Lotus Petal Process

Teaching in the Baba Temple

July 23, 2011

The evening in the Mandir

Swami: Good afternoon guys.

Students: Good afternoon, Swami.

Swami: Sleepy? Tired? Exhausted?

Students: No.

Swami: Frustrated?

Students: No.

Swami: Irritated?

Students: No.

Swami: Good. Myuri, I have a question for you. I don't want to waste the time, I have to do a lot tonight. Give me straight answer. Why the lotus flower is important? What is the secrecy of the lotus flower? How it is related to the Sri Chakra? And how it really affect to your soul and your chakras? If it affected to your chakras, which chakra is the more affectful in your body? That's it. Answer to me, don't go in the consciousness, this and that, straight answer.

Myuri: Well, the lotus petals are the petals of the Sri Chakra of the Mother and they have all the bijas of the angels of the Mother's energy. I'm not sure but I would say that it's related mostly to the heart, winning the Mother's heart, bringing the Mother close to us.

Swami: Uhm-hmm, keep go, keep go, talk, don't give the break make it flow.

Myuri: We've used them to put on top of the Shiva lingam, the Alahala lingam has a way of connecting Shiva with the Mother there. You mentioned that the petals are one of the ways that we're cooling our soul to make it calm, same time attracting, same time pulling that Sri Chakra energy into us.

Swami: What is the benefit? Put that way. What is the benefit to your soul?

Myuri: Magnetizing the Mother's energy.

Swami: Through what?

Myuri: Through the power of the vibrations of these petals, the petals have all the bijas of the Sri Chakra in them and that's where most of the power is, so we're gaining those vibrations, we're pulling those vibrations and those are also helping us to connect to Shiva as well.

Swami: Something you're missing. The petals is bijaksharas, okay... Adi Shankaracharya he fixed the Sri Chakra - good. Lotus flower is nothing but Sri Chakra one part, each petals is like *ya ma ta raa ja baa na sa la gam, sa bha ra na ma ya va, bha ra na bha bha ra va, na ja bha ja ja ja ra*, like this row but in Sri Chakra, something I mentioned it, what is it?

Myuri: Specifically about the petals or about something related to Sri Chakra?

Swami: Let me say this, whole universe is covered with Mahamaya, ya ma tha ra ja bha na sa la gum. *Ya Ma* - that reverse it - *Ma Ya*, Maya means illusion. Stay there...this whole illusions first we starting with Mother, Sri Chakra. In Sri Chakra specifically I mentioned it but I cannot explain until the process really complete it. Even I should not chant the bijaksharas, simply I should do it then send you back to your rooms and take sleep. Let the certain processes keep run it then later on I'll come up. I cannot talk, I should not talk, it's a Maya, hun-um.

Myuri: One thing about winning the Sri Chakra is that you are actually also gaining on the Maha Maya. You're becoming bullet proof to the Maha Maya because She's sitting there. If you win her heart then you can win a lot of the illusions, you can win a lot of protection on the illusions.

Swami: Excuse me Madam, even Ravanaasura, Bhasmasura, Gajasura, even the Mother she... why is there Maya is hitted? Mmm-umm. I don't want failure. Your failure is my failure. Let me be little tough on you until you really understand. Granted? Hello?

Students: Yes.

Swami: Simone, where are you? I know you are there.

Simone: I'm with you.

Swami: Is ok I can be tough?

Simone: Sure.

Swami: After all chakras is completed, finally hitting the consciousness. Consciousness. Today just you do one thing, think your wish what you want, straight what you want and pour on the boss, each individually, pour on his head. Leave it him. Lock the doors... morning by four o'clock some seva crew people will come, take that all the petals out, put in the baskets then everybody shared it. Two petals is enough, you no need to keep huge, two petals is enough. Somebody can go in dwarkamai and bring the emerald lingam, put near Baba's feet and each one-by-one - just pour on Him. Take the all the flames and outside everything, put distance. Your target...target need to be accurate, if your target is not accurate I'm sorry. Don't worry about the strokes, JC strokes, Mother strokes, whatever the siddhis, and chakras - everything it will covers. Everything is?

Students: It covers.

Swami: It covers. Final thing is the consciousness. Clear?

Students: Yes.

Swami: Your target is what... that you need to decide. That's not me to deciding what you want to do it. Today you and Baba, that's it. Shiva energy, that's it. Then I will do, I will sit here and whole night, I'll do my job. Is it ok with you?

Students: Yes.

Swami: Or, if you want to be awake whole night, no problem but it is a waste of time. Let me do... let me do it then another thing, then we will go to the final climax stage and inside dwarkamai. Any questions? Na ja bha ja ja ja ra - that is the link...na ja bha ja ja ja ra... sattvo, tamo, rajo gunas. It's ok, I will explain later. If you check the bha ra na bha ra in a dictionary what a depth it is? What a depth it is.... So, yes this is the time to you to do it. Climate is a little wild sometimes, many people is I heard is a little sick. Try to maintain your health, the journeys we are planning on it very soon. You understand?

Students: Yes.

Swami: Are you want to start now?

Students: Yes.

Swami: Are you ready?

Students: Yes.

Swami: You know your target?

Students: Yes.

Swami: Clear?

Students: Yes.

Swami: Hello?

Students: Yes.

Swami: Ok. Ok guys, remove the flames and everything, and one guy go and bring the emerald lingam, put it close by there (near Baba). Some guys go, help. Ok, leave the Ganesh there as it is. Leave the Ganesh. Ok, madams, go...stand up.

Monika B: Can we translate the most important thing?

Swami: Sure.

Monika B: Just for the Germans that didn't understand?

Swami: Menses women also, they can come and pour it, no problem.

Monika B: And we are asking our deepest wish?

Swami: Not wish - target.

Monika B: Target (translates)

Swami: Wish is different - target is different.

Monika B: (translates)

Swami: Yes? Start.

End of talk
