 Questions: Baba, JC, Dasara, Tears, Penukonda
 Teaching in the Baba Temple
 July 7, 2011

(Swami came down to bhajans and talked with Falk after he sang Manasa Bhajare)

Swami: Next you (Gustav) can give to him (Falk) the flame. Yes, he can carry it. Yes, he's capable. Yes, he's catching it. Even I diverted it, my attention this way but his flow is coming up. Little training if you done it... leave him, he can catch up but you have to teach him Hartha Raga... Hartha Raga. It's a Shiva damarukams with the drums and Hartha Raga, like a Nataraja Kirtana. Shiva is very quite in silence meditating. Once he's turned the way of his dancing it, (snaps fingers) whoa! ...that Martha raga. You can write the *Bhairava Dweepam*, that one movie, that what original song. In the desert the blind person, that Hartha Raga, I mentioned it, that tune. That movie name is *Bhairava Dweepam*, so, that if you are able to teach him, he's perfect to do that, he have that stamina. He does have that stamina.

One final song, any of your favorite Shiva song...take the drums guys. You, yes, drink some water. Want some water?

Falk: I have some.

Swami: Claps need to go as much as it can.

Falk: Number seventy-seven.

Swami: Drums huge... in the beginning start with highs...go 1, 2, 3 start!

Swami to Falk: Ninety-five marks...ninety-five marks. You have to do *swasta digbandhanam kriya*. *Swasta digbandhanam kriya*, like a *so-ham*, everyday morning after, after all your nature calls and everything, just drink as much as you can water...no talk to anybody...just concentrate fifteen to twenty minutes *so-ham*. Breath in, hold the air as much as you can. That's it. And moreover, it helps Tulasi leaf or seeds if it is under the tongue (snaps finger) it will go.

Falk: While I'm singing?

Swami: Yea, just...you can make it. Your crew, your crew is yes, I keep observing Veemala and Sabeena and you and you, Christina Schmidt, and a...few guys, yes. You guys, you really can punch it. You can make as really good team, Shiva Sai Mandir music team. If anybody is driving in a long journey in your car, in their cars, just play it, listening it. They feel like they are in Penukonda. Go!

Wherever I entered in Germany in the house, his songs is there playing it. Thought, "Jesus, what?" Wherever I go there is the Gustav karma is here hanging...even if I went to my daughter house, and next-door he is there, ok. Any house majority yes, majority houses it's running his music. It needs to go establish... I'm not criticizing it's a compliment. It needs to go to the entire the whole countries. This type of music you cannot find anywhere in any ashrams, absolutely not, un-hun. It's a gift. It's a gift, Baba gift given to you. It's not one day your sadhana. Whenever you're in the system, stop all the thoughts, put it, next, if you are pulling that in your mind and you're

singing it, sorry, un-hun. Any questions Monika T? Now you can pack up guys, good, well done!

Monika T: Yes Swami, can you talk to us about the link between the Alahala Lingam and JC's power spot?

Swami: It's linked... it's linked! What do you want to know about here? Let him come out, that's why I made him to play this song. Let him come out from his trance. I really want him to come out before Guru Purnima to test that Alahala Lingam... simple example, if you put the water on top of it will turn as the milk naturally. If you holded it, one person holded it, it started to bleeding amruta itself. That is Alahala Lingam. Before is water is came out, out of that. It has to bleed. We'll see.

You made a deal, something, you want to connect Big Boss power spot, yes everybody's connected it. Still thinking, Patrick, "Whatever our group, still we are waiting." I made a comment, "I don't want to talk with your mind or your heart and your soul, let me work with your consciousness stage." Many people they ask, "Please open your heart, tell me this thing, tell me that thing, tell me this thing, tell me that thing..." What I should tell? Ok, that doesn't help. That?

Students: Doesn't help.

Swami: Yes, to your satisfaction, certain things, I have to talk...for your satisfaction?

Students: Certain things you have to talk.

Swami: I have no obligation to talk, but... "Why is he doing this? Why he's going that way. Why he's turned this way? Why he's turned that way? What will really be? How it will be?" Who am I can judge? Who am I?

Students: Can judge.

Swami: If I judges Mahamaya this way, she go that way. If I go that way, again she'll go this way. If I go that way, she'll...is it necessary to keep go round cycle?

Students: No.

Swami: Is it necessary? You want that? Hello?

Students: No.

Swami: Absolutely not. "You want me to jump, Swami, in the fire, ok I'll jump." Before I'm making you to jump in the fire, first I jump. We're in the same boat. If the boat got sink, of course I'll also be there. To be master and student bond, to win the master' heart is beyond the consciousness - **put** it that way, underline it. Literally, many times in front of Baba and the Jesus, "Hey Boss, help me." If I have a master in a physical form as a really good friend, I'm doing some seva to him. That's enough in this lifetime. That's enough?

Students: In this lifetime.

Swami: Wonned Him... get Him in your boat. The outside people hearing it?

Outside Students: Hardly.

Swami: Hardly?

Outside students: Now we can hear you better.

Swami: Thanks! Karna is very powerful in the battlefield...I'm changing the subject here...more than Arjuna. Karna is a

supernatural powerful...in a helpless mood, his chariot its wheel got sinked and he's lifting the wheel up. At the time Krishna he said, "This is the time, hit him." (Arjuna said,) "Hey it's unfair to." (Krishna said,) "This is the time to hit him according to law, battlefield law. (Arjuna said,) "It's unfair." Krishna said, "Who are you to say that? I'm the person telling you do it! If you cannot do it now, you cannot win him forever. (Snaps fingers) He'll make it crash, whole everybody."

Then Arjuna hit it. He (Karna) lost it. Then Karna is smiling, "Krishna, you are doing this to me? You're breaking the law here." You're breaking the?

Students: Law here.

Swami: Law here. The breaking the law is here in sense, he's in the negativity characters people side. If he's really fighting for the truth, want to make it certain things to grow to come out to the society and the universe, yes, he'll be supportful, "Go head, hit it!"

Baba, you might think, yes, he's the Datta character, totally right. He's the Vishnu, Shiva, Brahma Consciousness...on the surface level he looks like a simple character with a begging bowl, like la, la, la, running. He's making his own simple life but he's obeying his master order, "You stay in Shirdi, that's it! I don't know what you do." "Why he told me to go to Shirdi?" The villagers not allowing him to come, he cannot get the food. He has to sleep as a pillow as a brick, with a brick. The cold season, rainy season and he's a crazy, but he stayed. Then whoever is going walking by the road, and he's begging, "Please can you help?" Somebody's coughing, somebody have diseases, this and that, and that and this. Then he's giving, "Okay wait, wait, wait, wait! Take the sleep and eat, you'll be fine." Slowly he started his practice there. Even when I'm studying here at the University, one guy got bitten with a scorpion. He's a shouting, and four or five people is holding him, and they're running to the doctor and ooh unbearable pain and he's suffering. I said, "Wait, wait, wait, what happened?" He said, "Who are you? Just he's going through hell. Let me go to the doctor." I told, "Okay, where is bitten it?" His finger they tied it all the stuff. "Let me see it." They're all

thinking, "He's a crazy, who's this guy?" From my room I'm just coming out in the street and the people is there. Then I holded the finger, "Wait, wait, look at me, few seconds look at me." Gone. Then he start, "Ooooh. Ooooh." "Be happy man. Go, take rest." Then I went. Then they started to researching on me, "Who's that boy and who is that?" Then slowly... in your camera you caught the cobras, Johnny? With your camera you caught the cobra in the cobra house?

Joey: I didn't see any Swami. I was looking.

Swami: Try tomorrow. Make sure the hiking shoes, wear it and just (clicks fingers) you go there.

Johnny: I'll put my track shoes on, my fast shoes. What time you suggest I go?

Swami: Any time, even late night.

Johnny: Alright, just thought I'd ask.

Swami: Go. I know you're looking for that. I know, I know your thought is there. You want to see it. Ah-ha, have experience. You will see.

Johnny: You planted the seeds Swami, last night by the way over there. Okay. It's okay.

Swami: But today you tried pretty good and just you want to make it, capture certain things and lucky boy I made it. I don't want you to run and otherwise just...

Johnny: If you see lot of dust in the air Swami, that's me going this way, away from it. That'll be me.

Swami: What?

Johnny: Running fast, the dust goes in the air like a car, then you know that's me, Johnny running.

Swami: Good luck.

Johnny: Thank you.

Swami: Can't say more than that. So what is your question Monika T?

Monika: The question is about Baba and his sleeping on the brick. You mentioned the scarf, what is the importance of the scarf around his head?

Swami: He's always working with his consciousness, the scarf. Yes, the holding the scarf is symbolic of his consciousness.

Monika T: So, you said then he was using his consciousness and not his third-eye? He wasn't using his third-eye? Can you help us to understand that a little bit?

Swami: Give me example.

Monika T: Trying to understand that. You said he did not use his third-eye even though he had a powerful third-eye like Shiva. Instead he was using his consciousness.

Swami: Millions of people keep asking the help of the Baba. To transferring the energy is not a joke. Is not a?

Students: Joke.

Swami: How many people is asking of a small character, a leaf, how many hundreds of thousands of people they're having a picture of in their house, they're looking at me whenever they need help. The best thing is sadhana, and second channel is seva - sadhana and seva. Third one is sankirtana and moreover, if you're not creating people around you happy, I'm sorry to say, it is completely nonsense. Hungry people... a blind person... whoever they need help... if you can do it - do it! Do it! Help ever! Even intentionally don't hurt somebody or be responsible for a tears. If you're responsible for somebody's tears, that's the worst thing you can do that. I will be very distance to that person. If somebody's making somebody happy there, I'm with you there no matter what. I'm with you there no matter what. You're making happy, taking the weight out from somebody's weight, "Hey come on, let me take care. Let me handle this problem, you be free, no need to worry." That's the life otherwise to be... I won't consider you're a human. You're not human. It's a joke? It's a joke of your life you came on earth and you're gone? What else?

Monika T: Swami, this a question about Jesus and where is Jesus' gurusthan?

Swami: Penukonda. Last night we went there. That is his gurusthan - period. It's a twenty three feet rock is there, all angels sculpture. I bet... I'll give my toe...even any government of India, any person...it's not me done it. It's already there. Let them dig it, they can take it out, "Yes it is there." I'll give my toe. Clear. Forget about some manuscripts whatever it got destroyed, whatever is happened... it is there. And moreover, Hanuman is protecting...and his symbol also there on the rock. I read it. I saw in my different angles, austerities power, whatever you consider, it is there. Today is me... I'm here, tomorrow next person, next person, next person, next person, next person - generations, yes it is there. Don't underestimate Penukonda Fort. What else?

Monika T: Swami, who was Jesus' guru?

Swami: Mother. Mother. I think it's time to go to arati isn't it?

Monika T: No Swami.

Swami: What else you want to ask? You keep digging it, digging it, digging it questions.

Monika T: We're very grateful.

Swami: If I want to present and something if you want to read it, you cannot able to read it and understand. I can't believe the Mahamaya. I tolded it, "Let me to be show in a room." Try to keep... check your emails or your Guru Day Message, "Hey, click your television, it's live is coming in a few hours!" "Okay." Even you can get the flight or not, yes your Swami will be there."

Truth never dies it always wins it...true love never lose it, it will win it no matter what. Stop your 'monkey mind.' You seen me thirteen, fourteen years in this ground, how much it is today, then you'll see, you'll see. Whole globe will start looking at it, "What's going on in Penukonda? What's going on in Penukonda?" The worst thing what they can do to me, I totally prepared for everything. I totally prepared, hun-un... I'm not for your money, I'm not for your anything else just who will stand for the truth...

Big Boss, even his students he blindly trusted them. He tolded them, "Try to be awake." They take a nap. One guy...then few guys we tooked him. Who carried him on his shoulder, one guy is here. I don't want to mention the name but yes...the holy ash, yes, Mother Mary healed it. Don't underestimate holy ash. Don't?

Students: Underestimate holy ash.

Swami: If your Womb Chakra is very stronger, yes, you can do the wonders, wonders. The biggest block what I seen it, always the boss is saying, the wealthy characters...they always say you can give

enlightenment to a normal person, something I mentioned. You can put a whatever it is thread and a needle, even a camel can get the enlightenment but the wealthy donkeys cannot get it. "Oh, I know the knowledge, I'm the beauty, I'm the perfect, I'm the honest who gave that wealth to you." Today you have wealth, tomorrow, who knows you have that wealth is with you or not? Today you are beauty, tomorrow you're still beauty? I doubt that. I doubt it. Today you are healthy, tomorrow I doubt it...for this tiny things you are arguing and you keep running, chasing, chasing, chasing, chasing - no limit. No limit - keep going, keep going, keep going...

Many years back I also, I mentioned it, one day India will become supreme wealthy country in the globe. You can check in that videos, I tolded it many years back. Now is the time started, wealthiest country in all angles. I'm not belonging to only to India, I'm belonging to the global person, we are one. That side and this side many rooms (*referring to SW and NW apartments*) I given as a gift, as a purely gift...am I charging anything to Gustav to you, to your room when I'm giving a gift?

Gustav: No, Swami.

Swami: If you checked it, sixty percent of the rooms I given as a gift. Ok guys, stay. Go, stay, stay, "Swami, can you give some flight ticket, I can go and I have to come back?" Ok, go. Because of, I have it I'm giving it. Certain angles Brett knows it, how I'm dealing with Brett and Birte, these guys, the office people. It is a crazy taxes this and that and this and that, ooooooh it's nonsense. I ask one tax commissioner after he took the money from me, this, good, what you do with this? "Again it going to the people." Why can't I do directly to the people instead of giving to you? (laughter) Who knows you're giving it or not? If I trust, I am giving directly to them. "It's a law, this and that..." In the, my co-author royalties, some crores of rupees they sees it. Ok, he's keep drinking the water and just and he offered me, "Do you want to drink some water?" I said, "No, you drink, I'm fine, please carry on." It's like fifteen, twenty minutes later then he started drinking. Then I got little...he answered me little kind of disrespectful then he putted the water in his mouth. It turned burning his mouth like whoooah! Hot, like a hot coffee. What is this? Good luck, I'll be in that hotel. If you want to see me, come. That evening he came. I

didn't give the interview then he came, "Please, what, what can I do for you?" Nothing, you do your job, I'll do my job. That's it.

So, why I'm saying this, in the Divine Court you should be a winners. Surface court, forget about that, the Divine Court you should be! Stand for it then only it works. The Divine Court, yes. If you gave your oath, that's it. What else Monika? A big talker, I know just...it's a little scary... it's Baba's arathi time.

Monika T: Well Swami, the question is about consciousness. We received the blessing of consciousness, but is it, you said Shiva consciousness or Brahma consciousness, what is the difference?

Swami: All consciousness is you so far guys, you winned it. It doesn't matter is a Patrick came in dwarkamai or not, he winned it. Some people, oh no I want to go dwarkamai, I want to see that, like I want chocolate, lollipops and whatever it is, ok. (laughter) I can do that! It's not a big deal...ok let's go! I'm happy, just I thoughted what I should do with my clothes and all stuff I packed, all my luggage and my journey, so far not happened it. Your body no need to go...uh-uh.

In August twenty-fifth, twenty-sixth, twenty-seventh there is a Krishnadeva Raya festivals running in Penukonda. I'm making it pre-poning it, fifth, sixth, seventh - three days. Last year also, we performed, we feeded hundreds of thousands of people. Just I want to ask in public, in press, in meeting, give me one-week time, how much debts of India have it? One week my time, no objections, just follow me whatever I say - that's it, everything will be clear out. You have no law doesn't apply to me. Give me free bird then later on you can do whatever you want to with me. Complete clear out. I don't know what I do, how I do, no objection but I need tight security (snaps), I need my own crew, just do it. I'm talking with very alert. India is have the debts, ok, one week chance, give me one week. If I can't able to prove it then you do whatever you want to do. If I prove it, give me complete freedom wherever I want to go, let me go. I won't harm anybody, I won't damage anything, let me do my job, complete it.

Of course in front of thousands of people I'm giving that press statement. I'm the chief guest. In Penukonda, that Revenue Minister you met him, you saw him. When he's came he did a mistake and he

ate little chicken and he's little scary to come inside in front of Baba, "No, no, no, no!" he said, "I'm in party and this and that." It's open challenge. I'll be clear out, I cannot run, somebody putted heavy threads to my legs...and able to help to the humanity in India. Publicly, I'm asking step-by-step, let's taking care the humanity. What else?

Monika T: Swami this is changing the subject but it's about tears and the Womb Chakra. Because you never really explained what the connection was to that.

Swami: It's a little difficult to make it Womb Chakra stronger, put that way. I never ever, majority timings like tears. Is pretty good nonstop flowing when I'm in Germany... and I'm a good fan of Rajasheka Reddy (former Chief Minister of Andhra Pradesh), with the drought time and he started it. He changed it through the Revenue Minister, who at the time was agriculture minister. Hey, it's possible a kilo rice is 30 rupees? You can make it for two rupees. How it possible? I given the perfect plan, "You go this way, this way, this way, this way, this way, it helps. I'll try to convince chief minister, we'll see...(snaps) he did it, two rupees per a person, a kilo rice, thirty kilos for a month.

Oil drastically just fall off, everything is...no need to depend on the rains, you do this way. Now the whole plan is from north to all the way to the south, all the rainwater that rivers keep coming to hit it. You cannot able to see anywhere any drought, everywhere is a greenery - it's possible. It's possible. It's a possible. It's a quite amazing, a square feet a land in Penukonda cost is one... How much is in America? Tokyo, let's say Tokyo - no, they cannot buy it. They're little scary in Japan to buy a land.

Student: I don't know real estate in America.

Hanuman (Jim): It depends where you're buying, Guruji. So is it New York City or is it Montana?

Swami: Ten times cost than the New York town, Penukonda right now, ten times cost. It's completely... even it's not even in the Bangalore - that much cost. Why is Penukonda this much? *Whooooo*, it is going up! There is a reason. Ok, what is your question?

Monika T: Swami, still not understanding about the tears in the Womb Chakra...because you said, "Tears, does one eye cry, no both eyes cry." Can you talk more about the mechanism of tears?

Swami: Just is salty, forget it! Already I explained about that. It is there it's existing... Somebody comes to me and they sit. They started talking, talking, and then they're crying, crying, crying, it is endless. First I heard beginning point, then the last point. I checked the time, two hours over, they're still crying, Ok, good." "Ok, everything will be fine, don't worry. Good. Excellent." They feel they discharged, "I told everything to Swami," but it takes one minute I can understand, but two hours they keep crying, and crying, and crying, and they're telling, telling, telling, telling, telling, telling... I don't know, it's a special art - eww! It's a special art. Like they pull from the childhood days until to now, they keep talking and, "Ok, she have heartbroken, done. Ok, right, that point clear." "Give me healing to the heartbroken." That's enough, then on, and on, and on, and on, and on... Paul Aryeh, are you hearing me?

Paul: Yes.

Swami: Good. What can I do? Two hours? You can tell within one or two minutes. No need to go that much lengthy time, "This is my problem Swami, help me, take care of me." Done. But of course some emotionals and pain is there, it's coming out, yes, for a little, certain extent, non-stop hm-hm.

Whenever I call my mother, she's also pretty good art of living and crying. "Ooooooh, ok, alright, excellent, good, don't worry... I had my dinner, good. I'm good, everything's fine. You had your tablets? You're taking your perfect medicine? Everything good? Right. You forgot in your kitchen, your cylinder is on and it's overcooking there. Go and stop that cylinder, that gas." "Gosh wait a minute," then she

runs and she turn off. "How do you know this?" "It's ok ma, come on, it's ok! I know you since long time. It's ok. You have to change that it is so salty, change again, cook the new dish."

Point is, the Womb Chakra to make it stronger, tears unnecessarily wasting it, it's nonsense. No, no, leave it to the Guruparampara, let them take care. Many times I called the Das and Narayani Ma, "The arathi is running here. Hey, arathi is running here, why can't you come and join us?" Since seventeen years, sixteen, seventeen years, they're with me. She said, "See, we're happy to do arathi to you. If we do arathi to you, it's equal to Baba, that's it. We pranam Baba, that's it. We start the cooking, we're happy. Don't force us." Then they're squeezing to Chandra, "He's not eating yet. He had his lunch? Chandra, you go and feed him. And whatever the Chandra doing, the mistakes, whatever the woman's doing, the mistakes, Narayani Ma automatically getting all the informations there, and she's doing the arathi to me, and just putting it, she's telling, "So and so doing this, this, this." "Good, ok, right." They're such a dedicated 'do or die,' they're dedicated. They're dedicated. We want to do seva...seva, that's it.

Cleaning the Baba Mandir here and fixing the Baba's altar, it's not a joke. It's not a joke. Some people they're fixing the oil lamps in the Jesus temple, and I keep observing them how they're doing it. "Make it faster, ok." Of course, they're doing faster but I tell them, "Make it faster, quick." The floor cleaning people also, "Fix it, still marks is there and do it with the Dettol and everything." They're cleaning it and it is nothing but *porojam ma sukrutam* (telugu sp?). It's nothing but *sukrutam*. *Sukrutam* means, it's given by gift, they purchased a gift; automatically they purchased it through good karma. Good karma they purchased it. What else?

Monika T: Swami, you said that the Womb Chakra equals Mahamaya, so it's a little hard to understand because it's also the place where we're going, where it's free from Maya. So, can you explain the meaning of that?

Swami: Give me example, please.

Monika T: Well, you said the Womb Chakra is equal to Mahamaya, but when we're in the mother's womb, that's the one place where

we're not experiencing the Maya, we're protected from the Maya so, what is that? What is the meaning of that?

Swami: Until that Alahala Lingam come out I cannot explain that. Here I'll give a little clue, *ya ma ta raa ja baa na sa la gam*. *Ya ma – ma -* ok block that letter. *Ya ma ta raa ja baa na sa la gam*. Here in the Jesus power spot some people have confusion, *tesraim*, or *desraim*. *Tesraim* or *desraim* what is that? But there is a in-depth, *ma*. *Ma* is not an ordinary word, *maya*, *yama*, it's not a ordinary letter. Everything is generated through in deep silence with *om karanada*. To be in that silence stage, that is a challenge. That is a?

Students: Challenge.

Swami: Challenge. Really, really, really getting a silence... It won't come even you wrap your mouth whatever you do it. It only comes through Sri Chakra and Womb Chakra. Whenever you are in the Womb Chakra, you are highly protected. Once you came out then Maya starts, then Maya starts. It's like kind of cocoon making itself. It's all nonsense Maya. Many people have confusions, "Swami, I'm here with you and I can't able to understand, I got completely confused. How, how, how, how to win it? How to win Mahamaya?" You are on the track. You are in right track. I'm not exaggerating it. You are in right track. Win it - don't lose it whenever opportunity comes it in front of you. Get it. Get it. You have to.

Virabrahmhendra, he predicted the astrology whatever is coming. He took the Jiva Samadhi. I wish one day... you go guys, there, and have a little photos and try to available to the upcoming generations. Tomorrow, here also Guru Ragavendra's guru, master, Jiva Samadhi is here, just five, six kilometers. How many people saw that? Good. You saw Falk?

Falk: Yes.

Swami: You have the video?

Falk: Yes.

Swami: Wow, you can able to just...they said it to their consciousness, and they leave their soul. The next Dasara, Mother Divine festival, no matter what, by grace of Baba and Mahamaya, whatever She does to me, I want to install Sri Chakra. I will do it, I'm confident. Is my physical presence might be available here, or might not be available here, but Sri Chakra will be here - no problem, absolutely no problem. But please, whenever you enter inside the Dwarkamai, don't underestimate inside the Dwarkamai. Even you went inside of the Lord Venkateshwara Temple - that is different vibrations. You entered Himalayas - that's different vibrations but especially inside of Dwarkamai, are you noticed guys?

Students: Yes.

Swami: Many people comes with tons of questions... once if they are there, gone, it is gone. To really to catch me into able to certain things to get it, it's a only majority possible two places - one is I am sitting here (in his Mandir chair), and one is I'm in dwarkamai. Moreover, that is the place if I'm inside of dwarkamai (snaps) I have to talk, clear, this, this, this, this...that's it. That is the greatness of dwarkamai. Good. I think it's time to we took one hour grace time took from Baba. Let him go on his job. Shall we do arathi for him? Hello?

Students: Yes.

Swami: Never knows, he's avadhut - please. Good luck.

Students: Thank you, Swami.

Swami: Please stand up... call the pujaris.

End of Talk
