*Swami was talking about his student's processes*

**Swami:** Cindy, is it going well?

Cindy: It's going well Swami. They have all their messages and hints.

**Swami:** And Martin and Chinello third post advice, is it going well?

Cindy: It's going well and they have all the things that they need, everything that's required.

**Swami:** Perfect. So Martin and Chinello, you guys are ready huh?

Chinello and Martin: Yes.

**Swami:** Cool. Experiences matter of fifteen, twenty minutes... information, unbelievable knowledge already I given it. You have no idea how much they been under patience. (Chinello's Group) Keep running it.

**Swami:** Cindy, how much I donated to the Charity, all the front pages in the news?

Cindy: Yes, it was one lakh, crore (lakh is 100,000 x a crore, which is 10 million rupees)

**Swami:** It means?

Cindy: It means into the billions of dollars.

**Swami:** Not joking. You saw in all the newspapers?

Cindy: Yes, front page, it was the first thing in the headlines.

**Swami:** I'm not working for the money here. I'm working for the human moral values. And this guys they really got the... still tiny bit they're waiting. How many hints I given to you, and Gary? I prepared how many sticks?

Cindy: I would say gave at least twenty hints and you prepared forty sticks

**Swami:** Ready to beat them, that guys... clear instructions I given it, very, very, very clearly I given it. Right now in the globe it's required whatever it is, Maha Lakshmi and the knowledge is very powerful... that's only Shiva can provide - Truth is a truth.

Step by step I keep traveling, traveling, doing it... offering amazing things to each person. You have no idea. It will come out... said, "Whatever I want to do it." I'm doing my maximum best. Years, years, years, years, years with these senior students I'm spending the time - they cannot recognizing it... with the evidence, how many evidence I showed it?

One side I'm running with Navya and Shilpa, this, that, okay Maha Maya... one side I'm going different side, this angle until to hit it. Steve you know the well very well?

Steven: Yes guruji.

**Swami:** Is it a joke?

Steven: No it's not a joke.

**Swami:** It's perfect?

Steven: Very perfect.

**Swami:** Every person I given the homework...they keep triggering it. This is not the time for the unnecessarily to discuss. Why you guys misunderstanding? Thomas, we went last night...where we went?

Thomas: Puttaparti.

**Swami:** To what purpose?

Thomas: To meet one of your childhood friends.

**Swami:** What time?

Thomas: 11 p.m.

**Swami:** 10:45 pm...actually I admire the old people but I criticize the old people... Who came, and what their demand was? Who was my neighbor they came?

Thomas: Trust members from Puttaparti came.

**Swami:** Truth is truth...cross your heart on your mother?

Thomas: Yes, Swami.

**Swami:** How many hours they spend?

Thomas: At least two, three hours.

**Swami:** Three hours, forty minutes almost...always I'm watching the watch...watching the watch, hun-ummm. I do respect the great works, whatever this disciple whatever he did it. No problem. To the humanity unbelievable job he did it but at the same time, I need to think... But one angle I won't accept - he's the Avatar of Shirdi Baba. Giving his vibhutti whatever it is, Shiva lingams, right, thanks. Only here the charity works, I really admire how amazingly he done it in this drought place. Thomas is there really whatever we discussed it?

Thomas: Yes.

**Swami:** How much my pain I expressed it?

Thomas: It was deep Swami, deep.

**Swami:** Romance - leave it. Your habits - leave it. But helping nature and knowledge - that's most important and healing amazing things and creativity things... right now completely I concentrated bringing the reality, Satya, out through the Maha Maya.

Then Martin, I know how to do. Actually, Chinello he said, "Swami, on the Martin he deserve AK-47 at a one stretch." He's okay, bald head man, anyhow Gundhild likes that bald head, I forgive it... because of, Nadira also like it bald head of the Chinello. To be honest, entire their group with the patience, doing the maximum pushing... You have no idea how many people is working gently. Different people is Womb Chakra, different people doing that, different people that...let it go. Simone and Constanze, bring the conch.

*(They went upstairs and brought down the conch.)*

Swami: Now you're hearing it, huh?

Simone: Very clearly, thanks.

**Swami:** What happened with that? Give your experience. They will understand I hope.

Simone: So the night that we watched the movie, and you asked them to bring the conch, we could listen to the sound. It was really very clear, not like a wind and ocean, it was like the whole cosmos in this shell, and later on when I was in my room I listened to it again. It was so amazing. It was really like hearing the whole cosmos again. And yesterday evening it was already quite late, so I listened again before going to sleep, and then there was no noise anymore, and I was really like, "Oh my God what happened?" It was total silence. So I really was very, very concerned and sent a message to Swami, "I don't know what happened but all of sudden silence!"

**Swami:** Now you can hear it?

Simone: Very clearly... and I have to say I was really so concerned and worried what is going on. And I called Peggy because she also heard it during the movie, and I called her this morning, "Peggy listen to it." And she confirmed.

**Swami:** I think they're psychiatric isn't it? Either I'm psychiatric patient or they're psychiatric patient... Riya is definitely psychiatric patient. Without her make-up she won't come out. She completely got confused in her life, "What's going on? What is this lila?"

Martin, Chinello, and Nadira, three people you can hear the sound from the conch. Hey, what kind of sound it tells? From that sound it triggers? (*Martin listens*) It's okay, you no need to tell, you know the sound?

Martin: Yes.

**Swami:** You got it?

Chinello: I got it.

**Swami:** Clear?

Nadira: Yes, clear.

**Swami:** Okay, one more time you check. I'm also lawyer, Nadira just give your application... you no need application, in the Divine Court you can give the divorce to him. Clear?

Chinello: Very clear. Yes.

**Swami:** Okay, anyhow, Gundhild is also worrying, "Why can't I listen, he's pushing me out." Okay, come you can hear it. I'm reading

her eyes, not her mind. Give to her. They're done whatever they done. Listen madam...clear?

Gundhild: Yes.

**Swami:** You sure?

Gundhild: Yes.

**Swami:** You four guys is clear?

Students: Yes.

**Swami:** Simone you clear?

Simone: Yes.

**Swami:** Okay Peggy, you can also hear it what it tells it. You also touched it.

Peggy: Very clear.

**Swami:** Cross your heart, Peggy. You're like my big mother.

Peggy: I cross my heart Swami.

**Swami:** It's clear?

Peggy: Very clear.

**Swami:** Good. Simone wrote a letter and sended a card. I got panic, "Oh my God." Panic means, I'm a part of one or that, "Why? What's happening?" "Swami, this is, this is, this is, this..." she wrote it, she sended her card. No sound, stop. What's going on? You can take it as your property. Sun comes and it goes...comes and it goes. Healings comes and it goes... but somebody cannot stop to putting on makeup. But they want to heal their kid one hundred percent but not following it. Whatever they have the patience here and there, whatever that is, that type of characters how come I can trust? It's okay, I'm teasing... I know how to, when I need to take care... step-by-step I'm going...truth is truth.

Even just in this diet coke, small little champagne, whatever it is, relaxation, they fix it, "Guruji, you need to relax." Whoever it is somebody, "You're getting more tired...go..." Baba also he took the chillums, whatever, used it. And nira (like soma) whatever it is...but knowledge never dies... Satya never will die - that I'm working on it. Martin you need a tiger balm? You really need a tiger balm.

Martin: If you say so.

**Swami:** I tolded you, I asked you, "Red scarf lady?" Why I touch the lion every time when I'm going upstairs? No need to be sitting there in front of the homa... Did I ask you? What is your answer?

Elisabeth H: To give a greeting to Mother Divine.

**Swami:** Since years you keep observing every time I'm going up, simply I touch the lion and I go. You keep observing since years?

Elizabeth: Yes.

**Swami:** Why? I think Constanze needs to give the mind surgery to me. Constanza you want to give brain surgery to me?

Constanza: No way, no, no way... what do you mean?

**Swami:** She want to come to honeymoon with me, yeah, in front of lot of people. It's true. "Okay, ready, let's go... Keep running, running, running, and teaching the knowledge." Of course, good friend and good student, and great soul, amazing helping here and there and taking care of me - dedicated character. Every person is dedicated, I know that, I'm not ignoring, we're all one family. Shiva Shakti energy, once if you make it mix it, that I'll give in the climax stage then you'll do whatever you want to do. Then I'll do what I want to do it. One angle, science is ok. Again, I keep... don't think I'm putting same recording cassette...

**Swami to Rama:** You didn't shave it, I told you to shave it. I know your whole story, the bulb need to get out, there is no electricity what you can do? Nothing, leave it. Why I keep changing the subjects here and there, it is a kind of a movie, hitting here, targeting here, again coming there, hitting there, but somewhere information is there. Buddha, you are a doctor, hmm?

Buddha: Yes.

**Swami:** What type of doctor?

Buddha: Neurology.

**Swami:** What type of neurology?

Buddha: Treating brain strokes, nervous system diseases, like that.

**Swami:** Without any scissor, can you heal a person, without any needle?

Buddha: Yes, sometimes.

**Swami:** Say again.

Buddha: Sometimes it's possible, yes.

**Swami:** Is it possible right now?

Buddha: What person?

**Swami:** Who ever I used it - phat... are you going to heal it, the nervous systems?

Buddha: It really depends on the disease Swami.

**Swami:** What?

Buddha: It depends on the disease.

**Swami:** Disease, it is easy.

Buddha: For you it is easy.

**Swami:** Learn it.

Buddha: Yes, Swami.

**Swami:** Disease, disease, disease, disease... heart-brokens, heart-brokens, heart-brokens... relationship problems, relationship problems, inner blocks, inner blocks - you cannot get rid of that, whole rest of your life, non-stop running, non-stop running, running, running, running, running... How many countries, how many people, what I observed... In Hong Kong it's a kind of King Kong.

They feel like kind of a King Kong, but they're always monkeys. Hong Kong people are always monkeys... I'm openly declaring it. Certain characters, certain characters, they feel 'great'... the earth element in the different places... Brett is sitting all the way in the back and with the heartbroken. Brett, you ok?

Brett: Yes, Swami.

**Swami:** Hey, tell the truth.

Brett: Yes, I'm fine.

**Swami:** You ok?

Brett: Yes.

**Swami:** You got out of the heartbroken?

Brett: Sure.

**Swami:** Sure, it means not yet! He's in love with whatever it is... maximum best I tried. You want the Chinese girl or German girl? You're good on the website.

Brett: I'm sorry, Swami, I didn't hear what you just said.

**Swami:** Hun, I have a little ear problem but Buddha can heal me, don't worry. Tell me, strong, China, Germany or Russia, which one? I'll already want to figure out about Japan.

Brett: I don't want anything Swami.

**Swami:** Huh?

Brett: I'm done.

**Swami:** You're done?

Brett: I'm done.

**Swami:** Oh, you completed four characters, so, you are in Vairagya?

Brett: Well, the fast track, yes.

**Swami:** Hun?

Brett: Fast track to Vairagya.

**Swami:** Fast track of...?

Brett: The fast track to Vairagya.

**Swami:** No, I want to give Viagra to you! Many women likes the bald head people...it's my bad karma I have the hairs. They don't like, they're a little scared... Unbelievably, I tried my maximum best to him to bring out, one angle this, one angle that, one angle this, one angle that, but he's a great good friend, and a great, like a big brother, whatever it is...you have no idea how much I spended the time and how much I traveled for him only! If I'm really avadhut and powerfully, if I really take a stick... Cindy, he deserve a stick isn't it? You have also kids and you're a grandma?

Cyndria: Yes.

**Swami:** He deserve a stick or not? Of course Jonathan already I've broken the teeth, it's ok... I don't need a stick but I gave a treatment.

Cyndria: You spent a lot of time working on Brett's case and you have traveled many places to help him out, but I can't judge whether or not you need a stick.

**Swami:** Unbelievable running, running, running, running and taking care. If I care, I really... I will be there. Even pin to pin, even Narayanama and Das, that love is that power. But at the same time, it is a kind of also, it creates unnecessarily headaches in your life, nuisance. We'll wait and see once the Gary give the thumbs-up. They're working whatever it is, final trigger I've given it. They're very close... Chinello, you're ready your side?

Chinello: Yes.

**Swami:** So, remaining people, also, they're all different angles, they're ready... I am also different angles, ready... homas is running, leave it. Knowledge, experiences, it's not a big deal. Knowledge, already I've given it. Experiences, it's not a big deal. Let the bring... Once they give thumbs-up, we'll see... That same sound, once it started, it means they're almost all ready. I hope you understand.

Chinello: Yes, Swami.

**Swami:** You understand Martin? That type of sound has started, that signals, it means you need to be guys ready, then movie will start.

Chinello: We're ready.

**Swami:** I don't know how you are going to take care that. You really can hear that type of sound anywhere in the conch like that? She's a big traveler. You can really hear that type of sound?

Simone: There are sounds in conches, but this sound you can't compare.

**Swami:** But still, she did not get the book yet. She cannot able to convince me yet and I put her northeast garden, whatever it is, and she's meditating, and some group is all sitting, and I went her very close hm-hmm, near her face to face, and a lot of people is sitting there and she is snoring!

Simone: No, I was not!

**Swami:** Hey guys, how many people is there? Raise up the hands! Hello!

Simone: Nobody's here!

**Swami:** No, there is whole Hamsburg Group and I took the picture, with evidence and I recorded it, her snoring! I know, even if she lied it. Am I took the picture?

Student: You took the picture.

**Swami:** And also I recorded it, her snoring. Evidence is evidence. Right now whatever they're doing it, A to Zed, they're recording it. Constanza, they're recording it?

Constanza: Yes.

**Swami:** With video?

Constanza: Yes, absolute.

**Swami:** No way to escape. Simple thing today I can tell. Just anyhow, it's a big test whatever it is, let the Maha Maya simply calming down, and once that guys give the thumbs-up, we're ready. Everybody should be ready...anytime it might be...then the heartbroken people, whatever it is, I know how to do that, remaining things we'll figure out. First we'll see... certain steps already we done it. This is one of the major. Brett thinking, "Without me, I'm in banking, in software, all Swami's information I know it, how, whatever it is, he help in the universe?" I didn't help, Guruparampara helped. Who am I? He's going to be Vairagya...already I'm in Vairagya. But truth never ever will die. Who believed in the truth, they always will be succeed...certain things, if you cannot able to catch it, that is your ignorance, your laziness, simply laziness.

The ocean waves, especially on the Full Moon times, it always want to catch the sky, but it keeps trying it, but it never catch the sky, then the sky ever touch the ocean and it gives a lot of water... You don't know where is hidden the water in the sky...you don't know where is hidden the water in the earth - we are between that. Figure out. Good luck.

Have a nice night, and wait as much as you can... we'll see. That only I can say. I don't want to give a chance anymore. I'm following simply, gently, the principle of the Baba – patience, patience, patience then, later on I know what to do. Certain people know it, you know it Chinello, isn't it? You know it?

Chinello: Yes.

**Swami:** Finally I said it, ok, in the worst case... I know finally how to use it.

Chinello: Yes.

**Swami:** Keep... She's playing, playing, playing, playing, playing, playing...we are one family, no religion. Sorry, if I criticized to the Hong Kong people, and Japanese, and especially Lucia, she have a lot of connection to the Japan, whatever it might be. Waiting... Kala Chakra...different people is doing different, different things, different, different angle whatever it is. I don't know how you going to convince to the Guruparamparas as a group... entire... without touching the cow, you can create the ghee.

Good luck...can you start singing.
