Swami's Soul University Talks

Should Swami go to Japan or Not?

Talk in the Baba Temple

March 26, 2011

Swami: Good evening. What's up? Why your cell phone inside? You want to record in cell? How is your parents Prema?

Prema: I think they're okay. No fightings, they're friendly, I hope so.

Swami: What she's saying?

Student: She hopes they are friendly.

Swami: Friendly. What is the main cause their fighting?

Prema: What is the main cause their fighting? My father is not so sweet to her.

Swami: So?

Prema: Sweet.

Swami: So sweet uh?

Prema: He is not sweet. Hard. And also my mother is so strong to him. So it makes more war....

Swami: What's going on in the Mother Earth in the globe? Are you doing your best guys? Question, are you doing your best? Lucia? Are you doing your best to the Mother Earth to making it calm down?

Lucia: No, I don't think I'm doing my best to make her calm down.

Swami: How many people in your group is supporting me to go to Japan? Raise the hands. One two three four...why, Mira, you're not raising the hand? Falk?

Falk: I'm concerned about your health and your safety. And you're always saying your physical presence is not necessary so you can bless them without having to go there.

Swami: Think if your friends, your parents, like your sisters, your childrens is there... how you going to react? You want to avoid it or you want to go there to take care that? Entire ashram they're opposing, they're saying no, no, no. From the Indian government first started... my staff, friends, everybody. Anyhow, Prema needs to go to Japan no matter what isn't it?

Prema: Yes.

Swami: In case Osaka Airport is closed, what I should do?

Prema: Well I don't think Osaka Airport is closed.

Swami: In case the Osaka Airport is closed, what I should do?

Prema: You can use another airport in south and go to Osaka by train.

Swami: That is also cancelled.

Prema: Then you have no way to there.

Swami: What about you?

Prema: Me? I can go by sheep?

Swami: Sheep. She's so funny. Forget, it's a wasting of my time to asking the question to her. Brett what is your answer?

Brett: How you get to Osaka?

Swami: He's another character you know? He's a character. You tell Lucia.

Lucia: (repeats what Swami asked Brett)

Brett: If the airport is closed, and there's no way to go, if there's any danger, then better to wait.

Swami: When you give the perfect answer, how much time is required? How much you required, it's a question!

Lucia: Can we ask a question first?

Swami: What?

Lucia: If the energy is so wild, is it possible to go there, or is it better to wait until the energy comes down. I know we can imagine what is possible to do when the vibrations are wild. Isn't it best to wait until the vibrations come down because maybe the people cannot even listen to you because they're so much in fear?

Swami: They will listen. Prema, they won't come if I come there?

Prema: Yes sure. They're looking forward to seeing you in such a strange time.

Swami: It's a full or overfull?

Prema: Overfull.

Swami: What is your question?

Lucia: Still my question is, if you meet a hundred people there, is that, could you use that energy, those vibrations and turn something with those people? Is it possible? If it's possible then it's very advisable.

Swami: Don't come fishy way. Come straight.

Lucia: Personally, if I would know there's a hundred people waiting for me, desperate to meet me there, I would dare to go but I also feel you're responsible for a hundred thousand, maybe those hundred people it's worth it.

Swami: Steven?

Steven: First I was thinking no. But after you said, you mentioned your children, your sisters, your mother and father is waiting there, and all the people around are waiting for you - yes.

Swami: Falk, I told them to pick up a lottery upstairs. Tell them they can bring it now. Leslie can pick up paper and bring it. They're totally opposing me to go. I told them, "Meditate and make a lottery." They said, "No." "Whatever it comes we'll see." Mira, who's side the luck is, all the time majority? Your life is set. Even you're applying any job, you get like that. I'm not raising your personal thing... just casually business I'm saying.

Mira: I would say your protection circles are naturally lucky if you have good protection circles.

Swami: You're not answering.

Mira: What's your question?

Swami: That's why you're not here. Brett?

Brett: Yes Swami.

Swami: Am I going to win it or you guys going to win it? That's the question... to going or not going.

Mira: Ask Baba.

Swami: I'm asking you guys first. Now the judgment paper is coming. (Swami reads the lottery paper) Yes. Judgment is?

Students: Yes.

Swami: Done. Prema, you can keep this as a gift. See these all guys is... Now you can meditate 10:30 to 1 a.m.

Lucia: Swami you asked if we're doing enough to calm the earth down. Is for me doing the Shiva meditation is that how to calm it down? Is the Shiva prayers we're doing, is that what helps Her calm down.

Swami: I don't want to tell you that. The answer came, "Yes." Prema, show Paul that paper. He won't believe it. He took it?

Prema: Yes, he took it!

Swami: No, you should take that. That's a Maya. No, no, take it. There is no talk. I'm done, I'm clear. Whatever decision is my decision - jump. No scare. Hit it. 10:30 you start your meditation, put a few candles there, catch some more. Good luck!

End of Talk
