Shiva Ratri Program 2012

Swami Welcomes Students and Shows the Movie, Manjunath

Talk in the Baba Temple

February 16, 2012

Swami: RK, how is the hospital running?

RK: Very beautifully.

Swami: It's going up fast?

RK: Yes, very fast.

Swami: Sorry guys, some little business meeting I had outside, and I talked and I finished it and I came back.

Welcome to Shiva Ratri Program my Dear Divine Souls. I know lot of people got lot of confusions. That's quite natural. Steve, they started the work, Monika and Nityaananda?

Steven: Yes Swami.

Swami: They started same place all the group?

Steven: Yes.

Swami: Good. Something unbelievable interesting, *Sapta Kriya*, what I taught to them and first major step world sensation thing we're doing guys. It started my Dear Divine Souls... it will get succeed. Second thing, the book is ready. Third thing, the Big Boss A to Z that thing, Martin and Chinello their side, they're also ready. And the remaining certain experiences is not a big deal but the first step what I took, what they're doing it right now, how many hours I dictated non-stop Steve?

Steve: More than ten hours.

Swami: Keep running, running, running, running, running... Many people misunderstanding, "What's Swami doing sitting in the office? Different people coming up, going up, and he's coming down. You have no idea, I'm as kind of a candle. Even though I'm just relaxing and getting fresh-up, and even today's Revenue Minister, whatever it is, and just I met it, and hospital work business is running and this side running...

If it got that succeed, the globe, whatever it is, in a few hours we'll know the results...in a few hours. I did not even touch it what it is, just wait. Themselves whatever they choose, their group, several people, "Okay right," they started. You might think, "Swami might be little crazy." Of course I'm crazy. To the Singapore girl also I said, I wrote it, "You are crazy," to Vijaylakshmi, ha? Coming from Mother Divine, and just looking the homa place and just fixing it... Sometimes craziness also works out. If you keep eating the sweet everyday, how it looks it? Hello? Martin?

Martin: No good.

Swami: That's why you're fed up with your wife?

Martin: Always sweet my wife?

Swami: Backside she saying yes, ah ha, ha, ha, ha - nope.

Martin: She's not always sweet.

Swami: She's not always sweet? Why you're not sweet madam?

Gundhild: I don't know.

Swami: Why he's saying that?

Gundhild: Well sorry Swami, you have to ask him what he means I'm not sweet.

Swami: You need to ask him, that's your right.

Gundhild to Martin: So briefly, what do you mean?

Swami: What is it? Tell me, we're all waiting.

Martin: Okay, if she was always every time, everyday the same, it would get little boring. Sometimes it's like this, it's fine. Sometimes it's like that, it's fine. It's ups and downs, and different... it's not always sweet, but little sour and coming back to the sweet - that makes life more interesting and I do love her.

Swami: Say again.

Martin: I do love her.

Swami: I'm not asking you love it or not, why you said she's not sweet? That's my question. Why you said it? We all heard it.

Martin: I did not say she's not sweet, I said she's not always sweet.

Swami: She's always sweet?

Martin: Oh my God, you're twisting the words. I cannot follow.

Swami: What you see the negative points in her? It's a Shiva/Shakti energy, put it that way, we're talking. It's a Shiva Ratri Program starting beginning with you.

Martin: Well I like that she likes my bald head.

Swami: It means, I have the hair, she don't like me?

Martin: That you have to find out, I cannot tell. Oh but the...

Swami: Oh alright see, okay, next.

Swami to Gundhild: You like the bald head?

Gundhild: I'm use to it, yeah.

Martin: She got use to it.

Swami: Okay, finally she committed it. She's a betting you.

Martin: Okay, then next, we're both characters.

Swami: What kind of characters?

Martin: Well two opinions are different. It's no easy that one is completely stepping back, but we have to talk it through and sometimes it's a little rough.

Swami: What is a rough? Where? What time?

Martin: Well, if I'm not coming home or doing this and that she...

Swami: What's that, what's the this or that? We need a clarity.

Martin: That is too intimate.

Swami: What is doing this and that? What is that, this and that? What is this? What is that? Where is that? This is okay here, where is that?

Martin: I don't' even have time to think about it. We're both leading characters, no we're not bossy, we're leading characters. We try to do the best to make life as sweet as possible for both of us, that is the *that*.

Swami: Ohhhhhhhh. Do you understand Gundhild what he said?

Gundhild: We're both always right and that causes conflict you know. So we need to be forgiving nature always...

Swami: Why you need to be forgiving?

Gundhild: Because he's not always sharing my opinion.

Swami: Ah-ha.

Gundhild: And sometimes that is not easy.

Swami: To whom?

Gundhild: Well to both. So I think he's talking about the reaction to each other... you know if you're not on the same page, or you have different opinions and you have to work that out in a relationship.

Swami: So you have the relationship problem?

Gundhild: Um, I wouldn't say that.

Swami: You said that. Hey guys, she said it or not?

Gundhild: I mean if we wouldn't have things to discuss it would be really boring.

Swami: What? Say it again... I'm sorry I have hearing problem you know... (teasing)

Gundhild: If you wouldn't have a lot of things to discuss it would be boring. So...

Swami: Boring?

Gundhild: Yeah.

Swami: With whom?

Gundhild: So if one always says 'yes' ...

Swami: He always wants to say yes?

Gundhild: Oh no. And therefore we have a lot of discussions and that is eating up a lot of time because we both think we're right. But I guess a lot of couples you put together here have the same conflict, no?

Swami: Don't involve everybody here. We're only talking about both you guys. I know who to trigger on next, already I figured out it.

Gundhild: Yup.

Swami: What is his bad quality in his life? The most worst three qualities? Be truthful. Don't look at me, look at Baba.

Gundhild: Yeah, I'm thinking. Well sometimes he says 'yes' too early, if he's doing what I like and then he's not doing it. I think that's one of the worst things.

Swami: Un-hum, next?

Gundhild: Well he thinks he's the boss. (Swami is hugely laughing)
You told me to be honest, that's honest. (Swami can't stop laughing)

Swami: Ah-ha, go on.

Gundhild: Well these are the two things I can think about.

Swami: We'll give thirty seconds.

Gundhild: We can't decide on the same country, same location, where we want to live.

Swami: It's totally whole movie is a failure, the relationship.

Gundhild: Oh no. We have something to work on.

Swami: Still working on, how long?

Gundhild: Well by the grace of Baba we might get it on a new level.

Swami: Going to Switzerland, this and that, I know him very well. Don't feel embarrassing guys, we're a family. Of course I'll also talk myself too. No problem.

Gundhild: So we're both very committed to the Divine Mission and the things we discussed with you. And I think it brings more clarity staying here these two months doing certain tasks. And I think it brings out more clarity in the life outside the ashram. And maybe not worrying about too many mistakes and failures, which makes us upset. Because the longing for the truth, that's what we really share.

Swami: What do you mean by the truth?

Gundhild: I mean you've been talking a lot about bringing out the truth and we have to stand for the truth 'do or die' in this program and other programs. How to bring out the truth and share it with the world. It's easy to talk about, well more or less easy to talk about the divine truth here in the ashram. But how do we stand for the truth outside? And we need to be, well soul-mates in a soul family to stand

for that because there might be others they want to prevent us from standing for the truth. And that led us overcome a lot of things we might have gotten into a fight before, and we're not doing that anymore.

Swami: Hum... Every soul, if you need to get succeed, another soul need to be very, soul very strong, supportful, whoever it be, for your mission. Who totally understand you, that character is your really soul-mate. If you do not understand that soul, I'm sorry... In this physical level, unbelievable travels, unbelievable things, whatever it is, charity works or whatever it is, non-stop working. The subject is here, every female need a male very strongly, and male person should not even doubt - Rama he got a doubt on Sita and he put her in the fire to have a doubt on her. Keep telling it - this is Kali Yuga. Completely Rama is a heartbroken...mistakes is quite natural. Wherever you have the real forgiveness and understanding each others, whatever it might be, there is a Shiva-Shakti energy will started. Wherever the Shiva-Shakti energy is there, not only in romantic way, in any circumstance.

You might think, "Swami keeps marrying different, different, different, different, different angles people?" The ultimate, whatever the Maha Maya She want to do it, She'll do it. So need to be very cautious, and once you decided and committed, that commitment should be 'do or die' that commitment need to be there. If there is no any commitment... sometimes it's emotional, sometimes you're depression, sometimes you're doing mistakes, whatever it is, whoever with whom, even to Guru Paramparas... once if you have a question mark in your heart, to erase that it takes lot of time. Once you start to getting a heartbroken, once you give a chance to your soul, the glass started to breaking it, then it keeps starting to breaking pieces, pieces, pieces, pieces, it becomes more sensitive. Tendency you'll lose it.

So, why the Maha Maya is playing in this globe, different, different characters, and different failures and wars and Mother behaving certain times funny, and the bridge that much gap overall taking this? Because of the lacking of the knowledge... One person you need to allow in your life to guide you in a proper way. For example, if I really want to release the book on the day in Kempinski I could have released it, it's not a big deal but testing, let's see... The Big Boss, where it is all A to Z, Martin and Chinello and Nadira, and few people they know it... all A to Z the Jesus.

Steve he did unbelievable one angle one job, each person different, different jobs. The whole night whatever it is, the (Vivian) Group they keep doing the abhisheks, they keep running and running. Let's see their patience, whatever it is. It's not a big deal to me to go there and just whatever they want, just give it, come out. We'll see who's really committed. Keep examining it. That's why Baba he always says, "Shraddha and Saburi," practice and patience, patience, patience, patience, patience... Tatya is such a great, strong servant devotee, thick and thin, from the childhood days to the Baba. Twelve years he's in the bed, Baba did not even look at him. Unbelievable service he did it twelve years Baba completely he ignored. To Baba, one minute walk. He tortured, "Let we see." Then finally he surrendered. Whenever his karma was completely burned, Baba lifted it.

Last night, whatever it is, the energy is amazing in the Dwarkamai. Unbelievable! We'll wait and the see the results what it comes, these guys, what they're doing it. Until then, I'm better to be quiet. By tomorrow 10:30 sharply the homas is starting. You guys is sitting and chanting. Very gently you're taking your mala and Nine Arrows. If you don't know the Nine Arrows you do your Personal Mantra. Let the first step get succeed in a couple hours, what they're doing it. In the globe it's amazing sensation thing, what they're doing it. Reading the palm leaves, "Right, right, right, okay go ahead, go ahead, go ahead, go ahead - proceed." It's not a joke.

Certain steps once I done it, then I'm really free bird. I'm really free bird. First step we'll see. Steve, certain things whatever the... disappear or not?

Steven: Yes it disappeared.

Swami: How many people are left?

Steven: Ten people

Swami: We'll see, we'll see, keep disappearing it? How many times it got disappeared?

Steven: I think three spots.

Swami: Am I touched?

Steven: No.

Swami: I didn't touch, it automatically disappearing it. That is the supernatural power. Creativity starts there, that whatever it is, we'll see in a couple hours. "Swami, you always says that but never we didn't get it." It's okay, patience...patience, don't worry, I don't want to make you patient. Be patience. It will definitely get done.

So my Dear Divine Souls, your wealth, your health, your life, is not in your hands... Huh-un. Be strong. Whatever the form of the Guru Paramparas, even Ramana Maharshi different form, Baba different form, I'm in different, different, forms, sometimes there's a suits, sometimes I never take shower, sometimes I never... they think Swami is little funny, this, that, this...to the Maya the waves, my boat is going like that in the ocean (*shows with his hands waves going high up and down*).

So, 10:30 try to be sharp and to be to the home and chant what the Brahmins and priests are running. I gave instructions to the Chinello, "You clear Chinello, your side one hundred percent?"

Chinello: Yes, clear one hundred percent.

Swami: Done about the Big Boss Jesus Christ. You sure the Shiva Cave you fixed it?

Martin: Yes.

Swami: Your part is done, right. Let it run... We cannot take at a stretch simply take off. Peacefully they'll succeed in the globe. Simone simply she's saying, "Swami, the Shiva Lingam is growing in my

house, what can I do?" I thought, "Is the Shiva Lingam is growing, or your emotions is growing?" "It's a cracking and it's growing." "Good, good, good, okay Simone, wait, wait, wait..." I didn't give answer yet. How smart she'll be, I need to figure out. In front of the fire I'm laying down there, the Shiva Lingam jumped and fell off and it started to growing. If really she's a spiritual student to understand, this clue is enough. Her house Vaastu, everybody declared she need to demolish it again I'm saying it, I'm changing the subject here... And she have lot of attachment, "um thanks," Randomly just I throw one arrow kind of, "I will charge this much, whatever it is." She agreed, "Okay right." And I fixed it. Top guys came in, they said, "You need to sell it or demolish it." Simone?

Simone: Yeah I think you talked with top expert on the Vaastu on the house and they all kind of thought it's not fixable. And then you came checked out the situation and you found the way how to fix it.

Swami: Her emotions and whatever her relationships, whatever, A to Zed, gently taking care, fixed. Tough cookie, very touch coconut Simone, hun-un, oh my God, very tough, but very loving nature...sometimes very laughing, same time very angry, "Swami nobody's not..." crying, crying, crying, crying, "Ah thanks! Nobody's responding!" Oh somebody's not responding, I'm responsible for that? But Shiva is growing in her house, "The Shiva Lingam is growing in her house and nobody is responding," that is her comment. And she need enlightenment... Humm... How many days I slept in front of the fire in front of the Shiva there?

Simone: Two, three nights...

Swami: It jumped out?

Simone: Yes.

Swami: How big it is? You really can lift it?

Simone: No you can't lift it up. One person can't lift it by itself.

Swami: So how it can jump out? Thanks! That is the response by the Guruparampara' grace, everything is possible in this universe. Once if you really have the good concentration and good faith and dedication, yes, if you really committed, that commitment if you kept it, you really will win no matter what. In front of the love and forgiving nature, automatic A to Zed will come. So, I hope everybody is sleepy? Are you sleepy guys?

Everyone: No.

Swami: So Buddha will organize the movie, *Manjunath* movie, the Shiva character how it will be, and try to think in-depth, in-depth, I'm giving small homework to you guys tonight. So just watch two and a half hour movie, just they watch then take sleep... in morning in front of fire pit ready to go. We'll see... This movie is running this side by the time they'll be done... Everything really okay Steve?

Steven: Yes.

Swami: For what 'yes?' You seeing anything panic in their faces? Okay, take break, and make the screen and play the movie. I'll be hanging around. Don't make me hang here that easily, and let me get succeed. Good luck!

Some Notes from what was happening inside during playing of last night's video:

(Swami had his 'Special Conch Power Object brought down and had Simone pick two women and Alex pick two men and he put the conch to their ears to hear the sound, to receive the shaktipat blessing. Afterward he gave Simone the conch as a power object. After giving it to Simone he gave few statements.)

These are notes. No time now to get the recording transcribed in time for reading.)

Swami: With that (conch) your one country take care of millions of people. That and Shiva Lingam put it together and see. Unbelievable healing abilities, can heal lot of disease. Just put it to the person's ear and give shaktipat. Take it out - peaceful. It will give healings, any fear, it will come out, that is the boon you get... whatever you want, put it to the ear, wish it, will be completed.

Whoever is hungry anywhere in the globe, give them food, Annapurnishari very powerful. Shiva will only bend with the hungry. Now that... is one angle. You can see later on, every Full Moon what color keep changing it. Open challenge to scientist if can find that. Science is a kid - spirituality is forever and ever immortal. Spirituality can make it alive anything, science cannot. No. With evidence to palm leafs and Power Objects step-by-step we'll see.

I don't know how you're going to take care. Do your job. Don't misuse that for your own selfishness. Do the good works with many people. About the conch in palm leaf book I'll talk on Shiva Ratri day, Guruparampara lila I'm giving to her. Go. Done. I gave the milk pot, I need to give yogurt then she needs to get the ghee then she can figure out. All you guys can figure out. On the day I fixed the Shiva Lingam in Latimer, in her house, northeast when fire was going, Shiva Lingam jumped out. That conch has no diksha - any menses women anytime, you can give the healing.

(Referring again to Sapta Kriya Process) I keep seeing milk is evaporating, it evaporated...it can make it anything appear, disappear, let them.

(Back to Simone) If Simone continue to see palm leaf book, that's it. I don't know how she can convince me? She's got the milk pot, now the palm leaf book if she got convinced me... I don't know which angle she'll come. Constanze convinced, Nityaananda convinced, if not, sorry, I'm tough character.

Why I need to give experiences of group? But I do it. Whatever all the wishes only depends on you, how you're going to convince me, steering is your hand.

(Swami mentions the sound of the conch in people's ear sounds like the huge wind that was happening in the Manjunath movie as he was watching it with his students. Everyone who put it to their ear, heard that sound.)

End of Talk
