A Talk Before Viewing the Veera Bramhendra Movie

Teaching in the Baba Temple

**Swami:** Hi my Dear Divine Souls. It's Swami. Today the message is the subject of major... we seen the pattern of the earthquakes, whatever it is - nonsense, leave it. Okay, so far unbelievable characters, whoever is the eighteen people working in the Dwarkamai. Unbelievably I really admire them, point one.

Point two, it is a kind of a mystery of the Mother is giving the nectar out of the blue, put it that way... Out of the blue means, a blue, blue, blue, blue, blue, in astrology who likes the blue, blue? We're all one family in the globe no matter what. Now we need to be strong as a unity forever and ever until to win the victor. Once we win the victor, not victory, victor, then we can create the nectar. That nectar is a kind of amrutha.

Mother is unbelievable kindness... you have no idea... She's maximum protecting us. I recommend to everybody as much as you can, I told you guys and several people...of course sometimes I give the little hard time to some people and make them the tears. Underneath there is a reason, put it that way. But the globe, each, each, each minute you keep watch whatever it is happening, "Right, thanks." She's totally our side no matter what.

Moreover think your consciousness and bring your strength up as much as you can, up. You have to. Not cannot, you have to get a powerful strong then only who is the top hungry, thirsty person you can give enlightenment to them and giving the upadesh whatever it

is, the bijakshras. But first hit it, hit it... Understood? Hitting means, there is a sense a cobra likes certain things. A woman always likes certain things. Men like certain things. You can discover that then the history will restart.

Now the Buddha will show the Veera Brahmendra movie. Try to please watch it. I'll be there in a short time. Just give the harathi to the Boss Baba - He's our protector. I will be there. Everything is, every minute in the Boss hands. That is the, what you're seeing in front of you guys. I'm humbling, respecting, and I'm blessing you guys try to watch as soon as possible the Veera Brahmendra movie. Veera Brahmendra, who wrote the Kalajnana Chakra, put it that way, Veera Brahmendra movie... Put the screen on and start the movie and give the harathi to the Boss first. Then Lord Venkateshwara pray, of course I did in and around Lord Ganesh. I'll see you in a short time. I have to listen the movie, carry on guys. Mission is important, not mission, that mission need to be as a message to the globe to be... stop where you can figure out...we'll figure out. We're all kids, put it that way. Buddha, (student) careful and start. Thank you.
