

Lucia: How can we create this bond?

**Swami:** Try. Try.

Lucia: We came here for that. That's why we are here to create this bond.

**Swami:** You'll see again the Krishna movie, Lord Krishna movie. Wow, that is the story. That is the movie you have to watch out. I need to translate it and just what is the Krishna he is playing. It's quite amazing...Buddha yes, completely different story.

So it's okay. You go back to your normal places for meditations. You continue your sadhana then I might... will come to you tonight or tomorrow whatever your process is doing. We'll see what's Baba's grace. Don't lose your inspiration. Get fresh up, and start your program. Clear? Good luck. Have a good night.
