Immortal Enlightenment Program 2011

Pre-Program Chit Chat

Teaching in the Baba Temple

June 20, 2011

Evening talk just before Arathi

Swami: Good - little small little chit chat. Welcome my Dear Divine Souls. When is your official program starts?

Students: Twenty-fifth.

Swami: What?

Students: Twenty-fifth.

Swami: Can you start a little earlier?

Students: Yes!

Swami: But you have to give your one permission to me otherwise it doesn't work. The permission is....

Students: Yes.

Swami: Wait, wait, wait, wait!! I have to be tough enough on you guys. You know tough?

Students: Yes.

Swami: Really tough. Early morning three o'clock attend. Look, look... Taking a shower, be attend two a.m., yes. Attend one o'clock do this sadhana, yes. It's not a joke. It's not a...

Students: Joke.

Swami: If you cooperate to me then I'm always available to you. I'm always...

Students: Available to us.

Swami: Thousands of hours I given the knowledge, I given a talk... Few points: you need to be unity, take care each others, sick people, and old people, and our journey's where it will go and the rainy season wherever it is, in all angles try to be strong enough, especially guys and a few strong girls need to be strong enough. Clear?

Students: Clear.

Swami: There's many layers of the subject I need to cover, many layers. Pranams to Yogananda, he written the JC book, Jesus Christ book, he tolded, "After I died, fifty years later try to print it." At the time, there is a reason why he tolded that. It's clearly he mentioned it, somebody will catch up make a link that. On the days it's a little, very sensitive period of time. Sensitive...

Students: Period of time.

Swami: Fifty years later, they printed it. He used to stay in boat. I've been there in Pacific Palisades, in Los Angeles. I walked all where he walked that, all that lake area, and his museum and his place, and all angles where it is, what it is. To, boldly, darelly to tell the spirituality, giving the golden statements, you need a guts, you need a?

Students: Guts.

Swami: Guts, yes – this is, this is, otherwise doesn't work. Doesn't work. With the same spark the information and with clarity consciousness, you need to walk and change the globe in a beautiful way. In a?

Students: Beautiful way.

Swami: Beautiful way. I like Vatican, I respect Popes, but I don't like certain statements of the Popes. It's a kind of a jokes. It's a joke what they're giving a statements, absolutely nonsense. So the eastern wisdom, western knowledge making a strong bridge - how big difficult that is. How big difficult that is. That is your duty guys, I done my job pretty good. I have a great desire, I want to see the Europe. I done it. Desire in sense of, to seeing how the people is living... I took the reason as a Vaastu consultants. Vaastu?

Students: Consultants.

Swami: It's nice and I went to Switzerland, and half mountains, Austria, and Germany, and Italy, and else - oof, such a big journey! It's a...?

Students: Big journey.

Swami: Big journey. Carla is making a bread to me, cutting the bread and putting a jam and butter. "This is idli, sambar, everything is this is, you have to eat it!" "Oh, thanks, how many days I have to survive like this?" Drinking little milk... and fruits, ok, go. Keep go. It means, why I'm saying this, I done my job - you do your job. Take a palm leaf - read it, like anybody read it what is in it what I clearly explained here, make it, match it, follow that, that's it. So, never, ever trust the time. Never?

Students: Trust the time.

Swami: No. No... But before Guru Purnima I have a deal with Baba, "I will visit your Samadhi." I have to think about it. There is no another option to think about it. I have to visit. I have to?

Students: Visit.

Swami: Visit. I'm sure once if he want to see me, he will call me. If he don't want to see me, I can't help it but still I will try to go, still I'll try. I hope you prepared your hiking shoes, umbrellas, rain jackets, your medicines. Hello?

Students: Yes.

Swami: Few days I'm giving the Upasana Kriya. Upasana Kriya means fasting, completely fasting. Chinello need to be. It will be quite challenging, interesting, the majority - forget about the mind, heart,

soul, put the distance - only working the consciousness stage. Consciousness?

Students: Stage.

Swami: Think one minute... if you don't have any desire in your life, no attachments in your life, how it will be? No attachments. Somebody, people always they saying, "I want to do social service, mental retarded people I want to help, old age home I want to run. It's good, good concept... Hospitals, I want to do it. I want to do the educations. I want to do that. I want to do this..." Who are you to do this? He decides what you need to do. He decides what you need to do. You came here, you play your role - you walk out.

If you keep trying it, "I want to do this, I want to do that, I want to do this..." and keep struggling, struggling, struggling, hun-um. I'm not joking. I practically witnessed, I practically witnessed, I spend my time with unbelievable characters: gurus, swamis, and ghoras, aghoras, avadhuts, supernatural powerful characters – um-hm. Yes, there is a chance the master will guide you, "Go and do your dharma this way." Master will guide you to go and do your dharma this way. Master will guide you, will guide you - go and do this work. Even you don't want to, you will do it. You will do it. You cannot escape it. Is anybody can escape it? Just I want to hear it, Sabeena?

Sabeena: No.

Swami: Gustav?

Gustav: No way.

Swami: What do you mean, no way?

Gustav: You cannot escape it.

Swami: It means you are a prisoner? You're a spiritual prisoner?

Gustav: Yes! No, you said, you personally said, I want to do it and then the master comes and says, "Do it." Without your own heart and soul saying yes, you could never do it.

Swami: Do you remember many years back you came to me, "Swami I follow the Satya Sai Baba and I'm strong devotee of Satya

Sai Baba. I'm totally confused which way is my dharma and duty to go?" Do you remember?

Gustav: Yes.

Swami: Same place, here. You asked here. What my answer is at that time?

Gustav: You asked me if I would follow you forever and ever.

Swami: What you said?

Gustav: I said, "Yes."

Swami: Then after that?

Gustav: I got panic. I was scared.

Swami: Scared with what?

Gustav: Because I just gave my promise forever and ever. That's a long time.

Swami: That is a?

Gustav: A very long time and so I didn't even know you, but I said yes. So, one year later, you asked me if it was fine. One year later it was fine, but I needed one year to digest.

Swami: Thanks.

Gustav: It's my fears, my blocks.

Swami: That is his decision. Same thing Chaumundi, my mother-in-law asked, "Swami, please can you come to my house, can you touch your feet to my house?" At the time I didn't see the Shilpa. Chaumundi was running the orphan home and I gave a check for 50,000 rupees... just I looked at her, "The time is coming. I will come, wait." The same words I used it. She's there sitting backside. Now she's pulling her hairs, "what is my position?" Done. Today, she's here. It's not me, it's the Guru Parampara's lilas. Guru Parampara's?

Students: Lilas.

Swami: Somebody all of sudden somewhere out of the blue, they want to go, "Swami, I want to do this job." "No, don't do that job." "No, Swami I want to do this job." I said, "Wait, no." Still they do their job. Again they turn around they'll come back there. Like same thing you did a construction, I tolded you... You didn't listen it - Gone.

Martin: Twelve years it took them.

Swami: What?

Martin: Twelve years it took

Swami: What can I do if you heard at the time, "You're a smart person, wasting of the time?" A few people I always says, "Wait, don't fight, globe is round, it will come back, it will come back, wait, wait, wait, follow, follow, follow." So, I given the process to you guys, chanting the certain mantras to bringing it as much as you can. I don't know you really can complete that many japas. It's quite challenge it – try, try, try, try... I'm telling you advancely, never knows Mother nature, it won't stop, big rains might be come and whatever She'll find the way to make it stop. But be strong. Be?

Students: Strong.

Swami: Strong. Fourteen years back Jesus book I want to complete. There are several hours I've given the speech with Monika and Phillip. There is no floor upstairs Jesus Temple... near the Ganesh, they have the video clippings. Then Mahamaya is hitted. Some few people they done the crazy stuffs, "Ok, maybe this is not the time - wait. This time is missed it, forget it, forget it." You have no idea how I suffered... even in my chair, just I fall off and sleep, and finding my own way to get relaxation, and heartfully some crew is with me and they're working and they're helping me, giving massage, whatever it is, technical side, all angles, they done. Every part, they keep doing it, doing it, doing it... So spiritual secret, find it. It's not a joke. Spiritual?

Students: Secret.

Swami: That is nothing, but finding about yourself. Finding about?

Students: Yourself.

Swami: Spirituality is nothing but, put this way, as a typical westerners they think it's a cult, it is a?

Students: Cult.

Swami: - strange, psychiatric patients...the real spiritual persons – taking a flower and pulling the honey from the flower without doing any process, no bee, nothing... how to get the honey from the lotus flower, any flower? That is?

Students: Spirituality.

Swami: Your body is a flower. Honey is your soul consciousness, soul consciousness. To pull that out, that is the final immortal thing. Clear?

Students: Clear.

Swami: Any questions? Hello!

Chinello: Yes, what is the next step after that?

Swami: After this program?

Chinello: After we learn the mechanism for pulling the honey out of our souls then what's the next step after that, Swamiji?

Swami: You pull it man, then I'll tell you.

Chinello: Can we do it now?

Swami: Wait, wait, wait... what else? Next?

Monika B: Wait, wait, wait, follow, follow, follow...

Swami: Next.

Monika T: Swami, you said that we should forget our minds, forget our hearts, forget our souls and just be in the consciousness stage, that this program was about that. Can you give us more guidance about how to do that?

Swami: Um-hmm, yes, not now. Like everybody gathers, simple logic way, I draw that where you are, what is your problems, what yantras, what it does, how to come out from your problems, how to deal the problems, how to win the master's heart, step-by-step, very clear way, then you're there. I'm completing all chakras, whatever you learned all chakras.

Chinello: Is Immortal Enlightenment having the clarity of consciousness like when all the chakras are hitting to that pure consciousness? Is that Shiva consciousness?

Swami: Yes. Yes. My part is ten percent, your part is ninety percent. Your hard work is very important. If you're not doing the hard work, what can I do? You have to do it. You have to practice it. Even Shirdi, if you went there in the gurusthan - satya, dharma, shanti prema with his austerities power, he buried it. He?

Students: Buried it.

Swami: Buried it. I made you guys to bury your power spot. I made it in case anything happens, your austerities power is existing here. It's keep sending the protection circles wherever you are. Some people is crying, "I'm hopeless, I'm helpless Swami, gosh, I lost my power objects, everything I lost it." But still you cannot lose one thing – your?

Students: Power Spot.

Swami: That is the key. Somebody heard my personal mantra, what can I do? But still there... What else?

Chinello: What is the relationship between the spark of our soul and the star as you mentioned? You pulled a divine soul down and it feels that maybe there's some relationship between the spark, the soul, and that star or that Divine soul.

Swami: No need to change the subject. No need to change the subject. Good, anyhow, yes, Monika T.?

Monika T: Swami, you said that the Shakti Gayatri had the effect of really helping our consciousness. Can you talk about that?

Swami: Yes, that is one of the major subjects in my Immortal Enlightenment Course, Kama and Kala chakra. Vishvamitra Maharshi, he used the Kala Chakra and unfortunately he done some funny stuff. He break the diksha there. He break the diksha. That's why he putted the *Aim Kleem Saoum*. That's why we repeated *Aim, Aim, Aim, Kleem, Kleem, Kleem, Saoum, Saoum, Saoum*. He created new heaven there. I always tells you, "Don't trust the time." It means Kala Chakra. But I didn't mention second one. I'll give the clarity there – Kama and Kala. Only I mentioned the Kala.

We'll see how it will go. It's a big challenging issue. Different persons have the different belief systems and different layers of the students, and everybody I need to make them to come in one line, and I need to deal with them. That's the challenging issue to me. General talk will be there, again sub-groups will be there, subgroups like forty people, fifty people, forty people, fifty people, forty people...

Many students, they've done tons of processes. You might think, "Swami, I've done many processes, no results so far." There is the results, but you're not seeing it. You're not seeing it. It's still with you. It's still with you whatever you done, "I've performed hundred homas with Swami - no results!" Just I need to clean your mirror with cloth, all the dust, now you can see - clear?

Students: Yes.

Swami: Final question.

Lucia: Swami, in Baba's power spot is satya, dharma, shanti, prema. Is in our power spots also satya, dharma shanti, prema?

Swami: Of course.

Lucia: How?

Swami: What do you mean?

Lucia: Well, Baba had four flames and we have earth element and the Shiva ash. So in that ash, in the mud, there's the same satya, dharma, shanti, prema?

Swami: Yes.

Lucia: Through what is that happening?

Swami: Do you understand her question?

Student: She wants to know how you made it? How you made it happen?

Lucia: We don't have four flames, so how do we have the satya, dharma, shanti, prema in the power spot?

Swami: Ok, wait, wait, wait, wait... who is watching the flames inside in Dwarkamai, guys? Who is in charge? Thanks. You asked

that question isn't it? Good. You ask the flame, he will answer to you! Good luck. Now it's late, go to the arathi. Have a nice time guys. Be prepared, everything, whatever you can, and travel kits and everything. Anytime, never knows with your Swami, ready, jump, one hour time, we're jumping in. Clear?

Students: Yes.

Swami: Done. Good luck.

Students: Thank you Swami!
